

CHRIST'S SENTENCE.

An Alleged Copy of the Most Memorial Judicial Sentence Ever Pronounced, "Jesus of Nazareth Shall Suffer Death by the Cross."

The following is a copy of the most memorial sentence ever pronounced in the annals of the world, namely, that of death against the Saviour, with the remarks which the Journal Le Droit has collected, and the knowledge of which must be highly interesting to every Christian.

In the seventeenth year of the reign of the Emperor Tiberius, and on the twenty-fourth day of the month of March, in the most holy city of Jerusalem, during the pontificate of Annas and Calaphas.

Pontius Pilate, intend of the province of Lower Galilee, sitting in judgment in the presidential seat of the Praetors, sentences Jesus of Nazareth to death on the cross between two robbers, as the numerous and notorious testimonials of the people prove:

- 1. Jesus is a misleader. 2. He has excited the people to sedition. 3. He is an enemy of the law. 4. He calls himself to son of God. 5. He calls himself, falsely, the king of Israel. 6. He went into the temple followed by a multitude carrying palms in their hands.

Orders from the first centurion Quirillus Cornelius to bring him to the place of execution, forbids all persons, rich or poor, to prevent the execution of Jesus.

- The witnesses who have signed the execution of Jesus are: 1. Daniel Robani, Pharisee. 2. John Zorababel. 3. Raphael Robani. 4. Capet.

Jesus to be taken out of Jerusalem through the gates of Tauraes.

This sentence is engraved on a plate of brass in the Hebrew language, and on its sides are the following words: "A similar plate has been sent to each tribe." It was discovered in the year 1280, in the city of Aquila, in the kingdom of Naples, by a search made for Roman antiquities, and remained there until it was found by the commission of arts in the French army in Italy.

Up to the time of the campaign in Southern Italy it was preserved in the sacristy of the Carthusians, near Naples, where it was kept in a box of ebony. Since then the relic has been kept in the chapel of Gasert. The Carthusians obtained by their petitions, that the plate might be kept by them, which was an acknowledgement of the sacrifices which they made for the French army. The French translation was made literally by members of the commission of arts. Dannon had a fac-simile of the plate engraved, which was bought by Lord Howard on the sale of his cabinet for 2800 francs. There seems to be no historical doubt as to the authenticity of this. The reasons of the sentence correspond exactly with those of the gospel.

A poetess moans: "My heart lay on the threshold floor; I stifled every wail, As blow on blow descended from one who held the flail." It was enough to kill her! But a woman who is so careless as to leave her heart lying on a barn door until it is pounded into a jelly with a flail doesn't deserve a particle of sympathy. The thrasher, perhaps, didn't know it was "only a woman's heart." He may have mistaken it for a section of condemned Bologna sausage, and we therefore seek a suspension of public opinion in his behalf until his side of the story is printed.

TO THE PUBLIC:

A few Reasons why North Yakima, Washington Territory is being recognized as the most promising city in Central Washington: First—Because it has eight of the best, largest and most fertile valleys in Washington territory immediately tributary to it. Second—The seasons are from four to eight weeks earlier than any other part of the north-west coast. Third—Because we have the finest and most delightful climate in the Pacific northwest. Fourth—We are destined to become the great truck garden of the coast, with a cash market for our products on Puget Sound. Fifth—Being centrally located, we are recognized as the desirable place for the capital of the great state of Washington. Sixth—Because men who are well known as successful, shrewd and long-headed, are making large investments in North Yakima and Yakima county. Believing we are located in the most favored portion of Washington Territory for gardening, fruit growing and general agricultural purposes we invite all those who are looking for homes, business locations and manufacturing opportunities, to call on us at North Yakima, and, by seeing for themselves, be convinced.

Now is the Accepted Time to Invest!

We have now listed for sale, in addition to the Northern Pacific lands, of which we are the local agents, some of the most desirable real-estate and business lots in North Yakima, together with farm property and garden tracts. The opening of Spring will herald a sharper advance in the realty of Yakima than has been realized during the corresponding season for two years past, and it is a

Well Known Fact

That while all who have "dabbled in Yakima dirt" have made handsome returns on their investments, those who have availed themselves of the Winter months for purchasing have fared the best and coined the most money. Let not the opportunity slip, but get in at once and drill!
