

AN EXCURSION OF CAPITALISTS.—Next month a party numbering nearly two hundred capitalists will visit the territory. They are all the invited guests of the Puget Sound Improvement Company, and will travel on the "Golden Gate" special, which was lately in operation on the Union Pacific. It is without doubt the finest train in the world. It is made up of magnificent vestibule sleeping and dining cars with a smoking and observation car attached. The gentlemen who comprise the list of guests hail from New York, Boston, Philadelphia, Cincinnati, Chicago, St. Paul and, in fact, from all of the large cities of the East, and are the most wealthy and prominent men of their respective sections. The party will leave Chicago at 7 p. m., July 17th, and will make the fastest time between that place and the Sound ever made over the Northern Pacific. The excursion is given for the purpose of showing what the Northwest offers in the way of inducements for the investment of capital.

THE HOTEL YAKIMA.—An army of people have been at work for a week past getting the new and splendid Hotel Yakima in shape for the opening. The carpets have been laid, the furniture unpacked and set up, the dishes stored away, the cellar and larder stocked, the bar fixtures placed and every detail is being attended to. The carpets are body Brussels, and the furniture is the equal of that in any hotel in the Northwest. Everything is of the best and Mr. Stearns has bought with a lavish hand and with much taste and judgment. The Hotel Yakima promises to be to the Jewel City of Central Washington what The Tacoma has been to the City of Destiny.

A GENEROUS OFFER.—Captain Thomas has made a proposition to deed to the city a twenty-acre tract of land, for park purposes, situated along the river bank to the south of his residence. The only condition or consideration he names is that the city will expend not less than \$5,000 a year for the land for five years in improving the park. Captain Thomas values the property at \$250,000, and, as the condition on which the land will be ceded is one that a thrifty government would naturally follow, the city should not let this opportunity of acquiring grounds for a park to lapse by inattention and neglect.

ANOTHER NEW HOTEL.—John Bartholomew, proprietor of the Bartholomew House, entered into contract with A. P. Switzer Wednesday for the building of a new brick hotel on First street, opposite the opera house. The building will be three stories in height, with a frontage of 15 feet and a depth of 105 feet, and is to contain 45 sleeping rooms. The contract price is \$125,000, and the work is to be pushed forward as rapidly as possible. Mr. Switzer will have his men on the grounds to-morrow, moving the buildings which at present occupy the site of the new structure.

HAVE YOUR OPPORTUNITY.—Messrs. Rodman & Eshelman make an announcement in this issue of the HERALD which should attract the attention of those who are looking for good investments. They have now listed and are offering for the first time upwards of 30 choice residence and business lots. These lots were formerly held by the N. P. R. R. Co., and the original locations of North Yakima, and many of them have never been on the market before.

A SECOND DUCK SCHOOL HOUSE.—The school election on Saturday last was overwhelmingly in favor of building a new brick school house on the west side of the track. There were but 22 votes out of 106 that favored building an addition to the present structure. The school directors have sent to Architect Nestor, of Seattle, for plans and specifications and the contract will be let as soon as these are received.

PERMANENT FAIR GROUNDS.—It is proposed to purchase that portion of the S. A. Gilson place that is covered by the race track for permanent fair and racing grounds. Nearly all the money necessary for the purchase has been subscribed and a meeting of the subscribers for the purpose of perfecting the organization has been called at Goodwin & Engley's office for Saturday, June 29th, at 2 p. m.

ANOTHER MURDER AT ROULY.—Abey Wright shot and killed Al Lewis at Roly Wednesday. The murderer escaped to the woods, and although the officers were in hot pursuit he had not been captured at last report. Both parties were colored, and were employed in the mines. The men had just been paid off, and the quarrel which led to the shooting was due to an over-supply of whiskey.

THE INDIANS WILL CELEBRATE.—The Yakima Indians are preparing to celebrate the 4th of July at Fort Simcoe, in great style, and the HERALD is requested to extend an invitation to the "whites" to be present on that day. There will be singing and speaking, a display of horsemanship and other exercises that will be quite interesting, especially to strangers.

BASE BALL CLUB.—The North Yakima base ball club was organized Tuesday evening with W. W. Atherton, manager, and Wm. H. Brown, captain. The club is composed of excellent material and gives promise of making a lively game. It is proposed to challenge the Ellensburg nine for a match to be played in this city on the fourth of July.

ORGANIZING A MILITIA COMPANY.—North Yakima is to have a militia company. A large number of young men have signed the rolls and a meeting for the purpose of organization and securing equipment will be held at the G. A. R. hall, July 11th, at 7:30 o'clock p. m. A full attendance is desired.

DEED.—At North Yakima, June 24th, of lung fever, L. K. Austin, aged 29 years.
