

THE STATE EXPENSES.

Estimated Expenses of the State Government for the Coming Year—Probability of an Increased Rate of Taxation.

The estimated expenses of the state government for the first year of statehood and until the legislature meets in January, 1891, as was prepared by the territorial auditor and submitted to Governor Moore, in his bi-annual report, including the deficiency in appropriations for the current year, are as follows:

Table with 2 columns: Item, Amount. Includes salaries of governor, judges, clerks, and various state expenses.

The available funds for this payment, unless the law is changed regarding the time of collection of the levy of 1890, will be drawn from this year's assessment. If all this is collected, it will aggregate \$312,500, from which, if a deduction of 15 per cent is made for the delinquent tax and commission, leaves a balance of about \$265,000.

Electrical Questions and Answers.

How strong a current is used to send a message over an Atlantic cable? Thirty cells of battery only—equal to thirty volts. What is the longest distance over which conversation by telephone is daily maintained? About seven hundred and fifty miles, from Portland, Maine, to Buffalo, New York.

The combination of ingredients found in Ayer's Pills renders them tonic and curative as well as cathartic. For this reason they are the best medicine for people of coactive habit, as they restore the natural action of the bowels, without debilitating.

There is no more fruitful source of disease than vitiated blood. It involves every organ and of the body, and if not immediately corrected by the use of Ayer's Sarsaparilla disproves this theory. The reason is, this medicine is the most powerful blood purifier ever discovered.

I buy my underwear direct from the factories, and am now offering it at prices which were never before heard of in North Yakima. Call and examine goods and prices, and see for yourself.

The Pulpit and the Stage.

Rev. F. M. Shront, pastor United Brethren church, Blue Mound, Kansas, says: "I feel it my duty to tell what wonders Dr. King's New Discovery has done for me. My lungs were badly diseased, and my parishioners thought I could live only a few weeks. I took five bottles of Dr. King's New Discovery and an amount and well, gaining 26 lbs. in weight."

Forest Grove, Ore., March 8. I have been troubled many years with weakness of the kidneys and have tried many different remedies, sought aid from different physicians and even changed climates to obtain relief, but have met with indifferent success.

How often do we hear our friends say "O, I am feeling pretty well, but have a slight pain in the back, which I suppose will soon pass away." But does it pass away? No, not often unless assisted by some good remedy.
