German Syrup.

We want to impress upon our readers that Boschee's German Syrup is positively the only preparation on the market today that does relieve and cure consumption. It contains the specifics, such as pure tar, extracts of gum, etc., which have been so highly endorsed for the cure of coughs, colds and consumption by the great medical congresses. The consumptive, whether his disease is in the throat or the lungs, must have rest at night, and be free from the spasms of dry and racking cough in the morning. The diseased parts want rest, healing and soothing treatment, and the patient needs fresh air, good food, etc. German Syrup will give free and easy expectation in the morning with speedy and permanent relief. Small bottles, 25 cents; regular size, containing nearly four times as much, 75 cents. At C. C. Case's.
