German Syrup.

We want to impress upon our readers that Boschee's German Syrup is positively the only preparation on the market today that does relieve and cure consumption. It contains the specifics, such as pure tar, extracts of gum, etc., which have been so highly endorsed for the cure of coughs, colds and consumption by the great medical congresses. The consumptive, whether his disease is in the throat or the lungs, must have rest at night, and be free from the spasms of dry and racking cough in the morning. The diseased parts want rest, healing and soothing treatment, and the patient needs fresh air, good food, etc. German Syrup will give free and easy expectoration in the morning with speedy and permanent relief. Small bottles, 25 cents; regular size, containing nearly four times as much, 75 cents. At C. C. Case's.

ICE

did you say? Yes; crystal ice; lots of it; clean and pure; six times as much as the power house pond could produce. All of one kind. You are sure of what you are getting. Cheap, too because we made it so. Try it. We also sell coal and wood. Yours for fair dealing and good service, MELROSE & MOHR. Phone 516. 22-4f
