\$40,000 IN PRIZES.

Show at Which Washington Breeders Will Receive Many Awards.

PORTLAND, Ore., Nov. 25.—No single event in the history of the Pacific Northwest has had such bearing on the development of all this portion of the United States as the livestock show held during the Lewis & Clark exposition. No feature of the exposition drew such throngs of visitors, none was more educational. It was the climax of the whole season and a realization of what this industry means to Washington and Oregon was brought home to many for the first time.

Another magnificent exhibit is now assured in 1908, to be given by the Portland Country Club & Livestock association, an organization formed for this express purpose. In making arrangements for this show, the association fully appreciates that the affair must equal and perhaps surpass the high standard established by the lasting success of 1905, and the \$40,000 offered in prizes will insure the exhibit of the finest horses, cattle, sheep and swine on the American continent. In fact, the scope of the exhibit will be not only national, but international, since the livestock interests of the United States, when it comes to the breeding of high class animals, are so closely interwoven with those of Europe.

No state is more vitally concerned in the approaching exhibit than Washington, with her vast ranges in

the east, her alfalfa growing districts and fertile valleys of evergreen pasture on the western slope. Already the dairy products of Washington represent several times the value of her fruit crop. Increasing population is constantly demanding division of the large ranches, and the solution of the problem thus presented must be the raising of finer stock rather than greater numbers of ordinary grade. The market for good horses throughout the Northwest has never been satisfied from local sources. The establishment of immense packing plants on the coast by the greatest firms in the country has evidenced their confidence in the Pacific Northwest as a great livestock center.

From November 30th to December 7th the International Livestock show will be held at Chicago, and its attendance will be drawn from every quarter of the United States and Europe. To enlist the influence and arouse the interest of this great organization, the Portland Country Club & Livestock association will send H. D. Wisdom, editor of "Rural Spirit," and an acknowledged authority in these matters, to Chicago as a delegate. The International show at Chicago will be the greatest meeting of livestock men in the world. Each and every one of the Breeders' associations, embracing cattle, horses, sheep and swine, will gather in that western metropolis on the same date. Positive assurance has already been given that these

associations will add to the purses offered here and Washington will be especially benefited.

The great Pacific Northwest, and particularly Washington and Oregon, have the pure water, climatic conditions and every other requirement to make this portion of the United States the best stock growing section of the world, but it is only through the hanging up of big purses and meetings of international importance such as this that these facts will be brought to the knowledge of the world at large.

Prepare This Yourself.

For those who have any form of blood disorders; who want new, rich blood and plenty of it, try this: Fluid Extract Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces.

Shake well in a bottle and take in teaspoonful doses after each meal and at bedtime. Any good pharmacy can supply the ingredients at small cost. This is the prescription which, when made up, is called "The Vegetable Treatment;" by others, the "Cyclone Blood Purifier." It acts gently and certainly does wonders for some people who are sickly, weak and out of sorts, and is known to relieve serious, long-standing cases of rheumatism and chronic backache.

Make some up and try it.

City Brevities

Many Licenses.

The county auditor's office was kept busy Saturday issuing hunting licenses, and the probabilities are game throughout the Yakima Valley will have to go some if any would survive the day. The following nimrods expressed a determination to put the finishing touches on everything coming their way: W. E. Gibson, Toppenish; W. Pollard, Granger; Clay Oldfield, Alfalfa; George W. Johnson, Selah; John W. Anderson, Nile; C. E. Stone, Hugo Pope, Mabton; J. W. Schoonover, R. C. Pugh, W. M. Vaughn, Naches City; Raymond Bilger, R. L. Woodruff, Wapato; J. W. Howard, B. R. Steenburger, Joe McFarland, S. Monoco, W. J. Babbitt, A. J. Mock, Leonard Westaby, J. Archibald, C. F. Spring, R. A. Wilson, M. Oliver, M. E. Mudge, S. B. Rhine, E. G. Peck, North Yakima, and M. B. Williams, Sunnyside.

Work Progresses.

Work on the Herke and Coffin building is progressing very rapidly. The men did not take any holiday Thanksgiving, as they state the governor of Washington failed to furnish them with the usual Thanksgiving day proclamation.

Churchill Up December 18.

Charles Churchill will appear, according to the criminal calendar as arranged by Judge Preble, on December 18 to answer to the charge of murder in the first degree. More interest is taken in this trial by the people of North Yakima than has been manifested in any other murder case that has been tried here for several years.

Churchill has lived in North Yakima nearly all his life, and is charged with having shot and killed David

Ray Zeigler a short time ago. The next term of court will convene December 4, and will be occupied with 14 criminal cases, including two forgeries and other minor offenses before the Churchill case will be heard. It is believed the Churchill case will last at least a week, and if such should be the case the jury will in all probability be locked up through the Yule tide holidays. Attorney H. J. Snively will defend Churchill.

First Sub Station.

The first sub station for the Yakima Transportation Co. is nearing completion and should be ready for the installation of the motor upon its arrival. The generator is already here and the motor left Philadelphia November 4. The running of wires leading from the sub station to the railway line is being arranged for.

Life Easy For Jurors.

The jurymen in the new court house now have new solid oak chairs and seem to take life more comfortable. The waiting room for witnesses in the new court house has been furnished with chairs and tables and witnesses can now be at ease while waiting to be called.

Foundation Completed.

The foundation for the new \$40,000 Baptist church to be erected next summer on Yakima avenue and Sixth street was completed Saturday.

Killed His Horse.

Joe Mott, proprietor of a livery stable at south Front and Spruce streets, was fined \$50 and costs, amounting in all to about \$70, in Judge Doust's court Saturday afternoon. Mott was charged with brutally beating one of his work horses over the head with a shovel until the horse could hardly stand and 30 minutes later was dead. Humane Officer Logan H. Roberts was notified and a warrant immediately issued. Deputy Sheriff Grant arrested Mott, who, as the result of his violent display of temper, was sick in bed. He appeared, however, in the justice court, with the result as shown.

Big Land Price.

Twenty-three thousand eight hundred dollars for 56 acres, or \$425 an acre for raw lands is probably the highest price to be paid in this valley as yet, especially for so large a tract as was transferred by Theodore Weisberger to J. I. Huxtable and W. Ross Stuart through the real estate firm of Tennant & Miles. The tract is located about three and one-half miles from the city and is now under the Congdon ditch, but will be supplied by the Tieton upon the completion of the latter. This property was sold in 1893 for \$20 per acre, making the present figure over 21 times as high.

Basketball.

The Yakima High School girls and the girls of the Ellensburg Normal will meet in a basketball contest at Holstein's skating rink on Friday evening next. The game promises to be one of the most evenly matched and therefore interesting games of the several that have been played between these contestants. The girls

of the Yakima High School are particularly anxious for a large crowd, and they will doubtless be accorded the large audience they covet.

Makes Big Claim.

Horace Hughes, one of the eligibles of the Union Club, was hunting in the Ahnamum and returned with two ducks, which he claimed he killed himself. This matter is somewhat in doubt among the other members of the club, and there is some possibility that Hughes will be invited to write a sequel to the Munchausen stories, which the remainder of the club claim he could do better than the old Baron himself.

Night Clerk Ill.

Stacy M. Corwin, night clerk at the Pacific, is ill. Mr. Jewett, day clerk at that popular inn, is working a day and a half per day during Mr. Corwin's indisposition.

Like Parker Country.

Arthur Mays and Henry G. Good were looking over possibilities in the Parker country Saturday with a view to investing.

Plugardt Resigns.

Louis Plugardt has resigned his position as day clerk at the Hotel Yakima and gone to Tacoma. Mr. Plugardt leaves numerous friends in North Yakima.

Baby To Buy Own Shirt.

Jack Harris refuses to work since the 9-pound girl arrived at his home. The young lady has signified her intention to make Mr. Harris' place her future home and Harris states if such is the case he can dispense with the hired girl, thus saving enough to live on.

Getting Flowery.

Superintendent of County Schools Jacobson is preparing to decorate the windows of his office in the court house with carnations.

Postal Official Here.

R. A. Whitney of the post office department with headquarters in Seattle is talking over postal matters with postmaster Lemon.

Assessor Sindall Injured.

While turning a corner Tuesday the horse driven by Mrs. J. W. Sindall became frightened at a bundle of hay and bolted. Both Mr. and Mrs. Sindall were thrown out, Mr. Sindall suffering a fractured collar bone. Aside from a severe shock Mrs. Sindall was not injured.

Believes In Jones.

Richard Winsor, who with Mrs. Winsor is visiting their son, Richard Winsor, Jr., states Theodore Roosevelt must be the next presidential candidate of the republican party, declaring Roosevelt has been headed in the right direction and that he has started too many good moves to turn back or step aside at this time. Mr. Winsor also thinks Congressman Jones will be made United States senator. Mr. and Mrs. Winsor will leave for Los Angeles, Cal., Friday for the winter.

Didn't Want to Kiss.

"Never mind that part of it, judge," said Monroe Adcox when Judge Doust requested him to kiss the lady who had just promised to love, honor, cherish and obey him for the rest of her natural life. "I do not think it necessary at this

time, and I believe if Mrs. Adcox and myself wish to we will for several years to come have an opportunity of kissing each other to our hearts' content, at least I hope so. If we do I can assure you there will be no shrinking on my part." This was the somewhat unusual answer made by the groom who had just made Miss Erna Manson his wife. Mr. Adcox is a young homesteader from the Black Rock country and so far has shown excellent judgment in the selection of a wife as well as refusing to make a public demonstration of his kissing ability. He is to be congratulated.

Installs Heating Plant.

W. E. Crane of 415 north Third street has just had a \$600 heating plant installed by John Sawbridge.

Thanked Court.

Forty-four jurors, who have been in attendance during the present term of court and who were excused Wednesday from further attendance, took a somewhat unusual way of expressing their appreciation of the courtesies shown them by the court officials. They addressed a letter of thanks to the court, the prosecuting attorneys and members of the Yakima Bar, which was read during the afternoon recess.

Seek Divorce.

Papers in divorce proceedings brought by Howard E. Thompson against Bell C. Thompson have been filed.

Expert Operator.

C. B. Huber has accepted a position as moving picture operator under Manager Schaeffer at the Dreamland Theatre. Mr. Huber is an expert in his line of business.

Hamilton-Sloper.

Judge Doust performed the marriage ceremony Wednesday morning uniting Thomas J. Hamilton, of Dot Wash, and Miss Sadie Sloper, of Stockton, Cal. Mr. and Mrs. Hamilton went to Seattle Wednesday afternoon.

Mrs. Ella Wilson.

Mrs. Ella Wilson of the Cowiche died Tuesday morning at her home, aged 45. The body was taken to Spokane for interment.

Spent Holiday Here.

Thomas Williams, candidate for the office of councilman at Sunnyside, enjoyed Thanksgiving with his daughter, Mrs. Pearl Brown, of south Fourth, returning to his home Friday.

Brought Home.

Mrs. Ray Thompson, accused with having eloped with Roy Darrell about two weeks ago, was brought back to the home of her parents, and her 3-year-old son returned to his father Wednesday. Darrell has been working on the Thompson Ranch and disappeared some time ago, and it is claimed Mrs. Thompson went with him.

While in Seattle Darrell assumed the name of Thompson and was picked up by the police on a charge of burglary. He is now in jail at that point.

Marriage Licenses.

Marriage licenses were issued at the auditor's office Wednesday to Jacob F. Laible and Mrs. Bertha M. Linsie, and to John H. Bruff, the attorney, and Miss Ethel M. Bacon.

IT'S UP TO YOU!

Why? No man or woman living is any better than their Stomach, Liver and Kidneys allow them to be, and if these organs become diseased or affected, they will be ill. It is the function of HERINGTON'S TABLETS to correct errors of the digestion, to cause the liver to resume its normal work and restore the diseased kidneys to a healthy condition. Thousands of people all over the world have used them and have been cured.

A Sure Kidney and Liver Cure

Have you healthy kidneys? If not, you will soon be attacked with that terrible Diabetes, Bright's Disease, Gravel, Dropsy or Rheumatism, and your health and happiness ruined. We have the only treatment that is a sure cure for the dreaded Bright's Disease, Diabetes, and all other forms of Kidney and Bladder Troubles. If your kidneys are not healthy, if the bladder is inflamed and weakened, urine highly colored or cloudy, smarting in passing, pains in the back, nervous, languid, depressed, weakened in body and mind, bowels constipated and digestion bad, send for a box of Herington's Tablets and be cured.

Letters of Gratitude.

DULUTH, MINN., June 18, 1906. HERINGTON MEDICINE CO., Grand Rapids, Mich. Gentlemen—Please mail to Mr. G. W. Redmon, Hayworth, Wis., a 50-cent box of Herington's Tablets, for which you will find enclosed sufficient stamps to cover.

I have been taking your tablets for a few weeks on the recommendation of a Mr. Ross, and will say that they are the only thing and am sorry that I never heard of them before. Believe that if I had not taken your tablets that the doctors would have me in the ground. Will do all that I can for you. Very respectfully, W. G. BURGESS.

ESCANABA, MICH., Sept. 25, 1905. C. E. HERINGTON, Grand Rapids, Mich. Please send Dr. A. F. Snyder, Escanaba, Mich., one jar Herington's Tablets and send bill to him. After seeing what they did for me he wants to try them on other patients. I enclose what he says about my case. Yours truly, A. P. HULL. Urine heavily loaded, sp. gr. "33. Two weeks very much less.

My tablets are purely vegetable and I can prove that they have cured more people of kidney disease, bladder trouble and rheumatism than any other medicine in the world. More than one hundred thousand people have used them during the last three years and been benefited. We put them at a price within the reach of every one, 25c, 50c and \$1 per box, and we pay the postage.

Herington Medicine Co., Grand Rapids, Mich.

Where the Door Opens Constantly
