Explanatory Literature on Request

Getting ready with the punch gives a fellow a fine appetite. Two men call and a cheer of Gravelly.

**It only Takes a Minute to send him a pouch of Real GRAVELLY Chewing Plug**

Just drop into any wide awake dealer around here, give him 10 cents for the pouch of Real Gravelly, complete in the special envelope ready for mailing.

Address it according to the official directions he will give you. Put on a 3 cent stamp—and Uncle Sam's Mails will see that he gets it.

Real Gravelly is the tobacco to send. Not ordinary plug loaded up with sweetening, but condensed quality. It's worth sending a long way, and when he receives it he's got something.

Give any man a chew of Real Gravelly Plug, and he will tell you that's the kind to send. Send the best! Ordinary plug is false economy. It costs less per week to chew Real Gravelly, because a small chew of it lasts a long while.

SEND YOUR FRIEND IN THE U. S. SERVICE A POUCH OF GRAVELLY Even "over there" a 3c. stamp will put it into his hands.

**P. B. GRAVELLY TOBACCO COMPANY, Danville, Va.**

The Patent Pouch keeps it Fresh and Clean and Good—It is not Real Gravelly without this Protection Seal
