

# FRUITS OF MAYOR BOYD'S POLITICAL ENERGY

The residents on Pine and Hilliard streets, between Second and Fourth avenues, are in a condition bordering on panic. During the past two weeks there have been a number of holdups and burglaries in that vicinity. Robberies, burglaries, locks and keys, are the sole topic.

Every stranger who passes along the street is a suspect. Should this unfortunate happen to call at one of the houses he is a robber.

When night falls the faces of the residents become tense, their ears are set to catch the slightest sound. Every man, woman or child that passes on the sidewalk is under the eyes of at least 20 persons who pull back the curtains ever so slightly and "rubber."

"Well, they get into our cellar," said one man. "But just let them try it. The window is out, but if Mr. Robber drops through that window feet first he'll light in a tub of water, and that tub isn't propped up any too securely. When Mr. Robber hits the tub I feel that there will be enough noise in that cellar to waken the dead."

One lady who has a dread for burglars makes a round of the house every evening and places burglar alarms on every door. The device is not patented, but it is as effective as it is simple. A neat wooden peg is inserted in the keyhole. On this peg is hung a dishpan. Beneath the pan are strewn tin

Specials going on their first shift. When night falls the faces of the residents become tense, their ears are set to catch the slightest sound.

twined with the Stars and Stripes decorate the streets and public buildings of La Crosse today. The gala attire is in honor of the visitors to the Wisconsin state turnfest, which began today and will continue until Monday. Delegations are on hand from Minnesota and Iowa as well as from nearly every part of Wisconsin. The three days' program is replete with interesting features, among them parades and athletic exhibitions, band concerts and declamation contests.

## CORONATION OF KING PETER

VIENNA, June 24.—The dates for the coronation of King Peter have been definitely fixed at Belgrade for August 29, 30 and 31 next. It will take place in the cathedral with great pomp. Prince Ferdinand of Bulgaria and Prince Nicholas of Montenegro are expected to be present at the ceremony as guests of the king. The foreign courts will be informed through diplomatic channels, but no direct invitations will be sent. The same dates have been fixed for the grand celebration of the one hundredth anniversary of the liberation of Serbia under the leadership of Kara George.

## KING EDWARD'S BIRTHDAY

LONDON, June 24.—The birthday of King Edward (who was born November 9, 1841) was officially cele-

brated today, it having been decided, as announced in the official Gazette last month, that his majesty's natal day was to be celebrated in London and on the home stations June 24, as being the most suitable time for a military display. General interest in the celebration was apparently not diminished by the absence of the king, who started yesterday for Kiel to attend the regatta. The towns throughout the kingdom were gallily decorated and beflagged today, and the shipping at the various ports made the gayest displays of bunting. The chief celebration in the metropolis was the time-honored ceremony of trooping the colors on the Horse Guards parade.
