

# Purchasing Power of a Dollar

Did you ever think of the value of a dollar? Did you ever think that its value is measured by what you can purchase for it? Are you getting your money's worth every time you part with a "cart wheel?" They prices on the goods below may be convincing to you; they are to us.

## For One Dollar A Round Trip to Coeur d'Alene Lake

A magnificent sheet of water 85 miles long, two to eight miles wide and so deep in places that the bottom has not been found. Boating, sailing, bathing, excursions by boat or team, trout and bass fishing, good hunting in season, ducks, grouse, geese, etc.
