INDIANS LOSE BATTING EYE

Won. Lost. P. C.

Tacoma	6	3	.667
Spokane	4	5	.444
Grays Harbor	4	5	.444
Butte	4	5	.444

The Frisco disaster was bad enough, but they don't need half the sympathy down there that we need here in Indian town, on account of the terrible disaster which yesterday befell the Indians at Tacoma. Some horror-stricken fans watched the bulletin boards here and as the story of the calamity was unfolded, inning at a time, and each time a cipher (goose egg, to be more explicit), was hung up, it was altogether too heartrending a scene to watch without tears.

Nine of them in succession—it was horrible, terrible, awful. It was the skidoo number: for the Indians all right. Ike Butler was in the box for Tacoma and had the Indian sign on all Stanley's men, and the best they could do was to secure six measly hits. Franklin was on the firing line for Stanley's team, and the Cubs secured 11 bingles off his delivery.

The umpiring is said to have been the worst ever and Franklin was sent to the bench after pitching part of the fifth inning, and Simons was sent out in his place.

The score:
Spokane 0 0 0 0 0 0 0 0
Tacoma 0 0 1 0 0 0 2 * - 3

BUTTE DEFEATED AT HOQUIAM

Butte met defeat at Hoquiam yesterday, the Grays Harbor team winning by a score of 8 to 7. Errors on the part of the Butte team were responsible. Little Bresino, the pocket edition of a shortstop, made two bad fumbles and Charley McIntyre and Crable also made errors. This made two straight for the Grays. Tommy Doyle, the Frisco refugee, did the twirling for the Miners, but he was shaky—probably caused by a recollection of the quake.

OLD TIMER THE WINNER

King Altomont, a horse that is approaching the age when all good skates should be pensioned off and sent to the poor farm, showed good form in a match race at the Inter-

state race track yesterday when he outstayed Teddy R. and report says they went the first two heats in 1:07. The third heat was a bad start, Teddy R. winning. The judges called it no heat, and the next one was taken by old King. It was easy money, so 'tis said, for the King backers.

BASEBALL NOTES

The Logan school defeated the Garfield on the latter's ground yesterday 13 to 2. In the five teams now in the grade school league the Garfield is in last place, having lost all three games played. The Bryant school is undefeated, while the Washington and Holmes schools have each won two and lost one, and the Logan school has won one and lost three.

Blair Business college won from the Prosser team yesterday by a score of 16 to 1.

The Little Wonders beat the Hungry line yesterday by a score of 15 to 5. The feature was the sensational catching of "Bill" Jones. The Wonders go to Reardan a week from today to play the Juniors.

The Clippers defeated the Red Men on the former's grounds yesterday, the score being 23 to 12.

The Little Hilltopes won from the Little Indians, 10 to 7, yesterday afternoon. The Hilltops are open to meet any kid nine under 12 years.

TRACK MEET AT PULLMAN

The track and field meet of the Inland Empire is on today at Pullman under the auspices of the Washington State college. It will end tomorrow. Among the high schools having teams at the meet are Spokane, Walla Walla, North Yakima, Goldendale, Colfax, Palouse, Garfield, Oakesdale, Ritzville, Davenport and others.

Coach Twitchell of Spokane and 13 athletes left yesterday afternoon and about 100 rooters took the special train which left this afternoon at 10 o'clock.

FIGHT TONIGHT

Abe Attel and Kid Herman fight tonight at Los Angeles.

WILL FIGHT TO KEEP AWAY FROM THE BOTTOM

Fred Tenny, manager and first baseman of the Boston Nationals, would be satisfied to see his team lead the second division this season, hustling leader, but the financial policy of the owners of the team was not liberal enough to give him any leeway to gather a strong lot of players to begin the race this season. The defection of several of his old time players because of cuts in their salary,

HOPPE WINS ALL GAMES

Willie Hoppe is the only unbeaten billiardist in the professional tournament now going on at Chicago. All the other four participants have suffered defeat, while he has won all his games. If he continues in his present form he will likely win the first prize. Louis Cure of Paris and Jake Schaeffer met yesterday afternoon, the Frenchman winning, 500 to 463.

Sutton and Cure meet this afternoon, and tonight Hoppe and Schaeffer.

HOW CAN AN ACTOR PLAY BASE BALL?

Frank Finney, the inimitable comedian, burlesque producer, song writer, originator of gags, song and dance artist," according to the reading on the half sheet poster he uses for a letter head, will soon appear in a new role—that of manager of a baseball team. Frank's latest gag is that he has a ball team which challenges any "actor" team in the city.

It is hard to imagine Finney and his "boneless" arm out coaching a ball team. He'll be shouting "watch your business" when he means "get a lead," and the fans will wonder if he is getting foolish. He'll be working the terms of the stage in with those of the diamond and before the game is finished the players may forget themselves and be doing vaudeville stunts trying to follow his instructions.

SIDELIGHTS ON WELL KNOWN BALL PLAYERS

Carl Lundgren pitches in the Swedish tongue for the Chicago National league team. He puts a twist on the ball equal to that imparted by his forefathers to the queen's English. "Lundgren ban gude pitcher putty near all time he ban big league player. His skol lead league some day, maybe," according to the sporting editor of the Swedish Skolvortien. In Marengo, Ill., where Mr. Lundgren makes his home, he is regarded as the first citizen of the state. He is the judge at all meetings of the debating society and plays a trombone in the Marengo Silver Cornet band. Like the mighty Mathewson, Mr. Lundgren is a college graduate. He warmed a seat on the Chicago for two years before he was given a chance to show what he could do when the bases were filled. He was next to the best pitcher in the National league last season. His friends hope he will be even better this year.

JUNE ATTRACTION IS NOT SELECTED

Which shall it be? The question is proving to be a puzzler to Eddie Quinn, match-maker for the Spokane Amateur Athletic club. He has had letters from so many good men, large and small, that he finds it difficult to select the June fight card for the club.

Eddie thus far has built up the game here until Spokane is recognized all over the country as one place where the game is thoroughly upon its feet and in good standing. The contests at the athletic club have gained for the city an enviable reputation among professional pugilists. There is none of the rowdiness, seen at so many fights, exhibited here during the course of a battle. Every person who attends conducts himself as a gentleman and the affair might be a swell social reception so far as

Tomorrow will be children's day at the Washington theater. The chief feature is a juvenile turn, that of Inez and Ody, two little tots who do a good singing and dancing turn. SALVATION ARMY CONGRESS

(Scripps News Association.)
NEW YORK, May 11.—To celebrate the twenty-sixth anniversary of the coming of the Salvation Army to this country the local Salvationists have arranged a series of meetings and revivals. Twenty-six years ago today Commissioner Rallion with seven Salvation Army lassies landed at Castle Garden. The celebration will begin this evening with a meeting in the assembly hall of the barracks in West 14th street, when Commander Evangeline Booth will welcome the delegates of whom there will be more than one thousand, representing every district in the country.

FORMING A NEW THEATRICAL TRUST

(Scripps News Association.)
NEW YORK, May 11.—It is rumored in well informed circles that plans are on foot for the formation of a theatrical combination on an enormous scale, with a capital of more than \$20,000,000. The firm of Klaw & Frieranger figures conspicuously in the proposed plan, and Al. Hayman, who is now on his way home from Europe, will be an important factor in the formation of the combination, which will include the present theatrical syndicate, several large vaudeville interests, and Western theatrical corporations that are not now allied with the trust.
