Prof. St. Charles

His extraordinary powers of second sight, combined with a superior knowledge of occult forces, enables him to read human life with unerring accuracy from infancy to old age.

Learn What is Before You. His advice, pertaining to love, law business, wills, estates, buying or selling property, speculation, investments, marriages, divorce, etc., is unequalled. He reunites the separated, causes speedy and happy marriage with the one you love, gives truthful revelation of all love affairs, restores lost affections, settles lovers' quarrels, tells how to win the man or woman you love, makes your husband or wife be true to you, overcomes all your enemies and makes a person at a distance think of you; tells you names of friends and enemies—who is true and who is false; tells you whom and when you will marry, giving names, dates, facts and location, taking no fee, accepting none unless satisfaction is given.

Is not this fair and honest? Great reduction this week, as a matter of advertisement.

Never before in the history of occult science has a man of Prof. St. Charles' professional standing consented to place his services at the disposal of the public for such a nominal consideration.

How to Overcome All Troubles. Your Wish and Object in Life Can Be Obtained.

The All-Wise Creator did not endow you with high ideas, noble inspirations, desire for happiness and return for that great love craving within your heart without at the same time placing within your reach the means of attaining these desires. You would not desire a thing if you were not capable of attaining it.

YOUR WISH AND OBJECT IN LIFE CAN BE OBTAINED BY CONSULTING PROFESSOR ST. CHARLES, SYMONS BLDG., COR HOWARD AND
