## It's Better to Own Your Own Home Than to Pay Rent

There is very little odds in the capacity of men--the difference in conditions must be credited to calculation. "Labor has sure reward," as an old motto, is good, very good, but labor well directed is better, much better. The reason some people do not accomplish more is because they do not undertake much. Keep busy. Live well. Save a little and invest the difference. Never say fail, as such is not the spirit that wins, and our people are winners. Stay in the game and never lower the flag.

## Though the Formal Opening of Hiawatha Lots Opens the 15th, Tuesday, March 15 at 9 o'clock Sharp

any and all desirous of first selections will find two large, up to date autos at the end of the Traction company's Post Street car line from 9:00 a. m. "till the shades of evening fall," beginning tomorrow, the 13th, to show you over the grounds. Any one who should come out tomorrow on the Post Street car, after 9:00 a. m. and not find at least one of the autos waiting at the end of the line for any one such and all comers to go over the grounds, will positively receive a lot absolutely free. They are almost that by comparison anyhow; corners being only TEN DOLLARS extra---they are usually fifty. Come out and make your reservations. Every time the auto toots somebody buys a lot and we'll keep her tooting too.
