

CHIEF SAYS: "BEWARE SUMMER FIRE"

(1)—THROW WATER ON BLAZE BY HANDFULS. (2)—DON'T THROW THE CLOCK OUT OF THE WINDOW. (3)—WRAP YOURSELF IN BED CLOTHING AND HASTEN OUT. (4)—ATTICS OFTEN HAVE TEMPERATURE OF 110 DEGREES.

As the danger of fire from hot air, where the firemen and neighbors can see you, so that they may bring a ladder.

"Attics and closets breed many fires. When the summer sun strikes the roof it incubates the combustible material and it bursts into flame. Attics usually hold old varnished furniture, greasy rags, painting oils and old clothes with pockets containing matches. Attics often have a temperature of 110 degrees, which is the ignition point of matches. Remove as much inflammable material as possible and keep the attic ventilated.

"Don't leave piles of sawdust or floor sweepings in a corner or a closet. Heaps of a certain preparation for sweeping floors with which benzine is mixed often cause fires. "Don't let inflammable material

like greasy overalls or clothes with matches in the pockets hang in a tightly closed closet. Be most careful with closets under the stairway, as escape is often cut off when the stairway burns.

"Fine coal or ashes filled with litter in the basement are liable to spontaneous combustion if allowed to get wet from an open window.

"Don't let the children play with fire."

"The dry grass surrounding some of the frame buildings in the city should be cut and carried away and burned. There is nothing easier to start a bad fire than a lot of old dead grass. The people ought to get together and have this grass removed, but I don't suppose they will until there is a disastrous blaze."

Charles Lindholm & Co., the headliners, in "A Man From Minnesota," received great applause. They have a neat little playlet, and play it well.

OBJECTS WHEN PINK TIGHTS ARE DISPLAYED BY CUSTOM HOUSE MAN

NEW YORK, June 6.—When an unfeeling customs official held aloft a pair of pink silk tights to the gaze of an unfeeling, but very curious audience, Mrs. H. C. Stuart, wife of the millionaire nephew of "Jeb"

Stuart of civil war fame, collapsed. "Give me my tights," she almost shouted. "I'll pay the duty."

Dutiable goods valued at \$600 had been declared by Mrs. Stuart, but \$10,000 worth of undeclared jewelry, gowns and silk underwear were found in 10 of the 25 pieces of baggage opened at the pier. Mrs. Stuart contended she was a non-resident by virtue of two years' sojourn abroad.

During the examination Mrs. Stuart, tall, stately, dark eyed and extremely handsome, exclaimed in righteous indignation:

"The idea! That inspector holding aloft a handful of my tights. I wear tights—silk tights, to be sure. You have to wear them in place of lingerie with those tight fitting gowns. It's most provoking, for I had no idea that I would be required to declare anything."

"The conduct of the customs officials," said Colonel Stuart, "was outrageous in allowing this matter to get into the newspapers."

NO COLLUSION SAY RAILWAY PRESIDENTS

(By United Press Leased Wire) WASHINGTON, June 6.—That there has been no collusion between the railroads and that the present suit is destructive to railroad credit, are the arguments the presidents will use when they ask President Taft today to stop the injunction proceedings against railroad rate cases. This was authoritatively learned today.

The railroads will contend that the increased tariffs affect only a small part of the freight service. They will declare there was no agreement of any kind when the increases were proposed. One road merely notified the others that it intended to increase its rates, the president will be told, and the others followed suit.

The Spokane County Pioneer association will hold their annual picnic Thursday, June 16, at Medical Lake.

The address of welcome will be made by Oliver Stanley Hallett of Medical Lake, and the response will be given by Dr. J. E. Gandy of Spokane. The Eastern Star quartet will furnish the music and Miss Olive McFee will be heard in recitations. C. B. Dunning of Spokane will talk on "A Recent Trip Around the World," and the closing address will be made by Hon. W. H. Ludden of this city.

A dance will be given in the evening in the pavilion at Medical Lake. A round trip rate of 40 cents has been made for the occasion and it is expected that about 500 or 600 people will attend.

WAITERS WIN ANOTHER POINT

Jim's Oyster House on Howard street has been purchased by He Hennessy Brothers, owners of the Helena cafe on Main street, and will open at 1 o'clock today with a full union crew. This is an important addition to the list of union houses on account of it having been one of the strongest second class association houses. All non-union help will walk the plank.

WASHINGTON IS GOOD FOR BLUES

Any vaudeville manager will tell you that it is the laugh that makes the people come to see the acts. A big laugh is the feature at the Washington this week. It consists largely of the work of three good comedians in their farce, "Schultz's Night Out." It's a good thing to see on a hot summer evening, and will put you in humor with the world and in shape for a sound sleep with pleasant dreams.

Scotch are always popular on the stage, and the Gordon Highlanders are no exception. Their dancing is particularly good.

Although gymnastic stunts rather bore audiences now, the work of the Four Rio brothers is clever.

Miss Mildred Stoller is certainly pretty. Judge for yourself whether she should be called the Lillian Russell of vaudeville. There are two or three other acts which help to make up a very interesting program of fun.

WHITE HAIR TURNS BLACK

WAYNESBORO, Md., June 6.—Mrs. Jarrett Pittman, of near McConnellsburg, 80 years of age, whose head has been covered for a decade with snow white hair, is creating no end of surprise for her neighbors and friends of the vicinity by growing very dark hair. In little sections the white hair is being replaced by strands of a dark color. Mrs. Pittman has been confined to her room several years on account of illness.

JOHN DALZELL WINS

(By United Press Leased Wire) PITTSBURGH, Pa., June 6.—At republican headquarters today it is declared that John Dalzell, regular candidate for the congressional nomination, defeated Dr. Robert J. Black by a majority of 405. The count, the leaders say, is complete, with the exception of one precinct. They declare the results from this precinct will probably not materially change the vote.

\$100 REWARD

NEW JESUIT COLLEGE FOR SAN FRANCISCO

CHICAGO, June 6.—San Francisco has been selected as the site of one of the three new universities to be founded by the Jesuit order. The other cities chosen are New Orleans and Boston. Plans for the universities are nearly completed and the work of establishing the schools will be undertaken in the near future.

PANTAGES HAS A VERY GOOD BILL

The Pantages comes to the front this week with an exceptionally bright and entertaining bill—in fact, one of the very best here in months. "The Three Dreamers" scored perhaps the biggest hit on the bill with their rapid fire witticisms and monologues. The portrayal of the "dope fiend" and the "messenger boy" are very good. They proved equally as good singers as jokesters, and rendered several good selections.

Wallino & Georgette, the first on the bill, demonstrated the dancing of several nationalities, and received general applause.

Payton and Williams, the "hen-roost inspectors," are a scream, and their jokes are all original and spicy.

Reros brothers, head and hand balancers, might well be termed daredevils of the air, so thrilling are their feats, which, by the way, are new ones here, particularly the stunt of balancing on the head on a swinging trapeze and raising a man from the floor by the strength of the arms.

Violet Wegner is only fair as a comedienne, but very good as a singer.

CULDESAC, Idaho, June 6.—Christian church was crowded yesterday to hear the sermon of the boy preacher, Everet Doak, 14-year-old son of Rev. A. A. Doak, formerly of Colfax but now conducting the church here.

DAYTON, Wash., June 6.—Robert Neal lays claim to the title of champion strawberry grower. Last week he gathered several boxes of twotler berries, nine of which filled the box. From 2300 worth of plants he gathered \$100 worth of berries.

WINCHESTER, Idaho, June 6.—Although only ten months old, this town will celebrate the Fourth of July in good shape. Merchants will give \$600 in prizes.

WALLACE, Idaho, June 6.—Spokane Elks will be royally entertained June 9, at the opening of the Coeur d'Alene cut-off. A feature will be a boxing contest between Frank "Kid" Norbeck and "Wild Bill" Ward.

COUNTERFEITING PLANT IN PRISON

(By United Press Leased Wire.) JEFFERSON CITY, Mo., June 6.—Following the exposure of a counterfeiting plant in the state penitentiary here, Governor Work hadley today decided to pardon Lee Jayne and Joseph Vail so that the convicts may be prosecuted for counterfeiting. The plant had been in the prison for 20 years and was passed from prisoner to prisoner. Discovery came when four men operating the plant quarreled over division of the money.

Inspector Edward McHugh raided the plant and seized the melting pots, molds and counterfeit coins.

DEMAND REMOVAL OF REGIMENT

(By United Press Leased Wire.) SEATTLE, June 6.—A mass meeting will be held this evening at a hall in the Fort Lawton neighborhood to demand the removal of the Twenty-fifth infantry, a negro regiment, from the fort.

This move follows an attack on Mrs. J. W. Redding at her home in Lewton Park addition Saturday by a negro soldier. A private is held in the guardhouse at the fort as a suspect. The commandant refuses to give out the man's name until his innocence or guilt is proven.

The Twenty-fifth is the negro regiment made notorious by the Brownsville affair. Officers at the fort declare, however, that only a scattering of the men in the regiment at the time of the Brownsville embroglio are still in the government service.

PIONEER SOCIETY TO HAVE PICNIC

The Spokane County Pioneer association will hold their annual picnic Thursday, June 16, at Medical Lake.

The address of welcome will be made by Oliver Stanley Hallett of Medical Lake, and the response will be given by Dr. J. E. Gandy of Spokane. The Eastern Star quartet will furnish the music and Miss Olive McFee will be heard in recitations. C. B. Dunning of Spokane will talk on "A Recent Trip Around the World," and the closing address will be made by Hon. W. H. Ludden of this city.

A dance will be given in the evening in the pavilion at Medical Lake. A round trip rate of 40 cents has been made for the occasion and it is expected that about 500 or 600 people will attend.
