OREGON EXHIBIT IS GOOD.

State Products Win 35 Gold Medals at St. Louis Fair. President Jefferson Myers of the Oregon state commission takes vigorous exception to the statements of P. A. MacPherson, made upon the return of the latter from St. Louis concerning the Oregon agricultural exhibit, says the Oregon Daily Journal.

Mr. MacPherson said at that time in the Journal that the Oregon exhibit in the agricultural building was "a slam at our good state," that the display had often been excelled at the state fair at Salem and that compared with the exhibits of Washington and California, it was "insignificant."

This report nettled Mr. Myers and now, after a week or 10 days in St. Louis, he offers a reply. A dispatch to the Journal over his signature says: "Replying to Mr. MacPherson, the Oregon agricultural exhibits at the World's fair received the grand prize for grains and grasses, 35 gold medals, 44 silver medals and 23 bronze medals. The exhibit is equal to that of any state in the Union."

License to marry has been issued by the county clerk to the following: Don Carlos Brownell and Doshie C. Graybeal, both of Umatilla county.
