Christmas Activity

GREAT ACTIVITY AT THE PENDLETON WOOLEN MILLS.

The near approach of Christmas is evident if one will but go up to the Woolen Mills. There everything is bustle and activity. Every machine in the mill is being worked to its full capacity to fill the rush orders that have come in.

On one order alone from a firm in Gallup, New Mexico, it will require 1200 robes.

The money spent in advertising the past few years is just beginning to show returns and the Christmas trade for this year will be the largest in the history of the institution.

The requests for catalogues and information regarding those famous goods come from all over the world, and it is a common occurrence to have to call an express wagon to take the day's mail to the postoffice.

The number of these robes being forwarded on individual orders alone is sufficient to prove that these goods are more popular than ever for Christmas. These orders come from points where the goods cannot be found in the local stores, and when these are added to the large numbers being distributed over the counters of the various stores throughout the country, Pendleton people can see what an interest has been created in the products of the local mills.

The garments have not been shown to the trade at large, yet the demand for this new line has far exceeded the capacity of the machines now installed.

At the present time more orders for these garments are on file than can possibly be turned out before Christmas.

Mr. Phillips, treasurer of the Root Newspaper Association, publishers of The Dry Goods Economist, The Dry Goodsman, The Dry Goods Reporter and the Pacific Merchant, called at the mills one day this week and upon seeing the Bath Robes, Lounging Robes, Smoking Jackets and Toboggan Coats now being manufactured, predicted a greater success for these garments than even the Indian Robes had been, and said if they were placed before the merchants next year he did not think the present mill would be able to turn out even cloth enough for the garments alone.

In making up Christmas lists Pendleton people should include something from our home town and thus help in a way to advertise not only the local institution, but the city of Pendleton as well.

Milwaukee has her beer; Grand Rapids her furniture, and Pendleton her Indian Robes and Blankets.

OREGON'S INSANE

HIGHEST NUMBER REACHED IN NOVEMBER 1873.

Appropriation of \$100,000 Will Be Asked From the Coming Session of the Legislature for Improvements and Additions — Superintendent Recommends Branch Asylum to Relieve the Certain Congestion.

The asylum report for November shows a total of 1373 patients in the institution at the highest tide for the month.

The superintendent recommends that a branch asylum be built as the present rate of increase will overcrowd the present quarters.

The statistical report shows the following movement of insane asylum population:

In asylum October 1, 1902	1256
Admitted during term	841
Escapes returned	51
Under treatment	2148
Discharged recovered	162
Discharged much improved	92
Discharged improved	53
Discharged, not improved	56
District Alaska insane	43
Died	292
Escaped	77

Total 775

Remaining Sept. 30, 1904 1373

In transmitting the superintendent's report to the legislature, the board of trustees suggests that there is no reason why the state should alone bear the expense of caring for those patients who are committed to the asylum because they are aged or infirm, and it is recommended that a law be enacted requiring the several counties to pay to the state the cost of caring for these patients.

Appropriations Needed.

Appropriations to be asked from the coming legislature for permanent improvements are as follows:	
Building and furnishing new wing	\$ 45,000
Finishing and furnishing quarantine building	1,500
Five new lavatories at \$3250 each	16,250
Constructing blacksmith shop	450
Hose cart house, asylum farm	350
Two cottages for consumptives	5,000
New cottage for physician	2,500
New heating system for cottages	3,000
Painting buildings and cottages	10,000
Compartments for criminal insane	7,500
Cementing walls of asylum building	5,900
Modern steam cookers for farm	900
Finishing Ward 23	1,650

Total \$100,000

The insane patients were committed from the following counties:

Baker 58, Benton 23, Clackamas 45, Clatsop 69, Columbia 21, Coos 25, Crook 17, Curry 3, Douglas 48, Gilliam 16, Grant 15, Harney 9, Jackson 37, Josephine 23, Klamath 8, Lake 9, Lane 60, Linn 54, Lincoln 4, Malheur 6, Marion 125, Morrow 12, Multnomah 397, Polk 17, Sherman 2, Tillamook 7, Umatilla 59, Union 36, Wallowa 8, Wasco 53, Washington 44, Wheeler 4, Yamhill 28; total 1373.

A prominent club woman, Mrs. Danforth, of St. Joseph, Mich., tells how she was cured of falling of the womb and its accompanying pains and misery by Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM:—Life looks dark indeed when a woman feels that her strength is fading away and she has no hopes of ever being restored. Such was my feeling a few months ago when I was advised that my poor health was caused by prolapsus or falling of the womb. The words sounded like a knell to me, I felt that my sun had set; but Lydia E. Pinkham's Vegetable Compound came to me as an elixir of life; it restored the lost forces and built me up until my good health returned to me. For four months I took the medicine daily and each dose added health and strength. I am so thankful for the help I obtained through its use."—Mrs. FLORENCE DANFORTH, 1007 Miles Ave., St. Joseph, Mich.

A medicine that has restored so many women to health can produce proof of the fact must be regarded with respect. It is the record of Lydia E. Pinkham's Vegetable Compound, which cannot be equalled by any other medicine the world has ever produced. Here is another case:—

"DEAR MRS. PINKHAM:—For years I troubled with falling of the womb, irregular and painful menstruation, leucorrhoea, bearing down pains, backache, headache, dizzy and fainting spells, and stomach trouble.

"I doctored for about five years but did not seem to improve. I began the use of your medicine, and have taken seven bottles of Lydia E. Pinkham's Vegetable Compound, three of Blood Purifier, and also used the Sanative Wash and Liver Pills, and am now enjoying good health, and have gained in flesh. I thank you very much for what you have done for me, and heartily recommend your medicine to all suffering women."—Miss EMMA SNYDER, 218 East Center St., Marion, Ohio.

"FREE MEDICAL ADVICE TO WOMEN." Women would save time and much sickness if they would write to Mrs. Pinkham for advice as soon as any distressing symptoms appear. It is free, and has put thousands of women on the right road to recovery.

Mrs. Pinkham never violates the confidence thus entrusted to her, and although she publishes thousands of testimonials from women who have benefited by her advice and medicine, never in all her experience has she published such a letter without the full consent, and often by special request of the writer.

\$5000 FORFEIT if we cannot forthwith produce the original letters and signatures of above testimonials, which will prove their absolute genuineness. Lydia E. Pinkham Medicine Co., Lynn, Mass.
