**FRANCE IS NOT "SOFT" AT RUSSIA'S STATEMENT**

PARIS, Aug. 13.—Published reports of serious difference of opinion between France and Russia in regard to the close of the Balkan treaty giving the port of Kavala on the Aegean sea to Greece, led the French foreign office to publish a note on the subject. It says that while France believed the port should be given to the Greeks and Russia thought it ought to be handed over to Bulgaria, neither government attached much importance to its own view as to ask the other to sacrifice its opinion. The relations between the two allied governments, says the note, were never so close as now.

The Buckaroos made three errors, but were lucky, for none of them counted toward North Yakima's four runs.

Welch, who was released by Walla Walla last week, was in the box for Pendleton and pitched a good game.

**Out One, Two, Three.**

The Buckaroos went out one, two, three in all but the third and ninth innings. In the third Augustus dropped one over second base which was good for a single. It was the only hit the Buckaroos got off Boatman and they tried to stretch it into a score. Augustus stole second and went to third when Welch dumped one and was out, Taylor to Fuller.

Boatman issued his first and only walk to Augustus, the first man up in the ninth. Berger went in for Welch and advanced Augustus a base although he swung too hard on the ball for it to go for a sacrifice. Taylor let a wide pitch slip out of his

mitt and Augustus went to third on it. Boatman caught Reid's pop-up and Netzel got Lodell's infield fly, however, and the side was retired.

**Few Assist to Yakima.**

North Yakima had just four assists credited to it. Ten of the put outs were caught flies, seven were strikeouts, two were fouls which Netzel caught, four were by Fuller unassisted and the other four were on infield assists. Fuller got everything that came in his direction during the game in spite of the fact that he was ragged by the crowd for missing them in practice.
