## SATURDAY'S GAME WON BY WALLA WALLA

BOISE, Idaho, Aug. 18.—In a listless game relieved only by the stellar pitching of Bonner, Walla Walla took its first game of the series here Saturday, 1 to 0.

Bonner's only pass, a high throw to second and a passed ball let Harmon score the only run of the game in the second inning.

The Irrigators hit Daley but not in bunches until the last inning when with two down Altermatt singled and Gard doubled, but the ball beat Altermatt to the plate by a fraction of a second.

Brown refused to pay his fine and remained out of the game.

Brown was fined for protesting at the decisions of Empire Richardson who is being panned by all the members of the team. Richardson got off bad on his decisions in Walla Walla and is doing worse here in Boise.

Score: R. H. E.  
Walla Walla..... 1 1 1  
Boise..... 0 7 2  
Daley and Johnson; Bonner and Gard.

## HOLD-UP IS TOUCH OF THE OLD DAYS

PENDLETON, Ore., Aug. 18.—That the good old days of six shooters and holdups aren't entirely a matter of history was demonstrated yesterday afternoon when Bend's annual special excursion train from Seattle coming over the Oregon Trunk Railway was held up by a band of "desperadoes" a couple of miles north of Bend. Intimidated by the flash of many revolvers, accompanied by the noise of repeated shots, the train crew and 75 passengers were obliged to alight, line up beside the train and keep their hands in the air while the "highwaymen" riddled them in the most improved fashion.

There were no fatalities. In fact aside from a loss of composure on the part of a few who did not "tumble" to the joke at the outset, the wayward travelers report no losses. The train robbers were business men of Bend. Attired in caps and masks, bristling with six shooters and generally torqued up in a manner that would have done credit to the baddest of bad men, these dozen "desperadoes" contributed the holdup as a feature of the trip of the Seattle visitors.

Leaders of the "desperadoes" were: Representative Forbes, J. P. Keyes, Deputy Game Warden McKay and Mayor Putnam. Moving picture machines made films of the exciting event. The excursion party will leave Bend for Portland and Seattle Monday midnight. D. M. Mossosohn, of the Chamber of Commerce Bulletin, is one of the Portlanders on the train.

## IRRIGATORS WIN FROM BEARS, 12-1

BOISE, Aug. 18.—The Walla Walla team, crippled by lack of pitchers, sent in Lundstrum, who has been playing second. Lundstrum was generous with his passes and hits and Boise overwhelmed the Bears in Sunday's game.

Three times the Bears filled the bases and were retired. The Bears' only score came when Childers hit advanced on a pass and an out and Lundstrum scored him. Lundstrum passed nine men. Sheely, first baseman, finally went in and fanned two. Lundstrum passed six. Woods fanned ten and passed nine.

Score: R. H. E.  
Walla Walla..... 1 5 2  
Boise..... 12 12 1  
Batteries—Lundstrum, Sheely and Brown; Wood and Winkler.

## SEATTLE SELLS PITCHER KELLY TO THE RED SOX

SEATTLE, Aug. 18.—Ed Kelly, the young pitcher recently obtained from the Walla Walla club by President Dugdale, has been sold to the Boston Americans. The price was \$3000.

Kelly has won three games to date last two both of which he was taken out. The contest he won against Victoria on August 10 was one of the best Seattle has seen for years.

President McAleer of the Boston Sox made the deal with Dugdale personally. Kelly will not be delivered until next year.

## URGENT BRITISH TO TAKE PART IN FAIR

LONDON, Aug. 18.—In an editorial dealing with Great Britain's refusal to participate in the Panama Pacific exposition, the Outlook says:

"It seems pretty churlish that Great Britain should refuse to take part in the exposition because it would cost her a little more money than she expected. Unless there are other and better reasons to be given for this policy we fear that England would cut rather a bad figure over the business and will lose something far more valuable than the profits she might have gained by a party looking at Uncle Sam's big world's show."

## SENSATIONAL TRIAL OPENS

KANSAS CITY, Mo., Aug. 18.—Highly sensational details involving a set of wealthy high school boys and girls were promised by the prosecuting attorney today when Doctors J. Hall and Barbara Pratt went to trial on charges of causing the death of Meta Zook, 18-year-old daughter of a prominent business man of Kansas City. The physicians have been at liberty on bonds of \$2000 since their arrest. Two 18-year-old high school boys, George T. Vance, Jr., and Herbert Giker, appeared today as material witnesses for the state. The physicians were arrested August 15. Dr. Pratt said the Zook girl consulted him and then consulted Dr. Hall. Pratt is 23. Hall denied before the grand jury that he had performed an operation on the girl. In the course of his investigation of the case the prosecutor declared he unearthed a deplorable state of affairs regarding the moral conditions existing in one of the Kansas City high schools.

## YANKEE'S NEW 'SPEED MERCHANT' SHOWS GREAT SPEED IN 1ST GAME

Fred Malsell, the 115,000 beauty from the Baltimore Orioles, has made his debut with the Yankees. He displayed an abundance of speed on his first day, but failed to make a hit.

Malsell was a little nervous at the start, and more so in the ninth, when Harry Foley, manager and trainer of Ritchie, made the selection, and the champion, who arrives here Monday morning, will immediately start his work.

The place where Ritchie will train for the Welsh battle is the Eburne Hotel, on the banks of the Fraser river, and situated in the open country. Manager Bert Halstead, of the hotel, has installed a gymnasium for the champion inside the building, and in fair weather an outside pavilion will be used, after the style in vogue in California. Only two miles from the hotel is the Brighthouse arena, where the pair of champions will settle the ownership of the world's title on Labor Day.

Welsh is doing his work at English Bay, the summer colony site of Vancouver. The British champion has a big skating rink fitted as a gymnasium, and it is only a stone's throw from the ring to the surf. Eddie Moy, champion heavyweight of Pennsylvania, is the Welsh champion's sparring partner, although a number of local boys will also work with Freddie.

The arena where the pair will meet is situated at Brighthouse, a few miles outside of the city limits. It is about 7000, and at the scale of prices in effect will hold, when filled, about 40,000. It is perhaps the most compactly built arena on the continent even the occupants of the bleachers being only 100 feet from the ring. From present indications, the arena will be packed when Welsh and Ritchie clash, the advance seat sale, which opened Thursday, showing a bigger gross total of receipts than the arena has ever held before when taxed to capacity at regular rates.

Special rates, made on all railroads running into Vancouver for the Vancouver exhibition, will be in effect for out-of-town boxing fans who are coming to the Welsh-Ritchie bout. These rates are about one and one-third for the round trip, and have a time limit sufficiently long to cover both the match and the exhibition.

## RITCHIE SETTling DOWN TO WORK FOR COMING FIGHT WITH WELSH

VANCOUVER, B. C., Aug. 18.—(Special)—Training quarters for Willie Ritchie, world's champion light weight, have been selected within two miles of the arena where Ritchie will defend his title Labor Day afternoon against Freddie Welsh, lightweight champion of the British Empire. Harry Foley, manager and trainer of Ritchie, made the selection, and the champion, who arrives here Monday morning, will immediately start his work.

The place where Ritchie will train for the Welsh battle is the Eburne Hotel, on the banks of the Fraser river, and situated in the open country. ## CITY ENJOINED FROM ENFORCING TICKET LAW

SEATTLE, Aug. 18.—The most important decision rendered in Washington in its effect on municipal corporations was rendered by Federal Judge Rudkin, when he permanently enjoined the city of Seattle from enforcing the sale of streetcar tickets upon a street car. Rudkin held the state public service corporation alone had the power of control over public service corporations.

## POLICEMAN HIT WITH CANE MAY BE BLIND

NEW YORK, Aug. 18.—Matt McGrath, the famous policeman athlete, who recently was suspended on account of his flat and who subsequently became special officer at a theater, probably will be blind in at least one eye as the result of an affray last night. Four intoxicated men tried to enter the theater and McGrath went to eject them. In a scuffle he was hit with a cane in the eye.

## NEW CROSS-BREED OF HORSE IS DISCOVERED

WASHINGTON, Aug. 19.—Experts of the bureau of animal industry believe they have discovered a new cross breed of horse that will prove as tough and useful as the mule and yet have the intelligence and speed of the full-blood horse. This decision has been reached after experiments made by breeding "Dan," the Gravy zebra from the National Zoological Garden, to a Morgan mare at the Maryland experimental farm of the department of agriculture. The resultant foal has been highly praised by horsemen and the breeders are urging that the government import as many more zebras of the same strain as can be procured for the purpose of establishing the new breed.
