

RIDING AND DRIVING CLUB IS RESURRECTED

With Baseball Dead, Owners of Fast Horses Lease Park and Will Give Matinees Every Two Weeks.

With organized baseball for Pendleton this spring knocked in the head and dead as the proverbial doornail, outdoor entertainment of another kind is to be provided. The Round-up Riding and Driving Club has been resurrected and is planning to put on bi-weekly matinees such as drew out large crowds to the party two years ago.

The club has leased Round-up Park for the season and will immediately commence putting the track in shape for workouts. Frank Frazier, well known turf man, is taking the initiative in the work and has aroused enthusiasm among the owners of fast horses.

COULD NOT STAND ON FEET

Mrs. Baker So Weak—Could Not Do Her Work—Found Relief in Novel Way.

Adrian, Mich. — "I suffered terribly with female weakness and backache and got so weak that I could hardly do my work. When I washed my dishes I had to sit down and when I would sweep the floor I would get so weak that I would have to get a drink every few minutes, and before I did my dusting I would have to lie down. I got so poorly that my folks thought I was going into consumption. One day I found a piece of paper blowing around the yard and I picked it up and read it. It said 'Saved from the Grave,' and told what Lydia E. Pinkham's Vegetable Compound has done for women. I showed it to my husband and he said, 'Why don't you try it?' So I did, and after I had taken two bottles I felt better and I said to my husband, 'I don't need any more,' and he said 'You had better take it a little longer anyway.' So I took it for three months and got well and strong."—Mrs. ALONZO E. BAKER, 9 Tecumseh St., Adrian, Mich.

Not Well Enough to Work. In these words is hidden the tragedy of many a woman, housekeeper or wage earner who supports herself and is often helping to support a family, on meagre wages. Whether in house, office, factory, shop, store or kitchen, woman should remember that there is one tried and true remedy for the ills to which all women are prone, and that is Lydia E. Pinkham's Vegetable Compound. It promotes that vigor which makes work easy. The Lydia E. Pinkham Medicine Co., Lynn, Mass.

making three high class acts for Sunday. The colored actors can't be beaten as entertainers, and we can assure you these people are the very best, so you may be certain to see—*any day*—any day, any day, any day. The two Jewish boys are extra good, also.

"How Villains Are Made." Two reels. Keystone. Little Billy Jacobs, three year old actor, and the Keystone "kid" company in a most laughable comedy in which children play all the parts. We have had several of these kid comedies and they have all been unusually good.

"A Barrier Royal." Two reels. Broncho. Miss Rhea McNeill, a Portland, Oregon, girl, plays the leading part in this beautiful costume play of the days of ancient Rome. These pictures are for Sunday only. Change of pictures Monday.

Alta Theater. Tonight is the last night for Barton and Jackson. These clever and dainty dancers. Also the last chance to see the present bill of pictures.

Tomorrow, Sunday, another exceptionally good vaudeville act will open. Alicia Petit Clero, French operatic soprano, and Ken McCall, baritone, in a refined artistic singing act. They are real singers, executing a mixed program of good songs and dress their act with a swell wardrobe. A new program of pictures.
