

The Alta Theatre Wins Long Fight

Thursday, May 21, tomorrow, is a joyful day for the Alta Theatre. On and after that date, the Alta will run the very best of licensed pictures, (Kalem, Biograph, Vitagraph, Selig, Pathe, Edison, Essanay, Lubin, etc.) guaranteeing the public a worth while entertainment at all times.

Manager Gilchrist has been making a fight for this class of service since opening the Alta eight months ago and has just succeeded in getting what he has been striving for. "The best is the best" in the "best" way!

In addition to all of your most favorite makes of films, the Pathe weekly, hot off the press, six days from issue every Sunday. This costs considerable extra and it is proposed to run the big feature films made by these companies which also come at an extra cost in connection with this regular service and to maintain the price of admission at that most popular of all admissions, 10 cents for adults and five cents for children. In other words the "Alta" proposes to increase the attendance rather than to raise the price of admission to pay for these expensive films.

Hereafter, except May 29 and 30, the Alta will always have but one admission, 10c and 5c.

On Thursday and Friday of this week the Alta will present Judith of Bethulia, one of the most talked-about BIOGRAPH features ever produced.

On Saturday for the one day only, "The Leech of Industry," a Pathe three-part photoplay dealing with the Labor-Capital question, and an Edison comedy.

On Sunday for one day only, the Pathe Weekly in addition to a regular program carrying actual moving pictures of the fight at Vera Cruz. This shows U. S. soldiers being shot down before the Mexican rifle fire.

IF BACK HURTS USE SALTS FOR KIDNEYS

EAT LESS MEAT IF KIDNEYS FEEL LIKE LEAD OR BLADDER BOTHERS.

Most folks forget that the kidneys, like the bowels, get sluggish and clogged and need a flushing occasionally. One who has backache and dull misery in the kidney region, severe headache, rheumatism twinges, torpid liver, acid stomach, sleeplessness and all sorts of bladder disorders. You simply must keep your kidneys active and clean, and the moment you feel an ache or pain in the kidney region, get about four ounces of Jad Salts from any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice combined with lithia, and is harmless to flush clogged kidneys and stimulate them to normal activity. It also neutralizes the acids in the urine so it no longer irritates, thus ending bladder disorders.

Jad Salts is harmless, inexpensive; makes a delightful effervescent lithia-water drink which everybody should take now and then to keep their kidneys clean, thus avoiding serious complications.

A well known local druggist says he sells lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.

SNIPERS KILL GIRL IN VERA CRUZ STREET

16-YEAR-OLD LASS WAS BEING ESCORTED BY AMERICAN RED CROSS.

Mexicans Pick Her Out From House-Top, Killing Her Instantly—Boy Also is Killed When he Strays Out of Doors After Warning—Other Incidents of Fight.

(United Press Staff Correspondent) VERA CRUZ, May 20.—(By Mail) "Proposes mediation in difficulty between Mexico and the United States." That was the caption in a recent edition of the Mexican Herald over the story of Argentina, Brazil and Chile's offer to try to settle the Mexican difficulty and Secretary of State Bryan's dispatches witnessed to Rear Admiral Padger. The typographical error caused many a laugh in the American colony and more "watchful waiting" was predicted. The Mexican Herald is the first English newspaper ever published in Vera Cruz. Hudson, its owner published his paper in Mexico City until he was forced to flee the capital. He immediately bought a press here and issued his first paper on Friday.

The publication of the "A. B. C." offer caused much dissatisfaction among the naval men and Americans here. They immediately conjectured that the move meant a lot more delay.

The shooting by Mexican snipers of a 16-year-old Mexican girl in a street near the Plaza was one of the most pathetic incidents of the two days' fighting.

In the fighting the little girl's father was killed and she became separated from her mother. Two Red Cross men found her alone, frightened and crying in a house which they searched. Placing the girl between her to a place of safety. On the way down by Avenida Independencia snipers fired on the party and the girl was instantly killed. So far as known she was the only female killed during the fighting.

Another shocking incident was the killing on the third night of a 12-year-old Spanish boy. At 7:30 that night the patrol went through the streets warning all natives to stay in their houses. The Spanish boy was told by his father to stay indoors but when firing began his curiosity got the better of him. He was shot and killed almost in his own doorway.

The U. S. S. collier Orion has been the busiest ship in the harbor since the arrival of the Atlantic fleet. The Orion carried 10,000 tons of coal, enough to fill the bunkers of five dreadnaughts.

As soon as the Arkansas took up her position and cooled and then the New Jersey and South Carolina emptied the Orion. Other colliers filled the bunkers of the other ships.

No matter what some Mexicans may think of the American marines, Senorita Maas, the beautiful and charming daughter of Gen. Maas, federal commander of Vera Cruz, has the utmost confidence in their honesty. When Gen. Maas and his family fled into the interior, Capt. Anderson of the Florida, in charge of all the marines, occupied the Maas mansion as his headquarters. All the rooms except those occupied by Anderson and his staff were locked up.

Two days later senorita Maas came in from Soladad where her father is camped and went to her home. She asked the guard to allow her to enter her bedroom and was apparently surprised when he took out a key from
