

### Penny Wise and Pound Foolish

The cost of living makes every woman look to see where she can save money, which, of course, is sensible and proper if not carried too far.

In the case of food it would be foolish to attempt to substitute sawdust for a breakfast food because it is cheaper. Everyone knows sawdust has no food value and its use would be a positive detriment to the health.

Royal Baking Powder, which is made from cream of tartar, adds only healthful qualities to the food.

The difference in cost of a pan of biscuits or of a cake made with Royal Baking Powder as compared with cheap alum or phosphate of lime powders is about one cent, which is surely too small an amount to warrant the risk.

### RECALLED TEUTON GENERAL WHO ORDERED SHOOTING OF NURSE

This is the latest photograph to reach this country of Gen. von Bissing, the German military governor of Belgium, who, it is reported, has been called to Berlin by the Kaiser to explain in person, his reasons for refusing to grant a sufficient reprieve for an appeal of the death sentence imposed upon Edith Cavell, the British nurse, executed as a spy.

**Definite Probe to Be Made.**  
WASHINGTON, Nov. 23.—Further indications that the department of justice is contemplating criminal prosecutions against Consul General von Nuber of New York and other alleged Teuton agents were seen in the announcement that the department's investigators hereafter will deal with probes of pro-German activities in the United States. Any evidence obtained by the treasury department and secret service officials will be turned over to the justice branch. In announcing this centralization of the investigations, both departments denied there was any friction between them over the subject.

**Portuguese Cabinet Resigns.**  
LONDON, Nov. 23.—The Portuguese cabinet has resigned, according to Lisbon dispatches. One account said the resignations had been accepted. Another that the president rejected them temporarily because parliament was not in session. It is expected the new premier will be Alfonso Costa.

**Bullmoosers Are Uncertain.**  
NEW YORK, Nov. 23.—Whether the bullmoosers will reunite with the republicans depends upon the latter. Medill McCormick announced before leaving for Washington following a conference with Roosevelt. Many bullmoosers, he said, will vote for Wilson rather than Root, whom the republicans appear to be grooming as a candidate.

"The progressives do not intend to support the men who helped 'frisk' them in the last convention," he said.

### Coffee

You have small chance to get good coffee if you think that high-priced coffee is pretty much alike!

There can be exceptionally good coffee, you know; and it needn't be extravagant!

You will never find it packed any other way than in airtight tins; evenly ground; with the bitterish chaff taken-out.

### Refuse Ford's Ads.

LONDON, Nov. 23.—Following the example of Lord North's papers, other papers, including the Globe, which reappeared after two weeks' suppression, announced they would refuse Henry Ford's auto advertisements because of Ford's opposition to the recent allied loan in America. ### TAKE THIS MAN'S ADVICE TRY THE GREAT KIDNEY REMEDY

It always gives me pleasure to recommend anything that is right and so I feel it my duty to herald the praises of Dr. Kilmner's Swamp-Root. Yours very truly,

### Well Known Remedy Relieves Chronic Case

IMPORTANT TO DISPOSE OF WASTE FROM THE STOMACH WITH REGULARITY.

People frequently attribute to failure of the digestive organs conditions that are primarily due to inactive bowels, and apply remedies that are more apt to aggravate than to relieve the disorder.

When the bowels act regularly the stomach is in better shape to perform its allotted tasks and can usually be depended upon. To keep the bowels in condition there is no more effective remedy than the combination of simple laxative herbs known as Dr. Caldwell's Syrup Pepsin which is sold in drug stores for fifty cents a bottle.

Dr. Caldwell has prescribed this remedy in his practice for over a quarter of a century and it is today the standard household remedy in thousands of homes. Mr. Thos. DeLoach, with the department of the interior, office of Indian affairs, at Washington, wrote Dr. Caldwell recently that "Dr. Caldwell's Syrup Pepsin is the best laxative I have any knowledge of and the cleaning up

guaranteed by its use relieves every organ." A bottle of Dr. Caldwell's Syrup Pepsin should be on hand in every home for use when needed. A trial bottle free of charge, can be obtained by writing to Dr. W. B. Caldwell, 454 Washington St., Monticello, Ill.
