# DAD'S Present

When father is doing the giving everyone looks for something handsome.

And when the other members of the family join together to buy a present for father, they want a gift of beauty and dignity—something worthy of himself.

Take advantage of your first Christmas shopping visit to this store to ask about the Hallmark Watch. I will gladly show you my stock. The fact that I am an agent for the Hallmark Watch you may take as good evidence of my standing as a jeweler.

While accuracy and durability are of course the prime considerations in making a Hallmark—there is an impressive thinness and beauty to our models for gentlemen and ladies. There is a Hallmark for every member of the family. All models illustrated and described in our catalog which we will mail on request.

\$14.00 to \$125.00
