HOSPITAL DIRECTORY.

The Sanitary Commission has made arrangements for supplying information gratuitously, with regard to patients in all the United States General Hospitals.

For information, relative to patients in the Hospitals in New York, New Jersey, the New England States, Eastern Virginia, Maryland, District of Columbia, North Carolina, South Carolina, Florida and Louisiana, address "Office of Sanitary Commission, Washington, D. C."

For the Hospitals in Pennsylvania, address "Office of Sanitary Commission, No. 1307 Chestnut st., Philadelphia."

For the Hospitals in Western Virginia, Ohio, Indiana, Illinois, Missouri, Iowa, Kentucky, Tennessee, Mississippi, and Arkansas, address "Office Sanitary Commission, Louisville, Ky."

In all cases the name, rank, company and regiment of the person enquired for should be given, and where he was when last heard from. If the application is by letter, the answer will be sent by return of mail; if in person, it will be answered at once; or if by telegraph, an answer will be returned immediately at the inquirer's expense.

Soldiers' Aid Societies, clergymen, editors and others, can scarcely serve the cause of humanity more effectually than by frequently and widely disseminating a knowledge of the above among those who have friends in the army.

SUPPLY DEPARTMENT.

The Sanitary Commission, under special authority of the President of the United States, maintains an extensive system of agencies for securing the safe conveyance to, and distribution of, goods put in its charge for the sick and wounded at points where they are most wanted. It operates with equal care and generosity at all points—at New Orleans and at Washington, before Charleston and at Chattanooga—its distributions being governed by a comparison of the wants of the patients in all cases. The following is a list of depots, to which auxiliary societies, and all disposed to aid the sick and wounded, without reference to States or localities, but simply to their relative necessity for assistance, are invited to send their offerings:
