Aguinaldo Swears Fealty
to the United States--
War Department Happy

HE SAVES
HIS HEAD

And Will be Included in the General
Amnesty--Will be Restrained in
His Liberty.

WASHINGTON, April 2.—The war department today received information from General MacArthur that Aguinaldo has taken the oath of allegiance to the United States under the terms of amnesty offered by General MacArthur by direction of the president. The dispatch conveying this information contained much more than was given to the public. The portion withheld related to the future disposition of Aguinaldo and made suggestions as to what the late chief of the insurrection might accomplish. No official statement could be obtained as to what finally would be done with the prisoner, but it was emphatically stated that he would be held for the present, but would be granted all possible immunity consistent with existing conditions. General MacArthur has hopes that a

great deal may be accomplished through Aguinaldo. During the time he has been a prisoner he has made quite a favorable impression upon General MacArthur. It has been suggested that under the terms of the note of amnesty the prisoner should be set at liberty at once, but there is a provision in the amnesty proclamation which says that those who have violated the laws of war are excepted from its terms. Whether or not general MacArthur has been satisfied that Aguinaldo has not violated the law can not be stated, as the prisoner would be permitted to take the oath pending an investigation of his past conduct. Aguinaldo having been the head of the insurrection undoubtedly can be held until further investigation is made or until the circumstances which surround the situation in the Philippines make it advisable to release him outright or otherwise dispose of him. These conditions and the general situation, and Aguinaldo's relation to them, were the subject of General MacArthur's dispatch, and are being considered by the authorities here who will have the final disposition of the matter.

SENATOR SHOUP AT HOME.

Returns to Boise via California—He Thinks
President Will Retain all Present Federal Of-
fice Holders Whose Records Justify Reappoin-
tment.

Ex-Senator George L. Shoup, accompanied by Mrs. Shoup and the Misses Shoup, arrived in Boise last Sunday from the coast. The Senator and family left Washington about three weeks ago. They went to New Orleans and after a pleasant stay proceeded to the Pacific coast, visiting in Los Angeles, Coronada Beach and San Francisco. They also made a short stop at Portland.

Senator Shoup, in conversation with a representative of the Boise Statesman last evening, said he had urged President McKinley to pay a visit to Boise during his western tour and had secured a promise that he would do so providing it was not found necessary to make radical changes in the northwest itinerary. "If the president goes over the Short Line he will stop for a short time at Boise," said the senator. "If he comes it will be about May 23."

Speaking of Idaho matters the senator said everything was much as it had been. He had done the best he could for the Boise public building, it having been considered advisable to accept the \$50,000 increase rather than hold up the appropriation longer. He had assurances from the department that the building would be a very fine one. Advertisements for bids would probably be authorized to be printed some time in April.

Asked concerning Idaho appointments the senator said there was nothing he could say at this time excepting that the president had indicated a desire to retain all federal office holders who had performed their duties satisfactorily and who were satisfied to remain. Respecting appointments for army service and other appointments growing out of the organization of a stable government in the Philippines, the senator said he had filed a list for consideration by the president. All the other states had presented similar lists, however, so those appointments were surrounded by a good deal of doubt.

Senator Shoup said he intended to maintain his home and his headquarters in Boise, although he would spend considerable of his time in the Salmon country looking after his business interests. His family, he said, would pay a visit to Salmon city during the summer.

O'Keefe Accepts.

Jack O'Keefe of Astoria left on the morning train enroute to St. Paul where he will act as immigration agent to represent this section of the country. Mr. O'Keefe will make his headquarters at St. Paul and will make his special endeavor to interest investors in the possibilities of the Lewiston country. His intimate knowledge of the country and its varied resources will make him a valuable man for the position. He will attempt to organize large parties to come direct to Lewiston with intimate knowledge when they start of what conditions obtain here in the lines of their special needs.

The homeseekers movement still continues. This week six trains will leave St. Paul carrying more than a thousand homeseekers. C. A. Landy left Wednesday for Spokane and will meet all trains arriving with immigrants to direct them into the Clearwater country.

COURT NEWS

Supreme Court in Session
This Week--Considers
Important Appeals.

DISTRICT COURT
HAS A RECESS

Adjourned From Monday Till Satur-
day--Jury Cases are Concluded
--Term to Continue Two Weeks.

The April term of the supreme court has been in session in the city since Monday. The calendar for the term is light and the session will probably end today. The principal cases from this county heard on appeal have been the appeals taken from the judgment of the district court in the cases against County Commissioners Isaman and Black. The decision in the court below ousted the commissioners from office and awarded \$500 to each of the informants, S. O. Tannahill and John Ponting. The appeal was argued by E. O'Neill for the appellants and B. F. Tweedy for the respondents.

In the case of James W. Reid vs. E. C. Steele, the case was argued and taken under advisement. This is a case where the defendant secured a writ of review from an order made by Judge Steele requiring him to pay \$500 into court.

The appeal made by J. W. Reid against the judgment rendered in his suit against the Lawyers Co-operative Publishing Co. was dismissed, also the appeal taken in Albert Rockwell vs. G. W. Bashor, a case concerning the title to a reservation claim recently decided in favor of Mr. Bashor.

The case of the First National bank of Lewiston vs. Charles C. Sampson was argued and taken under advisement. Attorneys Needham & Walker appeared for the appellants and I. N. Smith for the respondent.

Several important cases from Kootenai county were heard, the principal ones being the State vs. Alcom and the State vs. Pease. In the former Edwin McBee appeared for the defendant and in the latter Charles Heitman. Attorney General Frank Martin and James Graham appeared for the state.

In the district court on Monday the case of Henry and Clifford Riggs vs. Thomas Oliver and George Riggs was heard and a writ of restitution ordered issued. This gives possession of the Lake Waha property to Riggs Bros. A stay of execution was granted for 30 days, during which time an appeal will probably be taken.

A Handsome Salary.
Jap Mounce will leave early next week for California and will accompany his son, Owen Mounce, to the east. Owen Mounce is under contract to ride this season for August Belmont at a retaining salary of \$7000, which does not include his regular fee of \$10 for each mount and \$25 for each winning mount. While in big stake events he will get \$25 for each mount and \$50 if he lands a winner. If his present success continues young Mounce will probably make \$10,000 or \$12,000 this season. The season opens May 1, and the Belmont string will be represented in all the big events of the eastern circuit.

Assessment in the New County.
B. F. Bashor, county assessor, received word this week from the state authorities regarding his inquiry as to whether or not to levy an assessment in that portion of Nez Perce county cut off by the passage of the Clearwater county bill. He is instructed to await the action of the supreme court, if the case comes up at this term, but if the case does not come up for hearing to leave the assessment for the newly appointed officers of Clearwater county.

Mr. Bashor left Lewiston yesterday for the Central Ridge country, where he will work during the coming week. Edwin Spekker, deputy assessor, is at work now in the Beeman country, while R. P. Mudge is completing the work in Lewiston.

Shot in the Foot.
George Isaman, oldest son of S. G. Isaman, was accidentally shot Sunday afternoon. While strolling about the farm in company with his father looking for oil prospects a stray bullet fired by some one up the canyon struck him in the foot. The ball entered the heel from behind, ranging downward and inward. It struck the bones of the foot and lacerated the muscles of the sole of the foot. The man who fired the shot heard the outcry of the child and the commotion caused by his shot. He hastened to help the father carry the boy to the house. Dr. Shaff was called and is now in attendance of the wounded boy. The wound is severe and may result in serious complications resulting in a serious injury to the boy. At present the patient is resting easily. The gun used was a 44-caliber Winchester, and the hunter a farm hand, living at Ira Small's, who was out shooting at coyotes.

The story of the shooting is as follows: Jake Jacobs and Will Nixon, employed at the Ira Small farm, went coyote hunting Sunday afternoon. They traversed the full length of the canyon and had succeeded in killing two coyotes. While they were at the upper end of the canyon Mr. Isaman and his son came into the lower end and as the boys returned down the canyon, hoping to add another coyote to their record of the day, Jacobs saw something through the brush, and, raising his gun, fired with the sad result above recorded. They had been in the canyon all afternoon with no sign of a human being, save themselves, in that locality.
