 Miss Edith Miller of Colton, who has been in the city attending the fair, being accompanied by her guest, Miss Peyton of Spokane, returned home this morning.
Rube Shields.
 Rube Shields, who has been a source of pleasure unalloyable, is a character well known to the fun-loving people everywhere. In his sketch trick of riding

and Rube character he has made ever a hit in every state in the union in the last two years. He is the trick rider who rode down the capitol steps in Washington City, and the only rider who successfully accomplished that feat. On March 31, 1897, before a great crowd he made a successful trip down the great flight of steps at the national capitol, a flight of seventy four steps, broken by four landings a total run of 161 feet. Rube Shields has ridden nearly every long flight of steps on prominent public buildings in the United States. Nine weeks ago he met with an accident in Salt Lake where he fell while riding down a flight of steps constructed for his exhibition and he is not doing that feature here.
 Rube Shields, known in private life as William Wyman Windemere Shields, is a native of Medway, Connecticut. His home is now in Boston. He is a graduate of McGill university, Montreal, and is a veterinary surgeon by profession. At the age of nine years he took to the road with a patent medicine company and has a liking for the play actor's life. "Together with my brother, Frank Shields, I have been on the road now, about two years in my 'trip around the border of the Union.' I like to make fun and if I please the people and make no enemies my mission is accomplished."

HON. JOHN T. MORRISON

The Republican Candidate for Congress Addressed an Enthusiastic Audience at the Court House Last Night.

Not all the attractions of the Midway, the opera house or the various other pleasures in the city during the great fair, nor the inclemency of the weather, could keep a good crowd of enthusiastic republicans from being present at the court house to hear Hon. Jno. T. Morrison, republican candidate for congress, on the issues of the campaign. Hon. James E. Babb presided at the meeting and presented the speaker who promptly at 8 o'clock began the address of the evening. Mr. Morrison was in excellent voice and showed no fatigue, though he has been more than a month now in active canvass. His excellent address of more than an hour and a half covered all the issues of the campaign. In a passing retrospect of the paramount issues of democratic times, Mr. Morrison paid a visit to the democratic graveyard, and pointed out the places sacred to the memory of abolitionism, Caesarism, force bill, free trade, free silver and predicted another for imperialism. The speaker treated at length the inconsistencies of the democratic attitude on the trust question as compared with its record when in power, and closed his speech on a review of the trust issue of imperialism, pointing out the republican position with a clearness that won him rounds of applause. After the speech the candidate held an informal reception and met the people of the audience. Mr. Morrison left on the morning train for Idaho county.

The Bittner Company.

Last night the Bittner company played to a large and enthusiastic audience. The play presented was the beautiful four act society play, "Young Mrs. Winthrop" and the full company appeared in the cast to a good advantage. Master Albore and the three Velore brothers were the special attractions. "Pawn Ticket, 210" will be presented tonight.

Sunday School Convention Notes.

Dr. Hays of Pullman delivered an able lecture at the Methodist church last night on the subject: "The Relation of the Sunday Schools to the General Welfare of Our Country." Dr. Hays left for his home this morning.

Miss Hawes will read a paper on kindergarten work in the Sunday schools, at the Methodist church this evening at 7:30 p. m.
 There will also be union services at the Methodist church this evening.

Big Midway Show.

The big Oriental Midway show, which has been a feature at the fair grounds and in the city both, are to be commended on the clean and moral performance which is presented. The show is owned and managed by Mr. Geo. Jarbour and Mr. C. S. Davis and these gentlemen have spared no effort to make their attraction one of especial interest to the visitors. Their last performance will be given tonight at the Midway tent on Main street and special attractions will be the feature of the evening.

Allen Weir at Cottonwood.

COTTONWOOD, Idaho, Oct. 18—(Special).—Hon. Allen Weir of Olympia, Wash., entertained a good audience here tonight on the issues of the campaign, speaking from a republican standpoint. It looked for a time today as if there would be rival meetings here tonight, as Hon. Frank Martin, fusion candidate for attorney general, was also billed to speak here. When the republican county committee heard of this they offered to divide the time with Mr. Martin, and Mr. Weir came on with that understanding, but Mr. Martin failed to show up and Mr. Weir had the meeting all one. He was twice interrupted by questions in the audience, but met them with a fairness and fullness that put an end to further interruptions.

Kid McFadden Knocked out.

Last night, at the G. & B. hall, Andy King of Brooklyn knocked out Kid McFadden in the second round by a short arm blow on the neck.
 In the first round they sparred for the first minute but King, who completely outclassed McFadden, landed some terrible swings on McFadden's head putting him to the floor twice and drawing blood on the kid's ear.
 In the second round the fight was fast and furious but the kid wasn't in it. King landed a heavy body blow with a left upper cut on the chin and a right short arm on the neck which put the kid to sleep and he was counted out.
 Fisky Barnett of Spokane acted as master of the ceremonies, E. Dittenhoeffer referee and Pat Keenan time keeper. The attendance was poor. Two other bouts were had as a preliminary.

CANTON Gang Plows.
 Acknowledged the superior of all makes. The easiest handled, lightest draft, most durable and turn the soil perfectly. Can be adjusted to work on side hills, where others fail. Have dust proof hub bands and many points of superiority over all others. Made in all sizes with STEEL or CHILLED bottoms and Riding Attachment. Compare them with others and see them work and you will buy a Canton. Manufactured by PARLIN & ORENDORFF CO., CANTON, ILLINOIS.

A Car Load Just Arrived

CANTON DISC HARROW.

Is all steel, which makes it very strong and durable. It is simple in construction and has less parts to wear than any Disc made. The chilled journal bearings are entirely dust-proof and can be easily oiled. There is absolutely no end thrust to wear on the bearings. The gangs are so arranged that they cannot raise out of the ground in the center, but easily adjust themselves to dead furrows or low places in rough ground. A trial will convince you that the Canton is without an equal. Manufactured by PARLIN & ORENDORFF CO., CANTON, ILLINOIS.
