Wm. Robnett will sever his connection with the Fletcher Hardware Co. today. On Thursday of next week he will start for St. Louis, where he will remain a month in the headquarters of the Sligo Iron Store Co. He will then return to the coast and sell goods for the firm having his headquarters at Portland.

A. McPherson state fruit inspector, left for Boise on the boat this morning to attend a meeting of the Horticulture board, which will be held in Boise, December 16. Mr. McPherson received a letter last night from the president of the board W. A. Coughanour, assuring him that the board would stand behind him in

carrying out the enforcement of the law. During Mr. McPherson's absence William Mohl will have in charge the work of enforcing the law here. His authority extends to arresting and prosecuting all cases of delinquency. The work of extermination will be pursued relentlessly.

The county division fight is being taken up strenuously on the reservation. The prevailing sentiment is against the proposition. Petitions of protest are being signed generally. At Nezperce public meetings have been held to denounce the movement to divide the county. It is said by citizens of Nezperce that petitions having over 1500 names secured within that part of Nez Perce county sought to be cut off will be in readiness to present to the legislature when the bill is brought up.

The grade stakes are being set on the street work today preparatory for putting on the macadam. The crusher was unloaded today and will be hauled up to Delso's Monday, where a framework is being prepared for it. The crusher will be set in the sidehill and the crushed rock carried by gravity process into bins below, beneath which the teams will drive to load by means of a loading spout. This handles the rock with the least possible loss of time or expenditure and facilitates the work.

**A Narrow Escape.**

Frank Arthur narrowly escaped drowning at Stuart Wednesday evening. Instead of waiting for the ferry he attempted to ford the Middle Fork. The current swept the horse off his feet. Arthur escaped by swimming ashore, the horse was carried down stream but finally landed safely. Arthur was a barber enroute from his parents home to Spokane where he is working. He lost his barber's kit valued at \$40 and some articles of value that were in a grip attached to the saddle.

Compare them with others and see them work and you will buy a Canton. Manufactured by PARLIN & ORENDORFF CO., CANTON, ILLINOIS

A Car Load Just Arrived

**CANTON DISC HARROW.**

It is all steel, which makes it very strong and durable. It is simple in construction and has less parts to wear than any Disc made. The chilled journal bearings are entirely dust-proof and can be easily oiled. There is absolutely no end thrust to wear on the bearings. The gangs are so arranged that they cannot raise out of the ground in the center, but easily adjust themselves to dead furrows or low places in rough ground. A trial will convince you that the Canton is without an equal. Manufactured by PARLIN & ORENDORFF CO., CANTON, ILLINOIS.
