SALT RHEUM ON HANDS

Suffered Agony and Had to Wear Bandages All the Time—Another Cure by Cuticura.

Another cure by Cuticura is told by Mrs. Caroline Cable, of Waupaca, Wis., in the following grateful letter: "My husband suffered agony with salt rheum on his hands, and I had to keep them bandaged all the time. We tried everything we could get, but nothing helped him until he used Cuticura. One set of Cuticura Soap, Ointment and Pills cured him entirely, and his hands have been as smooth as possible ever since. I hope this letter will be the means of helping other sufferers."

A HEALTHY OLD AGE

OFTEN THE BEST PART OF LIFE

Help for Women Passing Through Change of Life

Providence has allotted us each at least seventy years in which to fulfill our mission in life, and it is generally our own fault if we die prematurely.

Nervous exhaustion invites disease. This statement is the positive truth.

When everything becomes a burden and you cannot walk a few blocks without excessive fatigue, and you break out into perspiration easily, and your face flushes, and you grow excited and shaky at the least provocation, and you cannot bear to be crossed in anything, you are in danger; your nerves have given out; you need building up at once! To build up woman's nervous system and during the period of change of life we know of no better medicine than Lydia E. Pinkham's Vegetable Compound. Here is an illustration. Mrs. Mary L. Koehne, 371 Garfield Avenue, Chicago, Ill., writes: "I have used Lydia E. Pinkham's Vegetable Compound for years in my family and it never disappoints; so when I felt that I was nearing the change of life I commenced treatment with it. I took in all about six bottles and it did me a great deal of good. It stopped my dizzy spells, pains in my back and the headaches with which I had suffered for months before taking the Compound. I feel that if it had not been for this great medicine for women that I should not have been alive to-day. It is splendid for women, old or young, and will surely cure all female disorders."

Mrs. Pinkham, of Lynn, Mass., invites all sick and ailing women to write her for advice. Her great experience is at their service, free of cost.

Degrees of Excellence.

"I came near getting whipped the other day," said J. A. Best, a traveling man of Indianola. "I roused a man's ire and I thought he was going to make me worst instead of best before I could assure him that I had not offended him. I went into a little country hotel, and when I went to register my name I noticed that the last name was that of J. A. Goode. I promptly put mine underneath, J. A. Best, in my best handwriting, so everybody could see it best and get the contrast good. I had hardly laid down the pen when J. A. Goode stepped up and looked at the register. He turned fifteen colors at once. He jammed his finger down under my name. 'Did you do that?' he demanded, glaring at me as if he wanted to sweep the floor with me. I banded him a little, but he got so warm I made a 'cold feet,' as the West Point boys call it, and assured him my name was Best and that I must insist upon the right to register it that way, I guess he thought some country bumpkin was making fun of him. At any rate, he proved a very pleasant fellow after the ice was broken."—Des Moines Register and Leader.

Young and Short Senators.

Although the Senate is supposed to be composed largely of old men, young men are rapidly gaining the seats. Mr. Hemenway, who will be the new Senator from Indiana, is 44. He and his colleague, Senator Beveridge, who is 42, will be among the youngest men in the Senate. But Senator Dick, of Ohio, who succeeded Senator Hanna, an old man, is only 46. Senator Knox, after several years as Attorney General, is young as men are accounted nowadays, being 51, which happens also to be the age of Senator Crane of Massachusetts, who entered the Senate with him.

The prospective Senator from Nevada, Mr. George S. Nixon, will probably be the shortest in stature of all that branch of Congress. He is described as nearly a head shorter than Senator Knox, although, like nearly all the short men of the Senate, possessed of much ability.—Washington Post.

THE OLD FOLKS AT HOME

Are Never Without Pe-ru-na in the Home For Catarrhal Diseases.

Remarkable Cures Effected By Pe-ru-na.

Under date of January 10, 1897, Dr. Hartman received the following letter:

"My wife has been a sufferer from a complication of diseases for the past twenty-five years. Her case has baffled the skill of some of the most noted physicians. One of her worst troubles was chronic constipation of several years' standing. She was also passing through that most critical period in the life of a woman—change of life.

"In June, 1895, I wrote to you about her case. You advised a course of Peruna and Manalin, which we at once commenced, and have to say it completely cured her.

"About the same time I wrote you about my own case of catarrh, which had been of twenty-five years' standing. At times I was almost past going. I commenced to use Peruna according to your instructions and continued its use for about a year, and it has completely cured me."—John O. Atkinson.

In a letter dated January 1, 1900, Mr.

Atkinson says, after five years' experience with Peruna:

"I will ever continue to speak a good word for Peruna. I am still cured of catarrh."—John O. Atkinson, Independence, Mo., Box 272.

Mrs. Alla Schwandt, Sanborn, Minn., writes:

"I have been troubled with rheumatism and catarrh for twenty-five years. Could not sleep day or night. After having used Peruna I can sleep and nothing bothers me now. If I ever am affected with any kind of sickness, Peruna will be the medicine I shall use. My son was cured of catarrh of the larynx by Peruna."—Mrs. Alla Schwandt.

When old age comes, catarrhal diseases come also. Systemic catarrh is almost universal in old people.

Conviction Follows Trial

When buying loose coffee or anything your grocer happens to have in his bin, how do you know what you are getting? Some queer stories about coffee that is sold in bulk, could be told, if the people who handle it (grocers), cared to speak out.

Could any amount of mere talk have persuaded millions of housekeepers to use

Lion Coffee,

the leader of all package coffees for over a quarter of a century, if they had not found it superior to all other brands in Purity, Strength, Flavor and Uniformity?

This popular success of LION COFFEE can be due only to inherent merit. There is no stronger proof of merit than continued and increasing popularity.

If the verdict of MILLIONS OF HOUSEKEEPERS does not convince you of the merits of LION COFFEE, it costs you but a trifle to buy a package. It is the easiest way to convince yourself, and to make you a PERMANENT PURCHASER.

LION COFFEE is sold only in 1 lb. sealed packages, and reaches you as pure and clean as when it left our factory.
