Mrs. Lillie Hawes of Union City is here on a visit to relatives.

Miss Clara Finley of Nashville is here this week with relatives.

Mayor V. F. Morris and Fred Sawyers of Big Sandy visited here the first of the week.

Bob Mitchell of Flatwoods was here Friday, and reported a heavy rain Thursday night.

Clarence Bateman, who is with Richardson Bros., Nashville, spent Sunday here with homefolks.

Mrs. C. O. Hubbs and children were called to Memphis by the serious illness of her sister, Mrs. Dan Clement.

Monday is the day of the special election called by the Board of Mayor and Aldermen to elect another Alderman.

The Grand Lodge Knights of Pythias is in session at Nashville this week. Mayor S. L. Peeler is representing Bayham Lodge.

Deputy Head Consul Roy R. Melton informs us that he will shortly organize a camp of Modern Woodmen at Mount Moriah.

"The Dualistic Nature of Man" will be the theme of Rev. W. F. Acuff's discourse at the Methodist Episcopal Church, South, Sunday morning. All are invited.

The third quarterly conference of Camden Circuit of the Methodist Episcopal Church, South, will be held by Elder R. W. Hood at Shiloh tomorrow, and for Camden next Monday morning.

Camden Lodge 210 I. O. O. F. has received an invitation from the Odd Fellows Lodge at Sugar Tree to attend there on Sunday, May 23, when the funeral of D. S. Camp, deceased, will be preached.

Zeb and Lon Hudson have returned from Arkansas, arriving here Wednesday. Both will make their home in old Benton, the former having recently purchased the Jerre Bateman farm near Liberty.

The junior pupils of Hall-Moody school of Martin passed through Camden Monday enroute to the battlefield at Johnsonville, where they spent the day. They were joined here by Mr. and Mrs. O. C. Hudson, Mrs. Eugene Durdin and Misses Lottie Lewis and Bessie Durdin.

Mart Frazier is building a new dwelling in north Camden, near the dwelling of Arthur Bain, and C. V. Hawley has commenced his new dwelling. Walter Corbitt has up the frame of his new dwelling. T. J. Lowry is planning to build two or more new dwellings this summer. Keep up the good work. This is one of the sure ways of building up the town.

The closing exercises of Benton Seminary will take place next week. Elder R. W. Hood will preach the baccalaureate sermon Sunday evening at the Methodist Episcopal Church, South. The program given by the pupils of music and expression will be on Thursday evening, the graduating exercises Friday evening.

Postoak Camp Woodmen of the World will hold memorial services at Camden Cemetery next Sunday afternoon at 2.30 o'clock. C. N. Frazier has been selected to deliver an oration. According to custom, all members of the order are requested to be at the camp hall at 1 p. m. sharp Sunday and proceed in column formation to the cemetery.

After prayer services Tuesday evening at the Methodist Episcopal Church, South, led by Mayor V. F. Morris of Big Sandy, an Epworth League was organized by electing W. P. Redick, president; Miss Edith Travis, secretary, and Miss Irene Fry, treasurer. Owing to lateness of the hour the organization was not fully completed, and this will be done probably at the meeting next Tuesday evening.

### LADIES' AID SOCIETY.

The Ladies' Aid Society of the Methodist Episcopal Church South met with Mrs. Mattie Hudson last Tuesday with a good attendance. The secretary's report showed that the proceeds of the strawberry supper Friday evening amounted to a little more than \$20.

It is the intention of the society to furnish the church with modern pews, and the ladies are planning their work with this end in view. It was decided to give an entertainment about the last of June, and Mrs. A. S. Justice, Mrs. W. W. Whitfield and Mrs. J. V. Travis were appointed to select a drama. A call meeting will be held with Mrs. S. L. Peeler next Tuesday afternoon to arrange program.

The next regular meeting will be with Mrs. C. O. Hubbs. The society will elect officers at this meeting.

### FOOD FOR THOUGHT.

After sixty years of public life I hold more strongly than ever to the conviction, deepened and strengthened by long experience, of the reality, the nearness, and the personality of God.—Gladstone.

The more we live, more brief appear our lives' succeeding stages; A day to childhood seems a year, And years like passing ages.—Campbell.

Bear ye another's burdens, and so fulfill the law of Christ.—Paul.

Moral changes are slow: God's footsteps are sometimes centuries apart.—Edwin Taylor.

There are loyal hearts, there are spirits brave, There are souls that are pure and true; Then give to the world the best you have, And the best will come back to you.—R. W. Trine.

The eternal stars shine out as it is light enough.—Anon.

### THE BEST CLUBBING OFFER.

In this paper will be found a clubbing proposition which we think every reader who knows a good thing when he sees it will accept. It is an offer of this paper, together with the Daily Tennessean (Sundays excepted) for the year for \$3, cash money. You may consider it a good thing marked down, if you like. It is a less than cost proposition. What we are after, what the Tennessean is after, and the "how" we got together is that we both want to lengthen our lists of paid up in advance subscribers. Read the proposition and we think you will subscribe at once.

### OUR GIRLS.

What Are We Teaching them?  
Are we training them to be honest and self-supporting citizens?  
Hundreds of employes, harassed and irritated with incompetent, inaccurate, unthinking girl employes, will answer "No!"  
Are we training them to be good housewives?  
Hundreds of young husbands, wondering why they can not make both ends meet, will answer emphatically, "No!"  
The questions are asked and answered in a series of articles, by well-known writers, the first of which appears in Woman's Home Companion for May.

### DEAFNESS CAN NOT BE CURED

by local applications, as they can not reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.  
We will give One Hundred Dollars for any case of deafness (caused by catarrh) that can not be cured by Hall's Catarrh Cure. Send for circulars free.
