BEAUTIFULLY HAND-DECORATED \$10 DINNER SETS GIVEN TO OUR CUSTOMERS

## Absolutely Free

### What Time will the Clock Stop

BE AT FINLEY'S

at 3 p. m. Saturday, May 28, 1910, and you will know what time the clock stopped.

#### The Plan

With each Cash Purchase of One Dollar we will give you a card on which the time of day is stamped.

Bring the cards to Our Store on the date and time specified thereon, and a complete Dinner Set will be given to the person present holding card on which is stamped the correct or nearest correct time the clock has stopped.

For purchases less than One Dollar, we will give our small premium tickets, and when you have secured One Dollar's worth of them they can be exchanged for the Clock Tickets.

Parties holding one of our Venetian Ware punch cards, or our small premium tickets, can, if they desire, exchange for the Clock Tickets.

Clock tickets will be given for all purchases made with Barter.

Salespeople employed by us will be barred from this plan.

It is necessary for all ticket holders to be in our store at the time specified on the face of the ticket.

The clock stands in a conspicuous part of our store, the face covered, and will be allowed to run down at stated intervals.

If your ticket does not secure for you the Dinner Set the first time the clock is uncovered, save your ticket, as you may secure it the second, third, fourth, fifth, or sixth time. Your ticket is good while we are giving Dinner Sets Free on this plan.

#### MASS MEETING.

Republicans Will Meet June 6 to Name County Ticket.

A mass meeting of the Republicans of Benton County is hereby called to meet at the court house in Camden on Monday, June 6, 1910, at 12 o'clock, noon, for the purpose of nominating candidates for the various county offices. This May 17, 1910.

G. B. BAIN,  
Chairman.  
D. J. McRAE,  
Secretary.

#### Cheap Land.

A well known citizen remarked the other day that "Tennessee is the only place on the continent where good farming land is cheap. Why is it so?" Well, take our own county for an illustration. Land in Benton County is cheap because the people have never put the proper value upon it. Even here land is going up. They are higher in this particular part of the country than they were a few years ago. For this reason we have been urging those who do not own their homes to buy now before they go higher. Land is cheaper now than it will ever be again.

We will send THE CHRONICLE and Nashville Daily Tennessean to any address one year for \$3.00.
