

It Always Helps

says Mrs. Sylvania Woods, of Clifton Mills, Ky., in writing of her experience with Cardui, the woman's tonic. She says further: "Before I began to use Cardui, my back and head would hurt so bad, I thought the pain would kill me. I was hardly able to do any of my housework. After taking three bottles of Cardui, I began to feel like a new woman. I soon gained 35 pounds, and now, I do all my housework, as well as run a big water mill. I wish every suffering woman would give

a trial. I still use Cardui when I feel a little bad, and it always does me good." Headache, backache, side ache, nervousness, tired, worn-out feelings, etc., are sure signs of womanly trouble. Signs that you need Cardui, the woman's tonic. You cannot make a mistake in trying Cardui for your trouble. It has been helping weak, ailing women for more than fifty years.

A Card to Owners of Rural Telephone Lines

We are anxious to see that all lines owned by other parties and connected with us are kept in such condition as to furnish efficient service. Where the owners of rural lines are responsible for their upkeep, we want to co-operate with them.

All lines require a thorough overhauling occasionally if the best service is to be obtained. We recommend that every line connected with us be overhauled at least once a year, and that at least one experienced telephone man assist in this work. The cost of this work when divided among all the patrons of the line, makes the amount paid by each man small, and this cost will be more than offset by the improved service.

If the owners of rural telephone lines in this section are experiencing trouble with their service, we will appreciate their talking the matter over with our Manager or writing us fully. We will gladly do what we can toward helping you improve the condition of your line.
