Smith County Colored Institute.

The Smith county colored teachers met in Carthage June 12, 1916, in an annual institute. The enrollment was small on account of so many of the teachers attending the Summer School at the State Normal at Nashville. Supt. E. L. Huffines was present each day, giving the institute much time on the different subjects taught in the elementary schools and the Reading Circle Course. The institute was blessed by having some very desirable visitors in the person of Rev. John Mitchell of Hartsville, pastor of Mt. Olive Baptist church at Carthage and teacher of Trousdale county, who added much interest to the institute with his instructive lectures and instruction on the subjects he taught. We were pleased to have with us Rev. Win. Riggins pastor of Turner Chapel, A. M. E. church of Carthage, who gave a very interesting lecture. The institute is very thankful to Supt. Huffines for the interest he has shown in its welfare. The meeting adjourned to meet the last Saturday in Aug. C. E. S. Payne, O. T. Williams, Lula P. Royster, Committee.

Economy to Buy a Saxon Car.

Mr. Atkins, traveling salesman for the Bowser Tank Co., was in this section last week. He is owner of a Saxon 4 Roadster and made a trip from Nashville to Granville, via Gallatin, Carthage and Chestnut Mount, a distance of 78 miles, on 2 1/2 gallons of gasoline. This is a remarkably small amount of gasoline, but it proves the economy in buying a Saxon car. Mr. Atkins bought his car last February and states that he has not spent one dollar in repairing it and has run it over 8000 miles. Jackson & Grisham of Granville have the agency for the Saxon car in Jackson, Clay and part of Putnam counties.

HUSBAND RESCUED DESPAIRING WIFE

After Four Years of Discouraging Conditions, Mrs. Bullock Gave Up in Despair. Husband Came to Rescue.

Caron, Ky.—In an interesting letter from this place, Mrs. Bettie Bullock writes as follows: "I suffered for four years, with womanly troubles, and during this time, I could only sit up for a little while, and could not walk anywhere at all. At times, I would have severe pains in my left side.

The doctor was called in, and his treatment relieved me for a while, but I was soon confined to my bed again. After that, nothing seemed to do me any good.

I had gotten so weak I could not stand, and I gave up in despair.

At last, my husband got me a bottle of Cardui, the woman's tonic, and I commenced taking it. From the very first dose, I could tell it was helping me. I can now walk two miles without tiring me, and am doing all my work."

If you are all run down from womanly troubles, don't give up in despair. Try Cardui, the woman's tonic. It has helped more than a million women, in its 50 years of continuous success, and should surely help you, too. Your druggist has sold Cardui for years. He knows what it will do. Ask him. He will recommend it. Begin taking Cardui today.
