

Announcement!

I desire to announce to the citizens of Jackson county, that I have purchased the stock of goods formerly owned by the late Jas. Washburn, dec'd., and will continue the business at the same stand. I will continue to handle a general line of Hardware, and Farming Implements, also a fine line Shoes and Notions. It is my purpose to give my customers the very best service possible, and to always treat them in such a way, that they will have no complaint to make. I extend a cordial invitation to all the old customers of this store, and the public in general, to make my store headquarters when in Gainesboro. I assure all that their trade will be greatly appreciated.

Solid Prosperity With Peace

The return of peace has placed the business of this nation, and the whole world, on a solid prosperity foundation—THIS makes FARMING just now a great and profitable business. The outlook is, that the farming business will continue growing better and more profitable, as the whole world needs greatly increased quantities of all kinds of farm products, hence the prospect for the farmer was never better.

We desire to add further to the prosperity of the farmers in Jackson county by helping them save some of the high-cost of labor. This we can do by supplying them with the very best farm implements, such as Disc Harrows, Steel Land Rollers, Riding, Walking and Gee Whiz Cultivators, Corn Planters with Pea or Fertilizer attachment, Oliver Plows and Double Shovels, Mowers, Rakes, Wagons, Wire Fence, Etc.

We carry the leading brands, and are prepared to serve the farmers to their advantage. We accept Liberty Bonds, or good note with reasonable dating.

Yours for Prosperity and Everlasting Peace,

McDearman-Stafford Co.,

slack water navigation to the fertile section of the Upper Cumberland, that so much needs it.

I notice that you devote large space to soldier boys letters, and that is to your credit. I have three boys in service, or were. The two youngest were never a cross, and have been discharged; One being in S. A. T. C. at Van, and one in the En. Medical R. Corps. The oldest one is still in France at Chattillon Sur Seine. Several Jackson Co. boys are in the same Div. 317 Ma. Gun Bat. He, however, was a Courier on the firing line N. W. Verdun when the Armistice was signed.

This, Sumner County, is peopled largely by Jackson and Smith County folks, and am glad to say they are among the best of the farmers. This is a great livestock County. Also a large amount of fine tobacco is grown and of a fine quality. Highest price this season on Loose leaf floor was \$101 for Burley and black 20. to 30 dollars. Land from \$150. to \$250. pr. acre for the best.
