#### Resolutions.

Whereas, our distinguished brother, John F. Davidson, Grand Lecturer for the Masonic Fraternity, has been with us in his capacity as such lecturer for the past two days, and having imparted to us the true Masonic light, and having given us the

clearest understanding of the ritual that has ever been our fortune to receive, and we having been so blessed, desire to express our appreciation for what he has so ably done for us.

Brother Davidson is decidedly the best versed man in Masonic work that it has ever been our fortune to have visit us. We have received very great benefits from his visit and by having him with us on this occasion. This not only benefits us who are present, but his instructions will prove a benefit to all future generations. Brother Davidson has the faculty to explain himself so clearly on all points, that there should be no reason why any Mason should not be able to understand the sublime teachings of masonry.

Be it resolved, by Tannehill Lodge, No. 133 F. & A. M., that we extend to brother Davidson our sincere thanks for his able and efficient services he has rendered to this lodge, and we wish for him many happy and prosperous years in which to continue his noble and glorious work, which is of such great value to the craft.

Be it further resolved, that a copy of these resolutions be

copied on the minutes of this lodge; a copy furnished, the Jackson County Sentinel; and a copy furnished to our distinguished brother, John F. Davidson.

Gainesboro, Tennessee, July 22, 1919.
