AROUND THE WORLD WITH THE AMERICAN RED CROSS.
 Junior Red Cross.

Early in the participation of the United States in the world war, the American Red Cross perceived the value of mobilizing the school children of the country and the Junior Red Cross was organized. Before the war ended nine million children were enrolled and helped in the war fund and membership campaigns, in chapter production of relief supplies and manufacturing furniture for the refugees whose homes and household goods were destroyed.

Children everywhere in the United States responded to the call to service sounded by President Wilson as head of the American Red Cross. This photograph is that of an enthusiastic young Japanese member of the Junior Red Cross of Spokane, Wash., starting out on the ambitious undertaking of collecting "a mile of pennies" for war relief. A comprehensive peace program is now being worked out for the Junior Red Cross, which is being held intact.

AROUND THE WORLD WITH THE AMERICAN RED CROSS.
 In Serbia.

As far back as the first winter of the war, the Red Cross sent to Serbia a sanitary commission that effectively checked the scourge of typhus, but after the United States entered the conflict, the Red Cross was able, in August, 1917, to send a full commission that carried on extensive relief operations among the suffering refugees of the tortured nation. Hospitals were established, the refugees fed, clothed and given medical attention, the army supplied with much needed dental treatment, farm machinery, and seeds provided to help the Serbs redeem their land to productivity, and, not least, measures undertaken for the succor of the children. The terrible condition into which these helpless victims of the war had fallen is well portrayed by this photograph of a little Serbian girl wearing the rags and expression of hopeless dismay that were all she possessed when the Red Cross came.

WHOLE SYSTEM

RUN-DOWN

Quick Improvement is Noted After A Few Doses of ZIRON Iron Tonic.

Increase in appetite, the coming back of strength, disappearance of headaches and other ills, are a few of the many good results obtained from the use of a new remedy (Ziron Iron Tonic).

Mr. Sim Gimsley, of Cordle, Ga., tried Ziron and has this to say: "When I began to take Ziron, it seemed that my whole system was run-down, but soon after I began to take Ziron, I could eat more each day and would feel a great deal better. Ever since it seems that my health has been improving, as I seldom have the headache or feel bad the least bit."

Ziron is a new scientific combination of pure medicinal inorganic iron, combined with phosphorus, the active principle of nux vomica and the hypophosphites of lime and soda. It will help to add more red corpuscles to your blood, resulting in more color in your cheeks—more vitality in your system.

Try Ziron today; on the money-back guarantee.
