Must a Child Be Pale?

Pallor, "Tired outness" and
Appetite Also Always
Remedied by Pepto-Mangan
It Builds Up the Blood and
Thus Improves the Appe-
tite and Strengthens
the Body.

There is but one legitimate excuse for a pale, run-down, listless child, and that is some serious disease of one or more of the vital organs, which of course, needs the prompt attention of a competent physician. Unless such conditions exist, the weak, white youngster who takes no pleasure in romping or playing can be very materially helped by a course of that thoroughly dependable blood enricher and general tonic, Gude's Pepto-Mangan. This standard remedy for Anemia (Bloodlessness) has been continuously prescribed by physicians all over the world for nearly thirty years, to restore the weakened, watery blood to its normal condition, and thus improve appetite, add color to pale lips and cheeks and impart strength to the whole body. Gude's Pepto-Mangan can be had in both liquid and tablet form (no difference in its effect) the liquid, of course, being preferable for young children. When buying Pepto-Mangan, be sure the name "Gude's" is on the package. Without "Gude's" it is not Pepto-Mangan.—advertisement.—adv.

Our beloved and esteemed pastor, Rev. O. P. Gentry, and family, who have been with us for the past three years, left last week for their new home at Jacob's Hill, six miles south of Lebanon, where he is Pastor of that Circuit. During their stay here, they won the friendship and love of every body, and were at all times ready to assist in any worthy cause. We deeply regret having to give them up, for we feel it a great loss to the town and to the county to lose such as they. We trust that their good work will continue and that the future may hold an abundance of happiness in store for them.

Stafford-Moss.

A wedding which will be read with interest, was that of Miss Lula Moss to J. W. Stafford, which was solemnized at the home of the bride's parents on route 2, Thursday afternoon, Bro. Marrion Harris officiating. Mr. and Mrs. Stafford arrived in Gainesboro shortly after the ceremony and spent the night with Mr. Stafford's father, John H. Stafford, and wife, who had prepared a delicious supper for the occasion. We wish them an abundance of happiness.

Pete Lawson Shot R. Abe Carter in 7th Dist.

Pete Lawson, who was shot by Abe Carter last Monday morning, is resting as well as could be expected. He was shot in the neck and side with 38 Colt's pistol when the two met in the public road near Brown's store, in the seventh district of this county. An old grudge is said to have been the cause. Lawson was en route to the field to gather corn when he met Carter, who, without saying a word, jerked out a pistol and began to shoot. There were no eyewitnesses to the shooting, and the assailant is still at large.

Attention TOBACCO Growers!

We desire to inform the tobacco growers of Jackson County that we are prepared to receive their tobacco. Our first sale will be held

THURSDAY, NOVEMBER 25

Important That Tobacco Is In Good Condition

We request that each and every grower who expects to receive the full value of their tobacco to be sure to have the tobacco in proper condition before bringing it to the warehouse. This to us is an important matter, but a much more IMPORTANT ONE TO YOU. Our wish is to secure for you the highest price the market will pay, but when tobacco is not in proper condition we cannot do more for you than experienced buyers will pay. We are asked by all the buyers to stress the fact that tobacco to bring its worth must be in proper condition.

"ZIRON IS A GOOD MEDICINE"

Says Rook City, Ala. Gentleman, After
Having Given It Conscientious Trial.

Ziron is a new scientific combination of pure, inorganic, official, U. S. Pharmacopeia iron, with the hypophosphites of lime and soda and other valuable tonic ingredients, recommended by the best medical authorities in the treatment of anemic conditions.

Ziron helps to put iron into your blood and this helps to build strength for you, when you are pale, weak, nervous, depressed.

Read what Mr. Sidney Fry, of Rock City, Ala., says, and then try Ziron. He makes the following statement:

"Something over a week ago I used Ziron for the first time. I was troubled with indigestion and had a spell of weakness. Ziron helped both troubles. I felt stronger and my stomach quit hurting. I really feel that Ziron is a good medicine. It surely helped me."

Your druggist will sell you Ziron on a guarantee that if the first bottle does not benefit you, he will refund the money you paid him.
