THE NEW SUITS

The salient feature of the Suit Styles for Spring is the length of the jacket with the shorter length dominant. Our displays include several types which introduce coats with belts and ripple peplums or jackets of the Eton and pony types with trimming of close-set rows of buttons on sleeves and at the sides, or with braid and embroidery effectively used. Several models show vestees of brocaded or novelty silks. Suit skirts are somewhat shorter and can be either pleated or plain. Poiret twill, tricotine, serge and gabardine are the principal fabrics in rich dark colorings.

\$25.00 to 70.00

THE NEW COATS

Our displays include interesting interpretations of both the utility coats and sport Coats of shorter length, with a plentiful showing of belted models, in both types. Many of the luxurious cloth fabrics of winter have been reproduced in lighter weights for Spring, such as silvertone, velour, and novelty wool fabrics. Some very exclusive styles have made the appearance in tricotine, serge, poiret twill and polo cloth. Indeed the latest whimsies of Fashion are adapted in these garments. All show an excellence in tailoring.

\$16.50 to 35.00

THE NEW DRESSES

Every spring occasion, every individual taste and requirement are happily remembered in this assemblage of new frocks. The straight line type is still popular with the addition this season of the more fitted lines as shown in several of our afternoon and evening dresses. The fuller hip line is noted in many delightful variations by the clever use of pleatings and ruffings, or by the effective draping of materials. Waists are fitted and skirts are shorter and fuller—with much thought given to individuality in styles. Several frocks are shown in the ever-popular crepe Georgette and satins, richly embroidered.

\$18.00 to 40.00

WHISKY POURED OUT.

Herby Hughes and Charley Gracy, revenue agents, of Cookeville, came to Gainesboro last Thursday and poured out about 40 gallons of wildcat liquor which has been stored at the jail for several months. The liquor was emptied from two kegs into the sewerage in front of the jail, in the presence of a number of witnesses, who watched the proceedings with wishful eyes.

RESIDENCE, CAUGHT FIRE.

The residence of Geo G Haile in west side of town came very near being destroyed by fire about 11 o'clock Wednesday, Mar. 24th. The fire originated from the kitchen flue and was burning briskly when help arrived. After a hard fight for several minutes the fire was out. The shingles were partly covered with moss which assisted greatly in saving the building. No insurance on the house.

MRS. A. C. WHITEFIELD.

A. C. Whitefield of Clayton, N. M., was in Gainesboro Mar. 13th, en route home from Bagdad, where he accompanied his

RESIDENCE BURNS.

The residence of W B Cherry, near Meagsville, occupied by Mr. and Mrs Marion Harris, was destroyed by fire Tuesday at noon. The fire started in the roof of the well house which is said to have caught from the kitchen flue. Mr. and Mrs. Harris and little grand-daughter, were the only ones present and were too feeble to combat the flames. Neighbors were summoned by telephone and arrived in time to save most of the contents. Mr Harris carried insurance on his household goods, probably enough to cover his loss. It is not known whether or not Mr Cherry carried insurance on the building.
