#### DOUBLE SPRING, TENN.

Double Springs, Tenn. Mar. 14

To the Jackson County Sentinel and its many readers: I thought I would jot down a few items from this place.

Health good and everybody at work. It looks like spring is here. I have bought a farm one mile east of Double Springs and like it fine. We are surrounded by a lot of awful clever pebble.

I was sorry to hear of the death of J. T. West and John L. Young. Jackson County has lost two noble citizens. I extend my condolence to their bereaved families.

We held an election Saturday in our county, on the stock law. It carried by a small majority.

Uncle Lige Dowell is on the sick list.

Jeff Dyer is visiting his daughter near Chestnut Mound.

Wesley Roberts and wife were recent guests of uncle Bob Gentry.

The writer, and wife, visited Wade-Dyer Sunday.

We are always glad to read the letters published in the Sentinel. What has become of Sanford Maberry, we would like to hear from him. Is there any small pox near Dycus? I fear my old friend, Esq. McCarter, will have to be vaccinated again this spring. With best wishes to the Sentinel and its many readers I will close by extending a cordial invitation to all my friends to visit me any time.

Yours Truly,  
W. S. Jackson.

"WHY THE BLOOD OF JESUS CHRIST SAVES"

Subject For

Sunday Night, Mar. 20

### GOOD BLOOD NEEDED IN SPRING TIME

People with Poor Appetite, Bad Complexions and "Spring Fever" Need a Blood Tonic

GUDD'S PEPTO-MANGAE IS BEST

Makes Rich Red Blood—Renews Vitality and Increases Body's Resistance to Disease.

Spring is the time when blood is so vital to health. If you do not feel the thrill of Spring in your blood, if you take no pleasure in living, if your appetite is poor, your complexion palled or muddy, and you tire easily, you can be pretty sure your blood is not up to the mark. So many feel that way in the Spring. Especially housewives who have so much work to do. They get over-tired and run-down—their blood becomes weak and thin.

Build up your health now by taking that splendid Spring tonic, Gude's Pepto-Mangan. It will give vital power to the red corpuscles in your blood. They will go racing through your blood, carrying fresh supplies of oxygen to all the tiny cells. It will help improve your color and your appetite. You'll take more interest in things and enjoy life more. You will stop going around with that tired, all-gone feeling.

Physicians have prescribed Gude's Pepto-Magan for thirty years. You get it at your drug gist's in either tablet or liquid form. Take whichever you prefer. They have the same medicinal value. Get the genuine. Advertisement.

#### BIG FIRE NARROWLY AVERTED.

The smokehouse belonging to Mrs. Minnie Settle, was almost destroyed by fire late Wednesday afternoon. The fire is thought to have originated from a fire in the garden, near the rear of the house. The roof was a solid blaze by the time help arrived, but no time was lost in getting into action and in a

very few minutes the blaze was controlled. For a while it looked as if it would be impossible to save the dwelling, which is within a few feet of the smokehouse, but after the fire extinguishers were put into action together with plenty of water, the fire had no show at all and was soon put out of business.

A fire has got to get up and hustle to defeat Gainesboro's bucket brigade.

B. C. Butler's dwelling was slightly damaged by the fire, the heat being intense that some of the windows were broke, and a small blaze was started at the edge of the roof.

Charlie Haile of Celina, was in town Monday, enroute home from Nashville.

W. L. Dixon is here on business.

R. S. Dudney, one of the leading farmers of Free State, was in the office a few minutes Wednesday.

The grand jury adjourned Tuesday after an 8 days session. They returned 75 indictments, with old John Barley corn in the lead as usual.

W. F. Swan of near Whitleyville, was a visitor at the Sentinel office Tuesday. Mr. Swan has recently moved back to this county from Franklin, Ky., where he has lived the past two years. He is a good citizen and we are glad to have him back.

NOTICE: I will pasture stock at the rate of \$1.50 a head per month. Mrs. V. B. Brooks, Gainesboro.

A. M. Holland has been confined to his room for several days with a cold.

Miss Aline McDearman returned Sunday from Monoville, where she has been teaching school. She will enter school at Murfreesboro in a short time.

The legislature has repealed the dog law, which means more dogs and less sheep. All we've got to say is, it's a measley shame and shows the want of gray matter on the part of the legislators.

## Who said truth was stranger than fiction?

"YOU'RE FIRED," said the editor.

"UNLESS YOU can dig up.

A LIVE story today."

SO THE cub reporter,

DISAPPEARED FOR hours,

BUT WHEN he recovered,

FROM HIS trance, he had,

A STORY—here it is.

OUR DEPUTY constable,

WAS WAKENED by the phone.

AND A shrill voice cried,

"FOR THE love of Mike,

BEAT IT here quick.

AND NAIL a nut.

WHO'S TALKING wild,

IN THE cigar store."

THE LONG arm of the law,

PUT ON his pants,

SPED TO the scene.

AND AFTER a brief,

BUT TERRIFIC struggle,

MADE THE pinch.

AND WHEN interviewed,

BY OUR star reporter,

GAVE OUT this statement,

"HE'S A loony, all right.

THE ASYLUM says, by Heck,

THE WORST they ever had.

WHY THE poor nut,

CLAIMS HE can copy,

THE SECRET blend,

OF THE cigarettes,

THAT SATISFY."

NO—the blend can't be copied. It's one way of blending fine tobaccos—both Turkish and Domestic—that the other fellow can't get onto. That's why Chesterfields "satisfy," and that's why only Chesterfields can "satisfy."
