## High School Making Excellent Progress.

The Gainesboro High School is progressing nicely, with an enrollment of 225.

We had the pleasure of having Prof. Duggan, the State High School Inspector, and Miss Gailbreath with us Tuesday morning. Prof. Duggan delivered a very interesting and encouraging school lecture at the courthouse Tuesday evening. Everybody can rejoice now that we have a first class high school, and we hope to have a standard one soon, ranking with the best high schools of the state.

A new class room and improvements are being added to our building.

The sewing class is going right along and we hope to have all of our equipment by next week sometime, so that we can begin cooking.

The Parent Teachers will meet every Wednesday afternoon after school. The presence of every one, who are interested in school, is desired, and of the parents especially. We are thinking that the name of the Parent Teachers Association will have to be changed to "The Mother's and Teacher's Association," if more of the men do not attend the meetings. They are going to have interesting programs, with real entertainment, as well as work.

This splendid organization encourages the school, and we want this school to be wide-awake, for the teachers and pupils can play their parts better in their big game of school, if you parents will play yours.

All of the 7th and 8th grade pupils are doing excellent work and the enrollment has increased to 32. The following are out of town pupils: Margerie Johnson, Rose, Ara, and Flora Pharris, Baugh Lynch, and Carlus Ragland.

Primary Department has an enrollment of 80, and two have been promoted to the 2nd grade.

The 4th and 5th grade have been well graded and five have been promoted to the 7th grade. All are doing excellent work.

## W. A. Hensley Transferred To Cookeville.

The business changes in the Wholesale Grocery of our City, calls Mr. W. A. Hensley's family back to Cookeville, very much to the regret of our people.

Mr. Hensley moved here when the Hill & Hensley Wholesale Grocery was first established, and his estimable family has been much to our community life.

This Company has a branch house at Cookeville and it is thought best by the Directors, to place Mr. Hensley there, leaving W. C. Brown who has been traveling salesman for the Company, manager here, and Guy Cooper to take Mr. Brown's place on the road. G. W. Coffman has already been enstalled-billing clerk in Mr. Cooper's stead, this completing the transfers and enstalling of the men in the company.

Mr. Hensley moved September 1 and Obe Mitchell who owned the residence where Mr. Hensley lived moved in.

We are glad to know the move did not take Mr. Hensley and family entirely away, but he will be in Sparta more or less every week, and his family, sometimes. --Sparta Expositor.

Mr. Hensley is a native of Jackson county, and has met with marked success in the business world.

J. B. Anderson was in Cookeville on important business one day this week.

## Bad Billy Hell Makes Good His Escape From Jail.

Yuby Dan U. S. A.

Just three hours before the time set for hanging, bad Billy Hell beat down the guards in a new dug jail at Yuby Dam, and ran out over their prostrate and bleeding bodies, up the four hundred foot ladder, that leads out up to the top of the jail, and then ran down Gad street over into the Sink-Hole Farm, and down Sink-Hole number two which leads out down into Zig Zag Hollow, where the hollow ran, criss cross and twist and wind and turn, into so many devious, intricate ways, that we could not intercept him and he probably made his way back to Fiddler's Green.

It was eleven o'clock that he made his get-away. He told Bad William Till, one of the guards, that he had been praying for a chance of heart, but couldn't get it and that he had read in holy writ, where it was said, that cleanliness was next thing to Godliness, and that he had but a little while to live, he wanted to get as near God as possible. When Till came with the water, Bad Billy siezed the ptarmigan and beat him down to the ground, broke his nose, many of his ribs, and otherwise maltreated him. He then turned on Big Bill Malone, another guard, and smashed him on the head, till he saw the moon any many stars, and the tracks of the milkmaid down the skies. He then tramped down Shimmy Tail Thompson, Little Jimmy Crow, and stamped a few more lesser-lights into apricot jelly and ran out up the ladder and escaped. The escape of this man has surprised and mortified me, it paralyzes me to think my officers are so inefficient. This man should not have escaped.

There is much disorder in the city. I must look after law and order or this place will go to the Demition Bow Wows. I have just received a letter from Bad Billy, that sets at rest all doubts as to his whereabouts. It is postmarked at Fiddler's Green. For the benefit of the curious I will give this letter in full.

Here it is verbatim. "Fiddler's Green Sept. 6th, 1921. Mr. Mayor of Yuby Dam, Greeting. I am drapping you this line to let you know, that I am all intact and hope it will find you intact. I guess you think I acted rather rudely in your jail by beating down your guards and stamping them into apricot jelly, but that is my style. True enough, I acted rather hastily, but I wasn't satisfied over there it didn't seem a bit healthy. I don't feel a bit well when I am sick. Of course the crowd was fooled about the hanging, but there are many surprises in this bloody world, things won't flip, there is many a slip 'twixt the cup and the lip.

"So no more. I'll trot over and see you again sometime when you are least expecting me, but will never hang up as high as Haman.

Yours For Raising Sheol,  
Bad Billy Hell."

The law and order loving Slicker Snake,  
P. S.

The city is back at a normal again but I don't know how long she will hang there.

Jhon Poston of Burrstown, was a pleasant caller at the Sentinel office Thursday. He had the paper sent to his sisters, Dora and Emma, who are in the I. O. O. F. home at Clarks-ville.

Mrs. Lee McCartney and little son of Lebanon, has joined her husband here. They have rented the H. G. Young proterty but will room with Mr. and Mrs. H. Grady Gore for a short time. Mr. Young and family will move to Cookeville right soon.

## BASEBALL NEWS.

Red Boiling Springs came to Dycus Wednesday evening and returned, after four innings had been played. Smith, Red Spring southpaw had Dycus' goat for two innings. While, Minchey was wild and allowed four hits and as many runs in the first inning, but settled down and blanked them the rest of the way. Dycus in the first inning grabbed two runs on hits by Minchy, Law and C. Hackett, and in the fourth, Cornwell, first man up scratched a hit through the box. Cox hit one to second and was safe, when Whitly failed to cover first. Minchy forced Cornwell at third. Law singled, scoring Cox. C. Wiggins singled, scoring Minchy and Law, and on the throw in took second and third, when catcher York let Biles' throw get away, and scored when he threw wild to third. There is where Red Springs quit, claiming that under our ground rules one base over first, third and home only, entitled him to second base. Mgr. Cox offered to send the runner to third and continue the game, but Red Springs went home.

The Dycus team regrets this occurrence, as its the only game they have started this season without playing the full nine innings. Dycus also regrets it on account of the Red Springs players. We never played a nicer bunch of players and none was mad over this occurrence. It was a difference in opinion as to a ground rule. One of the largest crowds that ever witnessed a ball game at Dycus saw this one.

Batteries: Red Springs, Smith and N. York; Dycus, Minchey and J. Wiggins.

Dycus won another one Saturday Sept. 3. This time the champions of Jackson county fell before Dycus' playing. Hudson for North Springs, held Dycus scoreless for five innings, but in the sixth long hits by C. Wiggins, Hackett and J. Wiggins, and on out evened the count. Dycus came back in the seventh with two more, and repeated with two in the eight. Batteries: Dycus, Minchey, Wiggins and Ray; North Springs, Hudson,

Sadler, Terry and Allen. Bagdad defeated Diffcult 9 to 4 Sept. 1, at Bagdad. Batteries: Diffcult, Ray Pawell, W. Low, Jones and S. Low; Bagdad, Huffines and Wilkerson.

## M. F. Spurlock.

M. F. Spurlock, age 66, a well known and highly respected farmer of this county, died at his home on Rt-3, Monday night Sept. 5, at 11 o'clock, following an operation at the Woman's Hospital, Nashville, about three weeks ago.

Funeral services were conducted at the home Tuesday afternoon by Rev. K. A. Early, in the presence of a large assemblage of relatives and friends, after which the remains were laid to rest a short distance from the home, the place having been recently selected by the deceased for the family graveyard.

Mr. Spurlock was a good man, and in his death the community realizes a great loss in many ways. He was a faithful member of the Methodist church. His devotion to the family circle had no limit. He had always been an energetic, hard working

man, never complaining under the hardships which had to endure, and was always willing and ready to give liberally of his time, money and labor to any good cause. The life which he lived will help to make better men and women in the community.

He is survived by his devoted wife, six sons and one daughter, Franklin, Jimmy, Jordan and Byrd, Gainesboro Rt-3; Rev. J. B. Spurlock, of Nashville, and Hansom, of Ohio, and daughter, Ida; also, three brothers, Russel, Riley and Dock Spurlock, of this county, and several grand-children.
