She Look so Well and Happy

See the Rich, Red Blood, the Sign of Health Showing in her Lovely Cheeks.

Some women have naturally beautiful complexions that tell you there is plenty of richness in their blood. Their figures become well formed, supple, rounded, and graceful. Those are the results of rich, red blood and plenty of it. There is no need of being thin and scrawny from poor blood. Get a few bottles of Gude's Pepto-Mangan—take it with your meals for a few weeks. It will give you plenty of red blood. By building up the blood, you give the entire system a chance to restore itself naturally, and that brings natural bloom and beauty and all the effects and joys of good health. Get Gude's Pepto-Mangan at your druggist's in liquid or tablet form. Advertisement.
