Hall, 2926, Olive street, St. Louis Mo. Sold by all druggists.

UNCLE SAM'S EYE ON FINANCIAL SLACKERS

Names of Men Failing in Duty on File in Washington.

Foes of the Third Liberty Bond issue throughout the United States will be listed and their names placed on file in the Treasury Department, where secret service agents will have access to them at all times. The several million Liberty Bond salesmen throughout the country will carry yellow cards furnished by the government, upon which they will write the name, address and objections of all persons who refuse to buy a bond.

When a person shows an attitude hostile to the loan the salesman will take out a yellow card and tell him it will be necessary to get his name and address and an exact statement as to why he will not subscribe, so that it may be filed with the District Liberty Loan Committee and also in the Treasury Department at Washington.

Secretary McAdoo in his instructions to the various Liberty Loan committees throughout the country has explained that the government does not intend to force persons to invest in bonds who cannot afford to do so, but in each case the man who fails to do so will be asked to give his reasons. It is pointed out that many who bought \$50 and \$100 bonds on the other loans could have invested in \$500 and \$1,000 bonds, and these will be listed.

The government is determined not only to list the military slackers of the nation but also the financial slackers. Uncle Sam takes the position that the man who can afford to invest in a Liberty Bond and refuses to do so is just as much a slacker as the man who attempts to dodge the draft. The government has launched a campaign to keep tab on the disloyal men and women of the nation and no one may escape.

Congress has been asked to enact a law that will provide a fine of \$10,000 or imprisonment for not more than 20 years for persons who circulate seditious and traitorous propaganda, whether by word of mouth or literature. One of the principal objects of the proposed law is to halt opposition to the Liberty Loan campaign.

A LIBERTY LOAN PRAYER

St. Louis Minister Composes Appeal on Eve of His Departure For France.

Less than a week before he sailed for France in the service of the Y. M. C. A., Rev. Elmer T. Clark, Litt. D., former minister of the Shaw Avenue Methodist Episcopal Church, South, and former secretary of the St. Louis Ministerial Alliance, prepared the following prayer for the Third Liberty Loan for use on Liberty Loan Sunday, April 7th:

"Oh God, who dost ever guide the tread of the nation, born to serve mankind with an exalted unselfishness, bless all our people and their representatives in authority.

"In this time of crisis and judgment, inspire us to think, act and serve together in the common cause of a victorious righteousness. Touch our souls with a high sense of patriotic sacrifice. Consecrate our means as well as our men.

"Bless, we beseech Thee, the Third Liberty Loan with the benediction of Thy benignant favor. May no act or word from us impede its sanctified will. And arouse our enthusiasm to see it through to a most successful conclusion. Amen."

Bond County Pledges Itself.

Advices from Bond County, Ill., received at headquarters, state that at a meeting in Greenville bankers and business men pledged themselves to underwrite the quota assigned to Bond County, whatever it might be, for the Third Liberty Loan bond issue. Guy R. Holles, president of the State Bank of Holles & Son, is county chairman. Bond County's subscription to the second Liberty Loan was \$209,400.

GROGERS HELP IN 50-50 PLAN

SIGN PLEDGE TO CARRY OUT FOOD ADMINISTRATION PROGRAM.

POST CARDS IN STORES.

Explain New Wheat Ruling to Thousands of Customers—Insures Greater Food Saving.

Grocers of the nation have accepted enthusiastically the 50-50 basis for the purchase of wheat flour and are doing their utmost to explain the new regulation to the housewife. This ruling by the U. S. Food Administration requires each purchaser of wheat flour to buy one pound of cereal substitute, one kind or assorted, for every pound of wheat flour. It was necessary to restrict the use of wheat flour in order that the allies and our fighting forces abroad might be assured of an adequate supply of wheat to meet their vital needs. This supply must come from our savings because we have already sent our normal surplus.

Wheat saving pledge cards were forwarded by the Food Administration to all retail food merchants, and these are being signed and posted in stores throughout the country. This card states, "We pledge ourselves loyally to carry out the Food Administration program. In accordance with this order we will not sell any wheat flour except where the purchaser buys an equal weight of one or more of the following, a greater use of which in the home will save wheat:

"Cornmeal, corn flour, edible corn starch, hominy, corn grits, barley flour, potato flour, sweet potato flour, soy bean flour, feterita flour and meals, rice, rice flour, oatmeal, rolled oats and buckwheat flour."

Some confusion has resulted on the part of the consumer in construing this "50-50" ruling to mean that an equal amount in value of substitutes must be purchased with wheat flour. This is a mistaken idea. The ruling states that the consumer in purchasing flour shall "buy at the same time an equal weight of other cereals."

One exception to this ruling is concerning graham flour and whole wheat flour, which may be sold at the ratio of three pounds to five pounds of wheat flour. This provision is made because approximately 25 per cent. more of the wheat berry is used in the manufacture of these flours than standard wheat flour.

Another exception is that concerning mixed flours containing less than 50 per cent. of wheat flour, which may be sold without substitutes. Retailers, however, are forbidden to sell mixed flours containing more than 50 per cent. of wheat flour to any person unless the amount of wheat flour substitutes sold is sufficient to make the total amount of substitutes, including those mixed in flours, equal to the total amount in wheat flour in the mixed flour. For instance, if any mixed flour is purchased containing 60 per cent. wheat flour and 40 per cent. substitutes it is necessary that an additional 20 per cent. of substitutes be purchased. This brings it to the basis of one pound of substitutes for each pound of wheat flour.

A special exemption may be granted upon application in the case of specially prepared infants' and invalids' food containing flour where the necessity is shown.

Some misunderstanding seems to exist on the part of consumers in assuming that with the purchase of wheat flour one must confine the additional 50 per cent. purchase to one of the substitutes. This is not the case. One may select from the entire range of substitutes a sufficient amount of each to bring the total weight of all substitutes equal to the weight of the wheat flour purchased. For instance, if a purchase of 24 pounds of wheat flour is made a range of substitutes may be selected as follows:

Cornmeal, 8 pounds; corn grits, 4 pounds; rice, 4 pounds; buckwheat, 2 pounds; corn starch, 1 pound; hominy, 2 pounds; rolled oats, 3 pounds.

These substitutes may be used in the following manner:

Cornmeal, 8 Pounds.—Corn bread, no flour; corn muffins or spoon bread, one-fourth flour or one-third rice or one-third hominy; 20 per cent. substitutes in whole bread.

Corn Starch, 1 Pound.—Thickening gravy, making custard, one-third substitute in cake.

Corn Grits, 4 Pounds.—Fried like mush, used with meal in making corn bread.

Roller Oats, 3 Pounds.—One-fourth to one-third substitutes in bread, one-half substitute in muffins; breakfast porridge, use freely; oatmeal cookies, oatmeal soup.

Buckwheat Flour, 2 Pounds.—One-fourth substitute in bread, buckwheat cakes.

Hominy, 2 Pounds.—Baked for dinner, baked for dinner, with cheese sauce.

Rice, 4 Pounds.—One-fourth substitute in wheat bread, one-third substitute in corn bread, boiled for dinner (a bread cut), as a breakfast food, to thicken soups, rice pudding instead of cake or pie, rice batter cakes.

Second-Hand Goods

such as Stoves, Tables, Chairs, and other useful household articles. Will sell for cash or exchange for country produce. Most of these articles are in good condition and will be sold for half price or less. We will repair your furniture for you.

DICKSON, TENN.

There is more Catarrh in this section of the country than all other diseases put together, and for years was supposed to be incurable. Doctors prescribed focal remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Catarrh is a local disease, greatly influenced by constitutional conditions and therefore requires constitutional treatment. Hall's Catarrh Medicine, manufactured by F. J. Cheney & Co., Toledo, Ohio, is a constitutional remedy, is taken internally and acts thru the Blood on the Mucous Surfaces of the System. One Hundred Dollars reward is offered for any case that Hall's Catarrh Medicine fails to cure. Send for circulars and testimonials.

Hillier's Antiseptic Oil, Known as

Snake Oil

Will Positively Relieve Pain in Few Minutes

Try it right now for Rheumatism, Neuralgia, Lumbago, sore, stiff and swollen joints, pains in the head, back and limbs, corns, bunions, etc. After one application pain disappears almost as if by magic.

A new remedy used internally and externally for Coughs, Colds, Croup, Sore Throat, Diphtheria and Tonsillitis.

This oil is considered to be the most penetrating remedy known. Its prompt and immediate effect in relieving pain is due to the fact that it penetrates to the affected parts at once. As an illustration pour ten drops on the thickest piece of sole leather and it will penetrate this substance through and through in three minutes.

Accept no substitute. This great oil is golden red color only. Every bottle guaranteed: 30c, 60c and \$1 a bottle or money refunded at leading druggists, or mailed direct on receipt of price by the

Herb Juice Medicine Co., Jackson, Tenn.
