DOING THEIR DUTY.

Scores of Johnson City Readers Are Learning the Duty of the Kidneys.

To filter the blood is the kidney's duty. When they fail to do this the kidneys are sick. Backache and many kidney ills follow:

Urinary trouble, diabetes. Doan's Kidney Pills cure them all. David Williams, living corner Fifth North Jackson St., Morristown, Tenn., says: "Doan's Kidney Pills have earned my hearty endorsement. At times the secretions from my kidneys were much too frequent, then again the passages would be scanty and attended with pain. Some time ago my attention was drawn to Doan's Kidney Pills and I procured a box. I used them according to directions, and it was not long before the entire trouble was eradicated."

Plenty more proof like this from Johnson City people. Call at the Patton Drug Co. and ask what customers report.

For sale by all dealers. Price 50cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no other.

Silicosis—I don't believe that the good old die young. (Cynical)—No; some outgrow it.—Philadelphia Record.

Dr. Fahrney's Teething Syrup conforms to the Pure Food and Drug Law; every bottle guaranteed. Sample free.

"Where did Maude get that handsome hundred guinea gown?" "She earned it by writing an article on 'How I Dress on 10 lbs. a year.'—Opinion.

Babies don't mind cold or take cold if kept well with Dr. Fahrney's Teething Syrup. Get it anywhere. Sample free. nov-dec

Madge—Miss Avoirdupois is taking horse-back riding. Has she got off any fat? Dolly—Yes; off the horse.—Lippincott's.

Stops itching instantly. Cures piles, eczema, salt rheum, tetter, iteb, hives, herpes, scabies—Doan's Ointment. At any drug store.

"Aren't you sorry for the people who died before motors were invented?" "I don't know why I should be. Perhaps they died easier deaths."—Philadelphia Inquirer.

For a mild, easy action of the bowels a single dose of Doan's Regulets is enough. Treatment cures habitual constipation. 25 cents a box. Ask your druggist for them.

Her—Why the earth did you ever marry me? Him—Oh, don't be so bromidic. That's what everybody asks.—Cleveland Leader.

"Dr. Thomas' Electric Oil is the best remedy for that often fatal disease—croup. Has been used with success in our family for eight years."—Mrs. L. Whiteacre, Buffalo, N. Y.

"A man is judged by the company he keeps." "That's fair enough. But it isn't right to judge a girl by the company she has to entertain."—Louisville Courier-Journal.

Heavy, impure blood makes a muddy, pimply complexion, headaches, nausea, indigestion. Thin blood makes you weak, pale, sickly. Burdock Blood Bitters makes the blood rich, red, pure—restores perfect health.

"What's the most aggravating thing in married life?" asked Dorothy. Sometimes," said the bachelor friend, "it's the husband, and sometimes it's the wife."—Philadelphia Inquirer.

A Dangerous Operation is the removal of the appendix by a surgeon. No one who takes Dr. King's New Life Pills is ever subjected to this frightful ordeal. They work so quietly you don't feel them. They cure constipation, headache, biliousness and malaria. 25c at H. C. Miller's.

"Why do you go abroad every year?" "Because," answered the leading citizen, "absenting myself from the country is the only way I can get the reporters to pay any attention to my opinions of what is going on.—Washington Star.

This is Worth Reading. Leo F. Zelinski, of 68 Gibson street, Buffalo, N. Y., says: "I cured the most annoying cold sore I ever had, with Bucklen's Arnica Salve. I applied this salve one a day for two days, when every trace of the sore was gone." Heals all sores. Sold under guarantee at H. C. Miller's drug store. 25c.

"I think from the utensils about him that this mummy must have been an Egyptian plumber." "It would be interesting to bring him back to life." "But too risky. Who's going to pay him for his time?"—Louisville Courier-Journal.

It is a Wonder, Chamberlain's Liniment is one of the most remarkable preparations yet produced for the relief of rheumatic pains, and for lame back, sprains and bruises. The quick relief from pain which it affords in case of rheumatism is alone worth many times its cost. Price, 25 cents; large size, 50 cents. For sale by H. C. Miller.

Jones—Is that cheese good? Shopkeeper—Good! Why, it's unapproachable.—Philadelphia Inquirer.

Finnegan—An' was you th' best man at Muldoon's wedding, Casey? Casey (with both eyes blacked)—Naw; I only t'ought I was.—Lippincott's.

In Cheyenne the other day a woman asked her husband if Bryan's daughter Grace was a debutante. "I have never heard what church the Bryans belong to," he replied.—Denver Press.

"It does seem strange," remarked the party who seemed to be thinking aloud. "What seems strange?" queried the innocent bystander. "That, after getting a man in hot water, a woman can't understand why he should boil over," explained the noisy thinker.

Good Cough Medicine for Children. The season for coughs and colds is now at hand and too much care can not be used to protect the children. A child is much more likely to contract diphtheria or scarlet fever when he has a cold. The quicker you cure his cold the less the risk. Chamberlain's Cough Remedy is the sole reliance of many mothers, and few of those who have tried it are willing to use any other.

Mrs. F. F. Starcher, of Ripley, W. Va., says: "I have never used anything other than Chamberlain's Cough Remedy for my children and it has always given good satisfaction." This remedy contains no opium or other narcotic and may be given as confidently to a child as to an adult. For sale by H. C. Miller.

Teacher (in Sunday-school class)—Who can tell me anything about Abraham? First Small Boy—Used to know, but can't remember now. Teacher—Perhaps someone can tell me the name of Abraham's wife. Second Small Boy (promptly)—Mia' Lincoln.—Life.

Mrs. Fenbee, of Tennessee. The stomach is such an easy organ to get out of order. One is troubled with it in the form of indigestion, another constipation, another heartburn, flatulency, etc. Mrs. Fenbee, of Cumberland Furnace, Tenn., suffered for seventeen years from sour stomach. Naturally she tried everything, and she says nothing ever benefited her until she took Dr. Caldwell's Syrup Pepsin, and that cured her.

It is absolutely guaranteed to do what we claim, and if you want to try it before buying, send your address for a free sample bottle to Pepsin Syrup Co., 119 Caldwell Bldg., Monticello, Ill. It is sold by all druggists at 50c and \$1 a bottle.

"I wish it was time for school to open, mama." "I'm very glad to hear you say so, Willie. It shows that you are beginning to appreciate what an education means." "Naw, 'tain't that. Tommy Tubbs won't get home till school opens, and I'm watin' to crack his slats for bustin' my r. dwagon."

Mrs. Northup, Quincy, Ill. Mothers should be grateful to know of a remedy for their own stomach, bowel and liver troubles as well as for those of their children. Mrs. Alice Northup, of Quincy, Ill., after trying many methods is free to admit that the best one is Dr. Caldwell's Syrup Pepsin, which she uses herself and gives to her family. She believes no household should be without it.

It will do all that is claimed, and if you want to try it before buying, send your address for a free sample bottle to Pepsin Syrup Co., 119 Caldwell Bldg., Monticello, Ill. It is sold by all druggists at 50c and \$1 a bottle.

The calcium was out of order. "I can't do my best without glare," cried a red the star. "I can fix that," responded the impresario. "I'll station one of the other prima donnas in the wings."—Washington Herald.

Beware of Frequent Colds. A succession of colds or a protracted cold is almost certain to end in chronic catarrh, from which few persons ever recover. Give every cold the attention it deserves and you may avoid this disagreeable disease. How can you cure a cold? Why not try Chamberlain's Cough Remedy? It is highly recommended. Mrs. M. White, of Butler, Tenn., says: "Several years ago I was bothered with my throat and lungs. Someone told me of Chamberlain's Cough Remedy. I began using it and relieved me at once. Now my throat and lungs are sound and well." For sale by H. C. Miller.

"What's all this clamor?" asked the traveler approaching Manhattan. "That's all," replied the porter, "is the people of New York braggin' that they have abated useless noises, suh."—Philadelphia Ledger.

Marked for Death. "Three years ago I was marked for death. A grave-yard cough was tearing my lungs to pieces. Doctors failed to help me, and I hope had I not, when my husband got Dr. King's New Discovery," says Mrs. A. C. Williams, of Bac, Ky. "The first dose helped me and improvement kept on until I had gained 58 pounds in weight and my health was fully restored." This medicine holds the world's healing record for coughs and colds and lung and throat diseases. It prevents pneumonia. Sold under guarantee at H. C. Miller's drug store. 50c and \$1. Teacher—And what do you suppose all the animals did during those forty days in the ark? "Smart" Williams—They just loafed around and scratched themselves. "Sandy" Toole (disdainfully)—Chuck it, Smarty! What'd they scratch for, when there was only two fleas?

A Good Ending. Old people are especially prone to stomach, liver and bowel ailments. Old age can be made the pleasantest time of life if these diseases can be avoided. "Good gracious, old man!" exclaimed Acum. "what sort of a suit is that?" "This," replied Dingley, who was attired in a combination of football, golf and riding clothes, "is what you might call a suit for damages. I'm going to ask old Roxey for his daughter."—Philadelphia Press.

Medicine That Is Medicine. "I have suffered a great deal with malaria and stomach complaint, but I have now found a remedy that keeps me well, and that remedy is Electric Bitters, a medicine that is medicine for stomach and liver troubles and for run-down conditions," says W. C. Kessler, of Halliday, Ark. Electric Bitters purifies and enriches the blood, tones up the nerves, and imparts vigor and energy to the weak.
