2-Drops of "GETS-IT,"
Out Comes the Corn!

It's the World's Wonder; Never Fails. You'll make goo-goo eyes at your feet, after you use "GETS-IT," and you'll find the places where those blumpy corns used to be, just as smooth as your cheek.

How Wide is a 'GETS-IT' Corn? Well, a Good Deal Over 2 Feet! There's no corn or callosity among the millions of feet in the world that "GETS-IT" will not remove—there's no escape. "GETS-IT" is the new way, the simple, common-sense, sure way. It does away with greasy ointments, salves, pads, corns, razors, files, and the limping and the painful pigeon-toe walk of so many corn-pestered people. All you do is put 2 drops of "GETS-IT" on the corn shrivels up—and good bye. Nothing else in the world like "GETS-IT." Millions are using it. There's no pain, no trouble, no changing shoes because of corns. "GETS-IT" is sold by druggists everywhere. So a bottle, or sent direct by E. Lawrence & Co., Chicago. Sold in Cookeville and recommended as the world's best corn cure, by J. H. Watts.

YOUR HEALTH
Don't Endanger It With Calomel. It is generally agreed by experts in this country and Europe that calomel has a very violent effect on the system. This accounts for the familiar disagreeable feeling accompanying a dose, and the weakened condition following it. Liv-Ver-Lax is a harmless vegetable compound, that is a mild, but effective substitute for calomel. It has all the effectiveness, but not the effect, of calomel. Its splendid value has brought it into such wide use that in some states it has almost entirely replaced calomel. Just try Liv-Ver-Lax once, and you'll never use calomel again. Insist on the genuine, bearing the likeness and signature of L. H. Grigsby, which is guaranteed to give satisfaction or money refunded. For sale by **WYLYE'S DRUG STORE, Cookeville**

A TWICE TOLD—TALE
One of interest to Our Readers. Good news bears repeating and when it is confirmed after a long lapse of time, even if we hesitated to believe it at first hearing, we feel secure in accepting its truth now. The following experience of a Cookeville man is confirmed after seven years.
L. H. Clark, saddler, Walnut St., Cookeville, says: "My kidneys had troubled me for years. I seldom rested well and the dull, weary backache kept me miserable through the day. The kidney secretions were filled with sediment and I was all out of sorts and steadily getting worse. Someone advised me to use Doan's Kidney Pills, and I got a supply at Neal & Staley's Drug Store. They cured me and for two years, I have been in good health. (Statement given January 27, 1908.)
On March 23, 1915, Mr. Clark added: "I still consider Doan's Kidney Pills a fine medicine and I gladly confirm my endorsement."
Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Clark had. Foster-Milburn Co., Props., Buffalo, N. Y.

SCHOFIELD BARRACKS, HAWAII
Dear Friends and Readers of the Herald—I will try and jot down a few lines this evening, as I have been silent for some time. The weather is very hot at the present time and I haven't seen cold weather in so long a time I have almost forgotten how it feels.
We have just had the Mid-Pacific Carnival in the city of Honolulu and it was a great success.
The war in Europe is still in sway and no prospects of closing soon; they are trying to force Uncle Sam in it, but it hasn't worked yet.
The United States submarine F 4 sunk in Honolulu harbor with 21 American sailors, and they haven't found any trace of it so far. The men are only able to stay under water one week at the most.
Come on, Mollie Dahuff, your letters are good. You Two Swall Eyes, I will have to compliment you, too. Bertie's, please answer my letter; I haven't heard from you in a good while. Come on, Two Playmates, your letter was fine. What is the matter with Double Springs. Wake up and write.
March Lilies, write again. Well, I will close by saying to one and all, keep the good work going, for those letters are a great help to a lonely soldier boy, who is about 8000 miles from home and friends. McMillin Judd, Co. G, 1st Inf., Schofield Barracks, Hawaii.
Send the Herald to your friend!

ST. JOHN, KANS.

SEED CORN
Having received several inquiries regarding price of Hastings' Prolific Seed Corn; will say that those who would rather come after it, thereby saving what they were getting, besides saving me the time and expense of mailing it, can have the corn at half price, or any amount to the rate of 7 pounds for 25 cents. Will have seed corn for sale till July, as some of the best records made have been from late plantings.
