EXIT CALOMEL
No More Nasty, Disagreeable Ef-
fects.

Liv-Ver-Lax is now rapidly taking
the place of calomel everywhere. It is
just as effective, cleansing the system
thoroughly of bile, toning up the liver;
and making that sluggish feeling dis-
appear like magic. Yet it is pleasant
to take, and has none of the dis-
agreeable after effects that make us
dread calomel so much.
Feel fine all the time. Take Liv-Ver-
Lax regularly, and health becomes a
reality. Every genuine bottle
bears the likeness of L. K. Grigsby, and
if it does not give satisfaction your
money will be returned. For sale in
the big 50c and \$1 bottles at Wyly's
Drug Store Cookeville.

RHEUMATISM ARRESTED
Many people suffer the tortures of
lame muscles and stiffened joints because
of impurities in the blood, and each suc-
ceeding attack seems more acute until
rheumatism has invaded the whole system.
To arrest rheumatism it is quite as im-
portant to improve your general health as
to purify your blood, and the cod liver oil
in Scott's Emulsion is nature's great blood-
maker, while its medicinal nourishment
strengthens the organs to expel the
impurities and rebuild your strength.
Scott's Emulsion is helping thousands
every day who could not find other relief.
Refuse the alcoholic substitutes.

the same as the 1915 Overland—the famous
Model 80 that sold for \$1075.

\$1075 model of last season.
It has the SAME magnificent finish; that
deep, rich tone of dark Brewster green with

fine hairline striping of clear ivory-white.
It has the SAME powerful, economical 35-
horsepower, 4-cylinder, BUT WEIGHS LESS.
It has the SAME underslung rear springs.
It has the convenient arrangement of electric
control buttons on the steering column.
It has the SAME easy-working clutch which

any woman can operate; the SAME "easy to
handle" shifting levers; the SAME "easy to
steer with" wheel; the SAME positive brakes.
It has 33x4 tires which is unusual on a car
at this price.
