

# PUTNAM COUNTY HERALD.

VOLUME XIV.

COOKEVILLE, TENNESSEE, THURSDAY, OCTOBER 19, 1916.

NUMBER 42

### 50c AND WORTH IT

Some people urge that the Herald is high at 50c a year, but such is not the case. We do not know of any other paper in the state as large as the Herald that costs less than \$1.00. When you stop to think that every thing the editor has to buy is high and going higher, you cannot complain of 50c for your local paper. With wheat around \$1.50, old corn \$1.00, hogs 10c, eggs 30c, and so on no farmer can rightly claim the Herald is high at 50c. The increased cost of paper, ink, and other printer's supplies made it necessary to raise the price of the Herald. Don't complain, but come on with your subscriptions.

### SALEM ORGANIZATION

On Friday afternoon, October 6th, the ladies of the Salem community met at the school house for the purpose of organizing a Parent Teachers Association. Mrs. Walter Carlen, Mrs. Fred White and Mrs. L. M. Bullington, and Miss Margaret McKenzie, of Cookeville, were present to assist in the organization.

While waiting for the crowd to gather the school and visitors were delightfully entertained by Mrs. Bullington, who told several stories in a charming manner. Mrs. Carlen, president of the Parent Teachers' Association of Cookeville, then took charge of the meeting, and in a splendid talk told of the aims and purposes of these organizations. Mrs. White acted as temporary chairman and the following officers were elected: Mrs. Eunice Huddleston, president; Miss Rockwell, principal of Salem school, vice president; Mrs. B.C. Huddleston, secretary and treasurer. The next date of meeting was chosen as Tuesday, Oct. 17th.

Miss McKenzie talked on the Canning Club work, giving a report of some of the work that has been done this year in the county. Quite a few were interested in the work and expressed a desire to join the Canning Club next year.

This move on the part of the Salem community bespeaks an interest in their community welfare, showing that they are progressive and wide awake people taking advantage of every opportunity that presents itself for the betterment of their neighborhood.

### BLOOMINGTON SPRINGS

Sunday school and singing is progressing nicely at Free Union under the management of Mr. Frank Rodgers and Charlie Bryant.

Bro. Stone and Clouse closed their protracted meeting at Free Union a few days ago, with several professions, and had a good meeting. Bro. Stone is the pastor of our church and we certainly do appreciate him as our preacher.

There was a singing at Free Union Sunday and all report a nice time. I was sure glad to see a letter from Aunt Ava Campbell, of Haviland, Kas. Write to the Herald again. We are glad to read your letters and to hear from the west.

Ponie Thompson, of Haviland, wake up and let us hear from you.

Misses Maud Allison and Mattie Ferrerl visited the writer one day last week.

Misses Della Vantrease and Ollie Presley visited Lura Carrington Sunday.

Sallie Brown visited Charlie Bryant's Sunday.

I don't want to see Haviland, Kas., if the wind is blowing hard enough to blow the top of Pony Thompson's cap off. It is most sure to get his head next time.

Mr. Fred Ensor and Miss Maude Simpson were married the other Sunday.

GORDA CARRINGTON.

### PADGETT COMING

Democrats of this section will be delighted to know that they will soon have the opportunity of hearing the Hon. L. P. Padgett, of Columbia, congressman from the Seventh district, who is touring the state in behalf of the Democratic tickets, state and national. Mr. Padgett will speak in Cookeville on Friday, Oct. 27, at one o'clock.

Mr. Padgett has been on the stump since the campaign began. His fame as a campaigner has gone abroad before him. He is chairman of the committee on naval affairs in the house. He had a great deal to do with the naval preparedness bill. He is an intimate friend of Woodrow Wilson and the national Democratic leaders. He is logical and is a convincing speaker, and is warmly in sympathy with Democratic progress in the state and nation.

### CITY SCHOOL NOTES

The pupils of the Cookeville City School are very busy at present preparing for the quarterly examinations which will be given in about two weeks.

Field Day will be Friday, Oct. 20th. Everybody is expecting this to be a big day in Cookeville.

The school enrollment is increasing every day. Some of the pupils have been out for several days but are starting in again.

Quite a number of our pupils are contesting for a place on the program for Field Day exercises.

The pupils seem to be more interested in their school work this year than ever before. Everything is starting out for a good term this year.

Dolly Smith, of the 7th Grade, is coaching a few of her classmates in folk dancing. Dolly has had special work in this line at Warren Belmont.

Miss McClure will return in a few days to take up her work as expression teacher.

Miss Mollie Moonenham was a welcome visitor at school a few days ago. She seems to be much improved in health.

Friday will be a holiday on account of Field Day.

Prof. Carlisle is having the school grounds improved.

Herman Proffitt, 8th Grade.

### MRS. JAMES R. COE

Mrs. James R. Coe died at her home in this city last Friday, Oct. 13, 1916, after a lingering illness, a victim of tuberculosis. She was laid to rest in the city cemetery Saturday.

Mrs. Coe was a member of the Christian church, and a daughter of the late Mr. John Elrod, who died only a few months ago. She is survived by her husband and several children, besides her mother, brothers and sister.

### STANTON-MEADOWS

Last Sunday morning at 10 o'clock at the home of Mr. Sid Stanton, on Martin's Creek, Mr. Solon D. Stanton and Miss Lona Gertrude Meadows were married by Esq. Thos. J. Lee.

Mr. Daniel Bartlett was best man and Miss Alice Stanton, maid of honor. After the ceremony, the bridal party enjoyed a bountiful dinner at Mr. Stanton's, and then motored to Cookeville.

This wedding was a surprise to the many friends of both contracting parties. The groom is the son of Mr. D. S. Stanton, a prominent farmer on Martin's Creek. The bride is well known in Cookeville, which has been her home for a number of years. She was teaching at Spring Fork at the time of her marriage.

Mr. and Mrs. Stanton are spending a few days this week with friends and relatives at Monterey and Cook Place. They will make their home on Martin's Creek, where Mr. Stanton will engage in farming.

ALGOOD CIRCUIT NOTES

It is with pleasure that I enter upon the fourth year's work on the Algood Circuit, and ask the prayers and cooperation of all interested in the work of the church in this section.

The appointments will be as before, viz: Algood, third Sunday morning; and night, and fourth Sunday night; Paran, fourth Sunday morning; Shipley, first Sunday morning; Salem, second Sunday morning, and Whitson Chapel, second Sunday afternoon.

The past year was one of progress along all lines. Every financial obligation was paid in full, and the desire is that we enter the new year with faith and prayer to accomplish more than any previous year. Let us have as our motto, "A revival in every church, a strong, live Sunday school for every congregation and a desire to see souls saved, and every financial obligation met in full."

The pastor will preach at Paran Sunday morning and at Algood at night. FRED B. COX, Pastor

DOUBLE SPRINGS

Dear Editor—Will you allow three school girls a little space in your paper?

School is progressing nicely at D. S. under the management of Prof. J. M. Phy.

Miss Alma Stewart spent Saturday night with Alice Palk.

Mrs. Edna Swindle and son, Albert, of Oklahoma, have been visiting friends and relatives in Double Springs, and returned Friday.

Mr. and Mrs. Phy Gypsum gave a bean hulling Thursday night in honor of Albert Swindle. All reported a nice time.

Wonder if Arthur McBroom wasn't disappointed Sunday afternoon? Wonder if B. C. Lindsey has got his window repaired yet?

Misses Velma Higenbotham, Alice Palk, Gertrude and Alma Stewart visited Ova Lindsey Sunday afternoon.

Ernest Brown said he liked all flowers, but Rose the best.

Wonder if Henry Stewart loves chickens?

Wash Sherrill left Monday afternoon for California.

Wonder if Clay Hix likes California better than Tennessee?

Wonder what is the matter with Alice Palk, she is always singing "It's a long way to California."

### METHODIST CHURCH NOTES

The one hundred and third annual session of the Tennessee conference of the M. E. Church, South, closed Monday at Mt. Pleasant, after one of the best, most spiritual and pleasant sessions ever held. Quite an amount of important business was transacted, and when finally the appointments were read, a number of important changes were noted, however for Putnam county the cabinet was very kind in returning our presiding elder, Rev. H. B. Blue, and each pastor to the field of his labor during the previous year, the appointments for this county being:

Algood Circuit, Fred B. Cox; Cookeville, R. J. Craig; Monterey, S. M. Keathley; Chestnut Mound, (most of the churches being in this county) J. L. Smotherman.

Other appointments of local interest are: Celina mission, E. N. Robinson; Crossville circuit, Robt. Hall; Gordonsville circuit, W. F. Springer; Grandville circuit, Elijah Robinson; Jacob's Hill circuit, W. M. Lantrip; W. E. Doss was returned to Woodbine, Nashville; J. F. Tinnon back to Arlington; Geo. R. Allen to Lawrenceburg; B. L. Lyle to Belmont, Nashville.

The next session of the conference will be held at Gallatin.

Every Methodist in Cookeville rejoices in having Bro. Craig for another year for the Tennessee conference has no better man than Bro. Craig, and a better, more able pastor would be hard to find anywhere.

Notwithstanding the fact that this church made a splendid report last year, let every member uphold Bro. Craig with their prayers and stand by him loyally greater results are sure to come from this year's efforts. Let us all do our best to make this a record year for Cookeville station.

The pastor will preach Sunday morning on "Christianity in the Light of the Present," and at 7 p. m. on "Man in the Image of God." All are invited to attend.

ALLIE, NEW MEXICO

Dear Editor and Herald Family:—As I have been silent for some time will you please give me a little room in your paper, as so many are asking me to write, and I do love to read letters and wish I could see every Herald reader, and the editor also.

Hello, Mary Dyer and Gladis Kuykendall, Lola Lee West, Miss Palk, and all you writers. Come on with your letters. They are sure fine.

We were sure sorry to hear of the death of our loved niece, Mary Dyer, daughter of W. W. Dyer. The entire family has our deepest sympathy, but we hope to meet Mary in a better world where there will be no sad good byes; where all will be joy and happiness around God's throne.

Sorry to learn that Uncle Byrom Phy was so poorly.

Well, I will try to tell you all about this part of the country. We are in the northeast part of Chaves county, six miles south west of Allie, and 11 miles of Redland, 40 miles from Elida, 2 1/2 miles from Portales, and that is our nearest railroad station. No public works. Much farm labor from \$1.00 to \$1.50 per day, but not regular, just in gathering or planting.

As a rule this is a healthy country and some land yet to take up. Our land is easily cultivated. One man can cultivate 80 acres all right. It has been too dry for my crop this time, but there is a fine crop within two miles of us and one good neighbor told me to come and save feed enough in his field to do me, so I went yesterday and cut and shocked ten rows of corn a quarter of a mile long, making about 300 bundles and aim to go back tomorrow if it is the Lord's will, and try to save all I can. I sure have got good neighbors and friends, all white Americans and good Christians as I ever saw. I have nearly 40 acres broke for next year's crop. Have a nice young crop now, but guess the frost will get it.

As I, is late bed time I will ring off. All you kin folks write to the Herald. May God bless you all in our prayer. Good night. G. W. JAQUESS.

Newspaper advertising is the most effective method of reaching any community. This has been proven and is conceded by thousands of the most successful business firms of the country.

Remember the Herald is now 50c

Mt. View Lodge, No. 179, I. O. O. F., met at the hour, 7 p. m., Oct. 14th, 1916, D. E. Slagle, N. G. presiding, with a good attendance. Quite a lot of routine business was disposed of. Bro. Bradford, York, Pendergrass and C. J. Davis, were each reported as better. Bro. W. H. Barr was reported sick to a week, not seriously. The initiatory degree was conferred upon two applicants in good style. This now brings the lodge membership up to 179. It is to be hoped there will be none dropped for non payment of dues this term. With initiation, transfers and reinstatement our goal of 200 should be reached by the end of this term, Dec. 31st, 1916. Let our efforts be directed to this end.

Work in the 1st Degree is promised for the next meeting which occurs on Friday night, the 20th, inst. Brothers should take notice thereof and fail not in attendance, for the more is known of the first degree the better for all concerned. This is a magnificent degree. Come out and help.

LONE OAK

Health good, except Uncle Wm. Gentry and Claude Bryant, who are on the sick list.

I had the pleasure to meet with the Stone Association, which met at Rocky Point, Oct. 12, 13 and 14. I met many of my friends and relatives and many sons and daughters of my old comrades in the gospel that I used to preach to in my boyhood days. Many of their fathers and mothers sleep in the grave. The writer had the pleasure as well as the honor of preaching to the audience Oct. 13th, in connection with Rev. G. W. Stone. We had a glorious revival; it appeared just like old time religion, the entire association seemed to be full of it.

May the Lord bless the editor and the many readers of the Herald. Yours for the Master. REV. M. JUDD.

### Brown's Music Store For Sale!

THE BEST BUSINESS IN TOWN FOR SALE AT COST

Have been in the music business over 20 years and my sales have run thirty five thousand dollars a year, but on account of bad health I have decided to quit business. Prices are greatly reduced now. If you are ready to buy, get ready and come where goods are cheap. I will still sell on the installment plan and you can pay monthly without security. I have most all kinds of musical instruments, sewing machines, and supplies of all kinds. If you are going to buy in two or three years you had better buy now, while the goods are cheap. I am going to sell out.

Thanking my thousands of customers for the liberal patronage they have given me, I will be at the same place—Public Square, Cookeville, until I close out my stock. Your best friend for past favors, I am, Respectfully yours, FELIX A. BROWN

I buy all my goods from Chicago, New York and Virginia factories.

## The Eye is the Window of the Soul! BE CAREFUL HOW YOU USE AND ABUSE IT

Strong eyes are the greatest gift that any man or woman can possess, but there are few people who have perfect eyes.

Do not allow your eyes to undergo risks that may prove fatal. If your eyes are defective in any way it is a duty you owe yourself to have them examined by one who understands the eye.

Eye strain does not always mean diseased eyes. Healthy eyes often give trouble in reading, sewing, etc. A large per cent of all headaches are caused from eye strain that can be relieved by the use of properly adjusted glasses. If your eyes are defective in any way, why continue the risk? If you are bothered with headache, why continue to suffer through life when you can get relief for a small amount?

The nights are growing long, and you will do a great deal of reading this winter. Be sure that your glasses suit your eyes. Don't take chances by using glasses that do not suit your eyes. We take pains in fitting the lenses that your eyes require, and we make the frame fit your face to look best, feel best, and give best results.

Bring your eyes for examination—if you do not need glasses we will be frank to tell you so.
