A FAMILY MEDICINE
 In Her Mother's Home, Says This Georgia Lady, Regarding Black-Draught. Relief From Headache, Malaria, Chills, Etc.

Ringgold, Ga.—Mrs. Chas. Gaston, of this place, writes: "I am a user of Theford's Black-Draught; in fact, it was one of our family medicines. Also in my mother's home, when I was a child. When any of us children complained of headache, usually caused by constipation, she gave us a dose of Black-Draught, which would rectify the trouble. Often in the Spring, we would have malaria and chills, or troubles of this kind, we would take Black-Draught pretty regular until the liver acted well, and we would soon be up and around again. We would not be without it, for it certainly has saved us lots of doctor bills. Just a dose of Black-Draught when not so well saves a lot of days in bed."
 Theford's Black-Draught has been in use for many years in the treatment of stomach, liver and bowel troubles, and the popularity which it now enjoys is proof of its merit.
 If your liver is not doing its duty, you will suffer from such disagreeable symptoms as headache, biliousness, constipation, indigestion, etc., and unless something is done, serious trouble may result.
 Theford's Black-Draught has been found a valuable remedy for these troubles. It is purely vegetable, and acts in a prompt and natural way, regulating the liver to its proper functions and cleansing the bowels of impurities. Try it. Insist on Theford's the original and genuine. B 78

The Woman's Missionary Society met Monday afternoon, March 4, with Mrs. O. D. Massa. At this business meeting we chose Forward as our theme. After singing To The Work, a portion of the 5th chapter of Ephesians was used by the leader for the Bible lesson. Nearly all the members were present, and this being just at the close of the revival, every one was full of enthusiasm and ready to suggest helpful things and to plan for useful Christian service. Every officer and superintendent present, said that with God's help she was going to assume the duties and responsibilities of the office to which she had been elected, the very best she could. These testimonies lived out will insure a successful year's work. As a start for doing service the society bought \$50 worth of war saving stamps. When our president presented the question of the pledge, it was gratifying to see many of the ladies contributing more liberally than they did last year, to the pledge. So our other obligations this year will not be in the way of our missionary pledge at all.

Three new members were added to the roll.
 Our next meeting will be a social service meeting. The humanitarian law—one day of rest in seven. This program will be under the leadership of Mrs. B. M. Stanton, March 18, with Mrs. D. E. Slagle. All the ladies of the church are invited.

22 Million Families in the United States

IF EACH FAMILY saved one cup of wheat flour it would amount to 5,500,000 pounds, or more than 28,000 barrels. If this saving was made three times a week, it would amount to 858,000,000 pounds, or 4,377,000 barrels in a year.
 You can do your share in effecting this saving and really help to win the war by omitting white bread from one meal today and baking in its place muffins or corn bread made according to this recipe:

Corn Meal Muffins

3/4 cup corn meal
 1 1/2 cups flour
 1/2 teaspoon salt
 4 teaspoons Royal Baking Powder

2 tablespoons sugar
 No eggs
 1 cup milk
 2 tablespoons shortening

Sift dry ingredients together into bowl; add milk and melted shortening and beat well. Bake in greased muffin tins in hot oven about 20 minutes. Same batter may be baked as corn bread in greased shallow pan.

GUARD AGAINST SORE THROAT

Be on your guard right now against sore throat. The atmosphere is chock full of germs that cause sore throat and, if your system is the least bit clogged up or weakened, which is likely at this time of year, after eating heavy foods all winter, you want to give it a thorough cleansing at once by nature's own method, but not by taking nasty, old cathartics or other drastic cathartics. Just get a bottle of Vin Hepatica, the universal system purifier and tonic. It will cleanse your liver, kidneys, bowels and your entire system and restore your vitality, thus guarding against colds, sore throat and pneumonia, and other maladies so prevalent this time of the year. It is nature's own preventative, as well as remedy, and we so recommend it.
