THURSDAY, MARCH 3, 1904.

ANNOUNCEMENTS.

We are authorized to announce Dr. N. H. Moore, of Whitwell, as a candidate to represent the counties of Marion and Franklin in the next Legislature, subject to action of Democratic party. Election in November, 1904.

We are authorized to announce William J. Harris as a candidate for election to the office of Sheriff of Marion County, subject to the will of the people. Election in August, 1904.

We are authorized to announce David McNabb, of Whiteside, as a candidate for the office of Sheriff of Marion County, subject to the will of the republican primary or convention.

We are authorized to announce Dan T. Thack as a candidate for trustee of Marion county, subject to the action of the republican party of the county.

We are authorized to announce A. W. Ferguson, of Pryor Cove, as candidate for the office of Sheriff of Marion County, subject to action of Republican convention.

UNDER the heading of "Right the Wrong," the Saddy Banner calls attention to a matter which happened many years ago when a Mr. Joseph Ruohs of Chattanooga bought \$22,000 in bonds of the town of Athens, Tenn. which it repudiated on account of a technicality. Referring to the town pleading the baby act the Chattanooga Times said in 1891: "It seems to us that Athens has made a mistake, viewing the matter from a standpoint of integrity and morality." The Nashville Banner advises an enabling act from the legislature to enable the town of Athens to do right.

THE Chattanooga Times, which is vigorously espousing the cause of Senator Bate, bestows a shower of bouquets on Jasper Democrat for its expressions in the matter—since the convention. The Times is not aware, perhaps, that its editor is chairman of the anti-Bate element of that harmonious party. O tempora! O mores!

FOR the benefit of republicans we print the vote for McKinley in this county in 1900. counting by districts: 1st district, 36; 2nd district, 72; 3rd district, 95; 4th district, 95; 5th district, 83; 6th district, 53; 7th district, 259; 8th district, 97; 9th district, 13; 10th district, 73; 11th district, 135; 12th district, 25; 13th district, 140; 14th district, 21; 15th district, 195; 16th district, 193.

A little more effort to see the good qualities of a person in life, would work him much more benefit than lauding him to the skies after death.

JUDGING from current comment if the republicans let a whiskey man receive the nomination for office of trustee, the party will lose lots of votes.

If this Bate-McMithin controversy continues much longer it will be a fine year for republicans who favor Senator Bate.

COL. JERRY BAXTEL is dead. At last his enemies, who fought him for building the Tennessee Central, are silenced.

LET the Adams law remain, and be extended just as long as it will drive whiskey before it.

HURRY up, Messrs. Commissioners and let us hear of something being done on the pikes.

THE extended presence of la grippe is wrestling the faces of the doctors in smiles.

THE Republican Convention seemed to be quite a peaceable affair.

It would seem that a man is esteemed only after he dies.

Impaired Digestion
 May not be all that is meant by dyspepsia now, but it will be if neglected. The uneasiness after eating, fits of nervous headache, sourness of the stomach, and disagreeable belching may not be very bad now, but they will be if the stomach is suffered to grow weaker. Dyspepsia is such a miserable disease that the tendency to it should be given early attention. This is completely overcome by

Hood's Sarsaparilla
 which strengthens the whole digestive system

 Messrs. Thos. J. King, W. L. Burnett and W. C. Aburnathy attended the Senatorial Convention at McMinnville last Thursday.

The fierce March winds have begun to blow and as they whip around the hills and fan themselves into mighty whirlwinds, snatching leaf and paper here and there and sending them towards the sky, is a gentle reminder of the average candidate, who is soon to appear upon the threshold of the great wealth producing masses of our country, the men behind the plow, with a smile upon his face and devilment in his head, having just received a fresh supply of "soft soap" flattery and deception, being already armed with a pair of hollows, heavily charged with "hot air." And now we are lead to believe, in view of this approaching danger that the general public will likely be somewhat watered.

The convention to nominate a candidate for the State Senate from this district, met in McMinnville Thursday and declared, by a unanimous vote, Hon. L. V. Woodlee, of Grundy county, to be the choice of the democracy of the 11th senatorial district, composed of the counties of Marion, Franklin, Warren and Grundy. B Pluribus Unum.

Several from here went to Jasper Saturday.

I attended the democratic convention Monday and it must have been opened with a corkscrew from the noise they made. Some got their noses skinned and I stayed behind a tree till I saw our plucky sheriff and his deputies demanding peace.

Dr. J. L. Shirley, L. H. Grayson and some others went to Walden's Ridge hunting last Thursday. Of course they did not expect to find any game but wanted a little recreation and outing. Three pheasants killed.

Last Thursday night the barn of W. C. Shirley who lives a short distance north of here, was burned together with three horses, about 300 bushels of corn and several other things of value. Loss about \$1000. No insurance.

The Statesman-Democrat says that it was not the Statesman that called Dr. N. B. Moore a bolter but a democrat that was in the same band wagon, but admits that he could not swallow the Kansas City platform. That reminds one of those our Savior said who strained at a gnat and swallowed a camel.

SAM B. ALLEY,
 WHITWELL, TENN.

Passengers on the train Saturday morning reported a shooting affray at Pikeville Friday night between Polk Hale and Walter McReynolds in which Hale was killed. Hale is said to have stabbed a boy to death some time ago.

We have no apology to make for saying that a certain church member distributed whiskey on Sunday the day before the democratic convention as we have since seen the good woman that informed us and she said it was so, but we do say that it was not D. T. Layne.

WHITWELL
Special to the News.

It may not be generally known to the public yet that Whitwell has a free circulating library, yet notice of the fact was made two months ago in the News. The books are at the office of Dr. S. C. Ellis, and are free to every one who calls for them. There are some beautifully bound volumes, and all are excellent books, including some of the finest novels of the year. This library was donated by the 19th Century Club of Memphis, and sent out on its errand of good will by the Club Federation of Tennessee. The good done and the pleasure given by these traveling libraries is inestimable. To the remotest of mountain hamlets throughout the state where they have gone they have been eagerly received and in some cases almost literally devoured. Tracy City and Jasper have both had one and seemed to appreciate them, but the one in Whitwell is lying almost unused. But what can we expect of a place that has such roads and no public schools? Perhaps the oncoming generation will not even know how to read.

Miss Annie Hilliard left yesterday on a visit to Mrs. Stewart in Chattanooga. Mrs. S. C. Ellis will leave next week for a visit to Chattanooga and to read at the Kosmos Club a paper on Edgar Allen Poe. Mrs. Ellis also leads in the discussion "Art for Art's Sake" same day at the Club.

Dr. Ellis was seen plowing one day lately and seemed to enjoy it hugely.
