MILLIONS PAID TO TENNESSEE PENSIONERS

KNOXVILLE, Tenn., July 13.—Chief Clerk Murphy, in the office of Pension Agent J. T. Wilder, has just completed the report for the year ending June 30, of the Knoxville pension district. We do not hear much from Whitwell about 60 trips a day.

I worked there a little while before the strike and was working there when it came up. worked in all 13 years, and when they ran 60 trips they were doing good work. I had a friend of mine the other day, or rather I thought he was a friend, who asked me when I don't go to work at Whitwell. Well, I don't think he will ask me any more. I told him I thought I would go to work when the company made a call for the U. M. W. of A. men. Then if I could get work with them I would sure go to work and not until then. He said, "Well, what if they never settle with the union you will work?" "No," I said, "I will not." He said "They have made a settlement in the 30th district for a year and if the company had intended to settle they would have settled when the other company settled."

"Well," I said, "if they don't settle this year maybe they will next year, and if they don't settle then maybe they will the next and if they don't settle then maybe they will settle when they get ready. I will wait until they get ready and then if they want me I will work for them."

Pleasant Outing.

WHITWELL, Tenn., July 17.—A crowd of young folks, accompanied by Mrs. Dr. Shirley as chaperon, departed from this place at an early hour Sunday morning for New Hope, where they attended church which was conducted by Bro. Hunt, who preached a splendid sermon. After church we went out under the beautiful shade trees and emptied our baskets which were filled with plenty of good things to eat. Brother Hunt returned thanks and took dinner with us, which we were very much delighted to have him do. It was a beautiful day. The sky was bright and the birds in the trees seemed to sing praises to God and, with us, keep sacred the Sabbath day. The party consisted of Misses Annie Ellis, Corrine Ashburn, Bessie Hooper, Myra Grayson, Lula Smith, Mrs. Dr. Shirley, Bertram Ashburn, Ed Chastain, Joe Kelly, Otto Stone, Lester Shirley, Grover Graham.

WENT OUT ON STRIKE.

Stove Mounters Quit Work, but Return When Grievance Is Settled.

SOUTH PITTSBURG, July 16.—The stove mounters of the H. Wetter Mfg. Co., returned to their work today after having been out since Tuesday. The cause of their strike was the introducing of a skirt to the stove for the putting on of which they received no pay, hence the men to the number of 50 went out and were followed by the boys themselves. This forced the entire plant, employing 200 men, to shut down. Satisfactory arrangements were made with the company and the men resumed work today, much to the relief of citizens generally who were apprehensive of a prolonged strike.

Reduction in Miners' Wages.

BIRMINGHAM, Ala., July 1.—A reduction in prices of pig iron brings down the mining wages of the coal miners, and notice was given today that the maximum wage for July was 55 cents per ton instead of 57 1/2 cents. More than 5,000 miners will be affected by the reduction, while the wages of several thousand non-union miners will also be reduced. There is a strong demand for coal, and the mines are working steadily.
