TROUBLE AT TRACY CITY.

Cousin of Col. A. M. Shook Shot by Unknown Man While Standing in General Store.

TRACY CITY, Tenn., Nov. 18.—Joe Shook, a well-known miner and a cousin of Col. A. M. Shook, one of the best known industrial men in the state, was shot and fatally wounded by an unknown party tonight, while standing in the general store of Jim Luak. A charge of buckshot from the dark outside entered his abdomen. He died at midnight. The shot may have been intended for Constable John Cline, who was standing near Shook and who had just previously arrested Will Cox for being drunk. He was bloodhounds were placed on the trail of the assassin.

Cline, for whom the shot may have been aimed, is known to be in hearty sympathy with the union men, and many of the non-union men are bitter against him. United States Deputy Marshals Wilson and Kitchens, here to enforce the federal court injunction against the union miners, are with the party chasing Shook's assailant.

FIVE ARRESTED

Strong Effort Being Made To Discover Guilty Parties.

NASHVILLE, Tenn., Nov. 20.—A report from Tracy City states that four arrests have been made in connection with the assassination of Joe Shook Saturday night. The parties are Dick Brown, John Brown, Hugh Brown and Walter Irving. A reward has been offered also for two brothers named Wilcox.

Arthur Stephens was also arrested Sunday on the charge of assault to commit murder in connection with the case. He waived examination, but it is not believed he is the guilty man.

The arrests were made on warrants sworn out by Constable Cline, for whom it is thought the fatal shot was aimed. The parties arrested are non-union men. They are said to have been near the scene of the shooting carrying shotguns. They say they were armed to protect themselves.

Pending their preliminary hearing the men are held under guard in the hotel at Tracy City.

"The Shepherd King."

At the Chattanooga Opera House on Monday, Tuesday and Wednesday, Nov. 27, 28 and 29, with a matinee on Wednesday, Mr. Wright Lorimer and his widely heralded production of "The Shepherd King," which has never heretofore been produced south of Baltimore or west of New York, will be the attraction. Mr. Lorimer's company numbers 150 people and the production is of such magnitude as to require five 60-foot baggage cars for the transportation of the scenery. This attraction will be the largest production ever shown in Chattanooga. The success of "The Shepherd King," with a run of 16 weeks to its credit in Boston, 12 weeks in New York and 6 weeks in Baltimore is doubtless more or less familiar to our readers. As a Biblical drama illustrating the manners and customs of the people of Israel at the time of King Saul, this play is a wonderful creation. The story is told in four acts and five scenes and deals with the career of David, the poet shepherd and sweet singer of Israel up to the time he becomes King at the death of Saul.

The scenes show first the home of Jesse on the plains of Judea, second the camp of Saul in the Vale of Elah, third the palace of Saul at Gibeath, fourth the cave of the Witch of Endor and fifth, the massive court adjoining Saul's palace.

Many of the familiar Old Testament characters are introduced in the drama, among whom will be recognized David and Jonathan, Saul, King of Israel, Michal and Merab, his daughters, Goliath, the Giant of Gath, Samuel, the Prophet, and the Witch of Endor. The electrical effects of this remarkable production are truly brilliant and require 46 arc lamps, aside from other intricate and ingenious apparatus.

During this engagement the Orchestra at the Opera House will be augmented to 25 pieces. Seats may be reserved by mail, telegraph or telephone and will be filled in the order received.

Mr. Lorimer's remarkable creation of David has made him generally recognized as one of America's foremost actors, while as a producer and a stage director he surpasses even the late Sir Henry Irving.

A reliable medicine and one that should always be kept in the home for immediate use is Chamberlain's Cough Remedy. It will prevent the attack if given as soon as the child becomes hoarse, or even after the croupy cough appears. For sale by Jno. W. Simpson, Jasper, Tenn.

A CARD TO THE VOTERS:

To the Voters of Marion County, Tennessee.

I take this method of announcing my candidacy for re-election to the office of County Court Clerk, which office I have held for the past four years, and in making this announcement, I will say that I have not done so hastily or without due consideration; and also having been asked to do so by many of my personal friends, I have this to say in regard to this race. I have at all times tried to do my duty as I saw it and to make every one feel that the office belonged to the public and not to any one person.

And further, that it was my duty to see that every one got the same kind of treatment, and to show no partiality towards any one. I have had many unpleasant things to do while in this position, and have always tried to show my appreciation of the kindness shown me by the voting public by doing my duty regardless of party affiliation, knowing, at all times, that party lines do not govern in county offices, and also seeing the great demand for business tact, soberness and politeness in the work of a public servant. I have had some to say, "Well, he is away from the office so much that you cannot find him there when you want anything." I want to say this in regard to that matter, that there have been very few days while serving the county as your servant, that I have had a holiday, but always when away from the town have been on business connected with the office, and, further, that I have been out in more districts and served more people in the capacity of legal work than any other man who ever held this office, and have gone to a great many places and got only my expenses and my fees, losing several days from the office and made nothing as a bonus for such services. I have always gone and accommodated the general public whenever it was in my power to do so, and in making this announcement, do so only on my record as an officer.

Yours truly,
J. M. PRICE.

Cured Consumption.

Mrs. B. W. Evans, Clearwater, Kans., writes: "My husband lay sick for three months. The doctors said that he had quick consumption. We procured a bottle of Ballard's Horehound Syrup and it cured him. That was six years ago. Since then we have always kept a bottle in the house. We cannot do without it. For coughs and colds it has no equal." 25c, 50c and \$1.00. Sold by Sequatchie Supply Store.
