VACCINATE YOUR HOGS

Vaccination of hogs against cholera seems now to be the only recourse of Sequachee Valley farmers against this epidemic which is costing them thousands of dollars loss each year. Before the contagion struck this valley it was a hog paradise, and farmers met with best results in hog raising. Now, cholera seems to have become a settled disease, and trouble and loss to farmers increases. The only recourse is vaccination, and in a few years a state law will make vaccination compulsory. If farmers would wake up to this fact the trouble would soon be over. All remedies fail against cholera except vaccination, and it is a penny wise and pound foolish idea to resist the vaccination movement. Fall in line and vaccinate properly.

Ticket is Choice of People.

Editor News: I notice someone from Jasper named "Fair Play", was harping on the nominees of the recent primary, no more than we expected from that place. Why didn't he sign his name if he wants to use "fair play" about everything. There wasn't any fair play used when one man sat there at Jasper and threw out all the precincts that didn't go his way. If Coppinger and Rogers got the majority of the republican vote and part of the democratic, they are without a doubt the choice of the majority of the people, and should be recognized as the nominees of the republican party of this county. I can say this much from this neck of the woods that Coppinger and Rogers will get all the votes at the August election, (if they still remain in the race) from this section. The republicans of these diggins don't approve of such an idea of one man saying who shall be the nominees for them to vote for in August. They believe in supporting the nominees of the majority, which showed up in the primary, and will do so when the time comes around. If I wasn't in "Fair Play's" place, I wouldn't write any more if I wasn't named to sign my name. T. H. RICHIE, Stanley, Tenn., April 17, 1916.

CRITICISES EXPRESSIONS OF "FAIR PLAY"

Editor News: I wish to say a few words in reply to Mr. "Fair Play" in last week's News. Mr. "Fair Play" seems to be very wise, or knows almost all of it. He says J. J. Dykes and J. L. Hudson went out to round up the democratic votes for Rogers and Coppinger. He calls that stooping very low to nominate their man. I suppose Brewer's friends did not stoop to vote just anything at GUILD. Mr. "Fair Play," you talk like you only vote for men who get their nomination by fair methods. Did you vote for Mr. Kelly for sheriff two years ago. It is generally conceded he got his nomination by fraud at Richard City. Do you think it is fair to flood the county with red liquor in order to get the vote of every scalawag and low down voter who can get to the polls? Are not the majority of our candidates nominated by unfair methods? Say, did Brewer and Kelly get no democratic votes in the primary? I happened to be a clerk at the primary and know Brewer got some democratic votes. Wouldn't your principles suffer if you vote for him? Now, Mr. "Fair Play," it looks to me like you are for fair play only when it goes your way. You speak of Mr. Brewer as a poor boy. Well, poverty doesn't always qualify a man for office, and it seems he is pretty full handed to spend six hundred and fifty dollars in a primary campaign. And you speak of the bad treatment he got at the hands of Rogers and Coppinger's friends. Did he go into the race blindly? The only reason he got left was because Rogers happened to have the most friends and not because he voted democrats. I have known Leonard Rogers since he was a boy and have never known him to do anything dishonorable or unmanly. He is a christian gentleman and has the confidence of all the best people in this end of the county, regardless of their political affiliations. Yes, he has some enemies, too. The world's Redeemer had them, also. Now, Mr. "Fair Play," can you explain why Brewer men were appointed to hold the primaries at all the important places in the county? And why did they try to withhold the official count and destroy the tally sheets? Do you think that is fair? I don't and you will find a majority of the voters don't. I believe a man ought to be as honest in his policy as in his religion. Until they are we will have fraud at the ballot box and graft in the office. Let us be honest. Special to the News. Mr. Editor and readers, I take pleasure in giving the news of this place. Rev. G. W. Angel, of Doyle, filled his regular appointment at this place Sunday night. Miss Hettie Reeves, of Moberry, was in town Saturday night, visiting Miss Jodie Girdley. Arthur Girdley, John and Pate Smith, of Wilder, are in Eastland and Moberry, visiting friends and relatives. Was sorry to hear of the death of Mrs. Lizzie Prizmore, of Inman. Have known her all her life. She was one of the best women in the valley. She was born and raised near the place of her death. She was a member of the Methodist Church. No one could doubt her christian faith. We sympathize with the bereaved family. We notice that Cleo Smith was killed in Illinois. We hated to hear of the accident. He and his brother, Lee Smith, both served in the U. S. Army. They were orphan boys, their parents having died when they were small children. They were bright, intelligent young men and made valiant soldiers while in the army. We see the name of John A. Hoge announced as a candidate for Trustee of Marion County. John will make a good and efficient trustee if elected. His father was trustee several terms. We notice a good many names of friends and relatives in the community of Ebenezer, but don't see the name of W. J. Lewis, or Scott Kelly. Bob Crawford was seen going over the hill towards Clifty this morning. Bob was in a hurry. If he holds out he will get there sometime next week. Bob is a fine horse trader. He has some fine stock on hand. Anyone wishing to trade or buy will do well to call on him, No. 52, Main street, Eastland, Tenn. Well, it looks a little like we were going to have another snowstorm. Born to Mr. and Mrs. J. Fultz, a fine girl the 5th inst. Mother and babe are both doing fine. There will be a large potato crop planted this year. Potatoes are selling at 75c and \$1.00 this spring, but customers are paying \$1.25 at some places on the mountain. J. G.

Editor News: I am a republican and don't claim any rights, but the right that one of this party has. I could go on about the trouble in our party and say Brewer or Rogers, either, was nominated, but what would you say? You would say this is not so, for I know who is nominated. This would also apply to Kelly and Coppinger, but would not change things in the least. One fact is certain that if this is kept up John A. Hoge will be the next trustee, and the Whitwell bank will receive no deposits like it would if Rogers could carry out his plan. Then again M. F. Jackson will be your sheriff. I was at this democratic rally. The whole of our family was there. You could, if you had been there, have seen P. A. K.'s picture and scheme in every democratic countenance for he worked it up. Be it to each and every republican in Marion county I now ask you, are you willing to say this, "I am willing to turn the offices over to the democrats for twenty-five years," because you and I will not do our duty as republicans. I say these men are not what they all four claim to be, and on this point we all agree. Now while we all agree let us agree to this one thing that these four candidates are not the republican party. There are others and about 1400 more than these four. We must all agree to this fact. Now will we as republicans stand still and let this stand this way, or will we come out flat-footed and say, "Boys, we are too good friends to you that claim to be republican nominees to not meet in the court house of the old republican county of Marion, and ask L. F. Brewer and S. L. Rogers to come off that limb they say they are on and look old harmony straight in the face and say, "As for me and mine we will say parts without friction. We can't win a victory schooled from our opponents. We ask the party to forgive us for this little friction. Then every republican will at once give you the right hand of republican friendship, and bid you republican speed hereafter. Republicans who are not willing to do this, already for Hoge and Jackson and the balance of the democratic ticket. As they themselves put it, "Our last ticket, nominated by us democrats, is the winning ticket." Republicans, this is the democratic song, and I am tired of this being fixed in my face. Are you, or are you not? If you want to change their tune, rally to the party now. Make deals with the secretary and chairman now, and if they will go call us together we will apply to the executive committee and ask them to call us together and by this bring harmony, and by this make very popular men of Rogers, Brewer, Kelly and Coppinger. Instead of them going blindfolded into the well of self-destruction by this party falling headlong into a factional fight that will never end. Do we want to act as our best judgment dictates, or will we be lulled to sleep by the democratic song as it was sung in various places of the county, that "we nominated the republicans so we could see good how to nominate our real ticket." I will not stand this. If the republicans do, they must hear from me as one, and I shall lay the blame next time I come in the paper. The people ought to know all of this, and why we are not together is up to the rank and file of our party to act on. So talk, or I will know you are for the democrats. You may have a right to do this, but you do have a right to be one that may help us out of this little trouble. I say little because it is little, and can be done without the loss of one drop of blood or one candidate, not even one life lost, but these four good boys of Marion county saved from a political grave. I am sure they want peace, so start out by crying "Come peace, sweet peace." We welcome thee and ask all republicans to help get peace. You may expect people to oppose you but they are for Hoge and Jackson, so pass on yours in mind, and to those that have Pat and Leonard and Jim and Wash at heart sweet peace will come. LITTLE JIM, Jasper, Tenn.

Caroline Chapel. Well, we writer went to Whitwell last Thursday a week ago, and stayed over until the next Monday. He went to hear that great New York evangelist. On Saturday night he turned the X-rays on Whitwell. He said Whitwell was the meanest town he was ever in except Memphis. He said Whitwell was full of "blind tigers," "blind officers" and "blind J. P.'s." and lawlessness ran rife in Whitwell; tho, he said there were a few good people in Whitwell. While at Whitwell we enjoyed the hospitality of our second cousins, H. L. Rankin and sister, Bonnie, also spent a part of Sunday with our old friend, Jeff Barlow and family, and sure had an enjoyable time. We do love to meet with our old time friends. Mrs. Lizzie Gholston and children, of Whitwell mountain, are in the valley this week, spending a few days with her father and mother, Mr. and Mrs. D. D. Lewis and family. D. D. and family are snugly domiciled in their new house, and are feeling proud, as their old house was getting somewhat dilapidated, as it had been standing the storms for a whole century or more. Mrs. Nettie Ransaville and children, of the Ebenezer settlement, was in our community yesterday, Sunday, visiting her grand mother, Mrs. Sallie Billingsley, and other relatives, and had to drive home thru the mud and rain. Well, we are having preaching at the Chapel twice a month now, the 1st and 3rd Sunday evenings in each month. Our new circuit rider is doing a better part by us than the former ones. Mrs. Nettie Cates, of Victoria, visited home folks last Monday. Mr. and Mrs. W. H. Jordan visited their daughter, Mrs. Katie Parker, near Shellmond, one day last week. Well, as it is getting up towards mail time, I guess I had better stop. Wishing the editor and readers success, I am as ever, Old Joe.

Smithsonia, Ala. The prospects look bright to the men on the Government work here, and to the whole south, for we are now almost sure we will have a private plant at Murrell Shoals in the near future. Colbert Douglas spent Saturday in Sheffield and Florence. B. F. Coles was seen going towards Pine Dale one night last week. F. M. Meade, the popular first engineer of the U. S. Dredge, "Tuscumbia," now improving the landing at Florence, was here Saturday night. The Steamer "Alabama" got aground in Colbert Shoals early Sunday morning and the U. S. S., "Col. W. R. King," with Capt. C. H. Gorman, pilot, and Wilford J. Scofield, engineer, went to help get them afloat. Then the U. S. S., "Colbert," with Capt. Phillips, pilot, and Frank Walk, engineer, came.
