The Kind You Have Always Bought

THE CENTAUR COMPANY, NEW YORK CITY.

Superior, Wyoming.

Special to the News.

Blackberry summer seems to be the order of the day.

The Superior Ever Welcome club gave a hard time dance Saturday evening. The club has recently organized and it has quite a number of members, and everyone seemed to enjoy themselves. Roy Donovan is president and Lew Derigan, floor manager.

Clarence Holmes and best girl, Miss Mable Brown, were out kodaking Sunday evening.

G. C. Pryor has purchased \$1000 worth of oil stock in the Wichita Falls district of Texas. We wish him success.

The coal strike is still on but the people of Superior do not realize it, for they are too busy enjoying themselves.

John Lamb and John Winn recently returned from a big game hunt up in the Jackson Hole region. They secured two deer and one elk out of the trip. There is lots of game in the state of Wyoming, but the regulations are very strict on game.

Edward Turner is contemplating coming to Superior to resume his operations as coal miner.

Mrs. John Holmes was in Kock Springs one day last week shopping. Miss Edith Belle Holmes accompanying her.

If you want to see Clarence Holmes smile, just name College Hill at Whitwell.

Ye writer would like to meet some of the good old friends of Sequatchie Valley.

Hold out, you good brothers of Whitwell local union, U. M. W. of A., for we feel that we have asked for a just increase in wages. Now, what gets my goat, is this: This government intimates the war is not over and they cannot agree to a higher wage scale.

Now, if Uncle Sam will take the coal mining industry over and run it and recognize our union, it suits me, for I have worked for Uncle Sam before and eaten his "earned Willie" and "hard tack" and if he can take the coal mines and operate them he can cut this profiteering out. Shortly after the armistice was signed the cost of living was increased and now thousands of us ex-soldiers as coal miners in civilian life have asked for a just increase, as one hundred per cent. Americans, and the mine owners do not want to grant it. The laboring class of the United States will have to have more representation in Washington before they can make a wage decent enough to

meet their daily demands. England has a seven-hour day now with understanding of a six-hour day in 1920. The best advice I could give the Whitwell miners is to stick her out, you can't help but get some kind of an increase.

H. F. HOLMES,

A brother of local union 3573, U. M. W. of A.

Dear Santa Claus:

I am a little girl nine years old. Please bring me a big doll with curly hair, and lots of good things to eat. I will not ask you for much this time, but I will be glad to get anything you bring me. My papa wants a whole lot of subscriptions to the News. Can't you manage to bring them, too, Santa?

Mr. P. LaDuke, Farmer, Says, "You Bet Rats Can Bite Thru Metal."

Pryor Ridge.

Rainy weather seems to be in order. It seems that winter will never come.

Koena Tate says she enjoys going to school.

Hardy Cox and Raymond Tate went hunting Friday.

I read in the News where "Lone Star" jumped on all the correspondents for not writing. Well, "Lone Star," I want to say if I could write interesting letters like you I would not stand back on the writing. It don't make any difference whether anybody else writes or not, you must.

Mrs. Hattie Tate is visiting her son, George, at Coalmont. She has been out there nearly three weeks.

Roena Tate called on Myrtle Smartt Wednesday.

Myrtle Smartt, Roena Tate, Hardy Cox and Raymond Tate all went to prayer meeting Sunday evening and they sure enjoyed themselves.

Ask Roena Tate how she likes to keep house and she will say fine, of course, that she has to learn because she might want to keep house for herself some day.

Come on, Dixon Cove with your pieces, and tell us how a certain boy and girl down there are getting along.

If you want to see Miss Nan Coppinger frown, just let the boys visit the school.

Come on, Whitwell, and write to the News, as I sure am foolish about some of the Whitwell people.

Misses Roena Tate and Katie Shrum say they want to take another trip to Dixon Cove and Foster Falls before long.

Lonely Girl.

A Lady in Chicago Telegraphs for Rat-Snap.

Read Mrs. Phillips' wire: "Youell's Exterminator Co., Westfield, N. J. Rush \$3 worth RAT-SNAP." Later received following letter: "RAT-SNAP arrived. I rid our home of rats in no time. Just moved here from Pennsylvania, where I used RAT-SNAP with great results."

Three sizes, 25c, 50c, \$1.00. Sold and guaranteed by Sequachee Supply Store, Sequachee; Friend & Cates, Victoria; Whitwell Drug Co., Whitwell; F. T. Patton, Jasper; J. W. Simpson & Son, Jasper.

Keep Well

Do not allow the poisons of undigested food to accumulate in your bowels, where they are absorbed into your system. Indigestion, constipation, headache, bad blood, and numerous other troubles are bound to follow. Keep your system clean, as thousands of others do, by taking an occasional dose of the old, reliable, vegetable, family liver medicine.

Theford's

Black-Draught

Mrs. W. F. Pickle, of Rising Fawn, Ga., writes: "We have used Theford's Black-Draught as a family medicine. My mother-in-law could not take calomel as it seemed too strong for her, so she used Black-Draught as a mild laxative and liver regulator. We use it in the family and believe it is the best medicine for the liver made. Try it. Insist on the genuine—Theford's. 25c a package. E-75"
