Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotic or harmful drugs, and to-day holds the record of being the most successful remedy for female ills we know of, and thousands of voluntary testimonials on file in the Pinkham laboratory at Lynn, Mass., seem to prove this fact.

For thirty years it has been the standard remedy for female ills, and has restored the health of thousands of women who have been troubled with such ailments as displacements, inflammation, ulceration, tumors, irregularities, etc.

If you want special advice write to Lydia E. Pinkham Medicine Co., (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

## THIS WOMAN WAS VERY UNHAPPY

Physically and Mentally Worn Out—Tells How Nervous and Crying Spells Were Ended by Vinol.

Monmouth, Ill.—"I was weak, worn-out and nervous. I had no appetite and was getting so thin and discouraged, one day I just broke down and cried when a friend came in and asked me what was the matter. I told of my condition and how nothing I took seemed to do me any good. Vinol was suggested. I got a bottle and before it was half gone I could eat and sleep well. I continued its use and now my friends say I look ten years younger, and I am well, healthy and strong. I wish I could induce every tired-out, worn-out, nervous woman to take Vinol."—Mrs. HARRIET GALE, Monmouth, Ill.

There are many over-worked, tired-out, nervous women in this vicinity who need the strengthening, tissue building, and vitalizing effects of Vinol, our delicious cod liver and iron tonic, and so sure are we that it will build them up and make them strong that we offer to return their money if it fails to benefit.

News of the death of Mrs. George M. Conn, which occurred at her home east of Somerville in District 1 Wednesday morning, was brought to The Falcon office too late for an extended notice in this issue, and further mention will be made next week. She was stricken with paralysis last Saturday morning, since which time there had been little hope for her recovery.

Responses to the suggestion made in these columns last week for a David Dobbins Fund for help of his widow and children have been most gratifying. C. W. Crawford, whom The Falcon suggested as treasurer of said fund has received subscriptions amounting to well over fifty dollars and others have expressed a willingness to give. Send your subscription to C. W. Crawford, county court clerk, Somerville, and it will go to a good cause. We will publish the list next week of all subscriptions received up to that time. Mrs. U. K. Ivy entertained several of her friends on last Thursday afternoon with five hundred, at her home on South Main street. Three tables of guests played enthusiastically and most pleasantly for a number of games, after which a course of ices and cakes was served and prizes were awarded the successful contestants. Mrs. R. W. Sessums won the first prize, which was a handsome deck of cards, and the consolation prize was won by Mrs. Jno. Morris, this prize being a box of correspondence cards. Those who were favored with invitations join in pronouncing Mrs. Ivy a most charming hostess.

The contracts for road work in districts 11, 14 and 15 were let Monday as follows: 11 to Alexander Bros. for \$400, 14 to S. P. Crawford for \$475, and 15 to Wilbourne Parks for \$350. The contracts for all other districts were let two weeks ago and names of contractors and the amounts to be paid them published in The Falcon at the time. This is good time to call attention once more to the importance of the road committee places on regular and repeated dragging of the roads by contractors. It is no experiment. Where ever roads have been dragged they have been improved and you can now tell every stretch of road in the county that was thoroughly dragged last season.

They returned to Somerville Wednesday morning, having brought Roberts to Memphis and placed him in the Shelby county jail where he is being treated for wounds received by pistol shots when arrested. His wounds are said to be but slight, one in the foot and one in the thigh, neither of which should give any serious trouble.

Roberts had not been heard from by officials here since he fled after shooting Sheriff Jordan and inflicting a fatal wound upon David Dobbins who was with the sheriff when he went to arrest Roberts. As reported from Meridian he confessed to having shot the sheriff and deputy and thought he killed both until arrested in the Mississippi city a few days ago.
